Implementing Change Through Learning Shirley M. Hord,James L. Roussin,2013-04-02 Lead successful lasting reform in your school or district There's no doubt about it real educational reform happens one school at a time one classroom at a time No matter what change your school or district is facing this definitive book shows how to involve teachers and staff as partners every step of the way Shirley Hord and Gene Hall are highly acclaimed experts on K 12 change management with their Concerns Based Adoption Model CBAM a rigorously field tested approach that has benefitted schools and districts for more than two decades Now this respected team joined by co author James Roussin shares their hands on techniques with you in this practical guide This complete change management program enables you to Understand predict and address educator concerns and reactions that may arise during the change process Use a series of powerful Learning Map activities to guide and support individuals and teams to navigate their own change efforts successfully Promote collaboration and learning throughout a change initiative transforming skeptics into supporters Experience the CBAM model in action through a running case study Implementing Change Through Learning offers realistic people centered strategies that help you develop trust and credibility with all teachers and staff involved setting a foundation for reform that lasts *Leadership and Management in Education* David Thenuwara Gamage,Nicholas Sun-keung Pang,2003 This book is designed to help educational administrators in developing essential skills and competencies for leading and managing educational institutions Text covers three inter related parts history and foundations structures and processes leadership and management Each part contains comprehensive chapters with discussions on theoretical concepts and best practices in approaching leadership and managerial issues in educational contexts including clear learning objective and a focus for each chapter *Managing Pastoral Care* Mike Calvert,Jenny Henderson,1998-04-01 Pastoral care provision in schools has become increasingly marginalized in recent years However emphasis on the needs of the whole learner has become ever greater Coupled with this is a growing recognition of the adverse effects of a wider social malaise on the development of students This book stresses the need for a radical rethink and reprioritizing of pastoral support It promotes the belief that pastoral care can contribute to and improve academic achievement and analyzes every aspect of pastoral care and PSE *Education Quality and Social Justice in the Global South* Leon Tikly,Angeline M. Barrett,2013-06-07 How we understand education quality is inextricably

linked with perspectives on social justice Questions of inclusion relevance and democracy in education are increasingly contested most especially in the global South and improving the quality of education particularly for the most disadvantaged has become a topic of fundamental concern for education policy makers practitioners and the international development community The reality experienced by many learners continues to be of inadequately prepared and poorly motivated teachers struggling to deliver a rapidly changing curriculum without sufficient support and often using outmoded teaching methods in over crowded or dilapidated classrooms Education Quality and Social Justice in the South includes contributions from leading scholars in the field of education and development The text draws upon state of the art evidence from the five year EdQual research programme which focuses upon raising achievement in low income countries and demonstrates how systems of high quality universal education can be sustained By exploring recent research initiatives to improve education quality the importance of supporting local policy makers educators and parents as agents of change and students as active inquirers is highlighted and the challenge of taking successful initiatives to scale is explained The book is divided into three main parts Framing Education Quality Planning and Policies for Quality Implementing Quality in Schools Education Quality and Social Justice in the South argues that implementing a high quality of education using theories of social justice can inform the understanding of inclusion relevance and democracy in education The book should be essential reading for both students and researchers within the fields of international and comparative education along with educational policy poverty and development studies

Reflecting On School Management Jennifer Evans, Anne Gold, 2005-08-08 The reorganisation of the education system within Britain has vastly increased the managerial responsibilities of those working in schools although the staff generally have received little management training In this book the various issues related to management are teased out and a selection of ideas and pragmatic solutions informing good practice are examined
