women than among men The differences between competition envy and jealousy When competition is healthy and when it isn't Why women find it irresistible to trip the prom queen Useful strategies to stop the competition and forge a new kind of relationship with other women Whether you've tripped the prom queen or been tripped yourself you will discover an engrossing exploration of this female phenomenon as well as a beacon of hope for better more fulfilling relationships

Closures Grace Lavery, 2024-01-26 From *The Mary Tyler Moore Show* to *Arrested Development* to *BoJack Horseman* the American sitcom revolves around crises that must be resolved by episode's end with a new crisis to come next week In *Closures* Grace Lavery reconsiders the genre's seven decade history as an endless cycle of crisis and closure that formally and representationally frames heterosexuality as constantly on the verge of both collapse and reconstitution She shows that even the normiest family based sitcoms rely on queer characters like Alice *The Brady Bunch* and Steve Urkel *Family Matters* who highlight how the family is perpetually incomplete and unstable Analyzing the genre's techniques and devices such as the laugh track and the cringe pan Lavery also charts the shift to friend group and workplace sitcoms like *Friends* and *The Office* which she contends reflect a weakening of social ties in ways that place characters in an unending state of becoming With this capacious yet svelte queer and trans theorization of the sitcom Lavery demonstrates that the family ties that bind the genre's normative heterosexuality are far more tenuous than we have been led to believe [Encyclopedia of Television Shows, 1925 through 2010, 2d ed.](#) Vincent Terrace, 2014-01-10 This fully updated and expanded edition covers over 10 200 programs making it the most comprehensive documentation of television programs ever published In addition to covering the standard network and cable entertainment genres the book also covers programs generally not covered elsewhere in print or even online including Internet series aired and unaired pilot films erotic series gay and lesbian series risqué cartoons and experimental programs from 1925 through 1945 [TV Guide: TV on DVD 2006](#) TV Guide, 2005-10 From the foremost authority on TV viewing comes a complete guide to television shows on DVD *An Amish Christmas Quilt* Charlotte Hubbard, Jennifer Beckstrand, Kelly Long, 2015-10-01 This sweet anthology celebrates Christmas in three different Amish communities The patchwork mix will keep readers toasty warm this winter Publishers Weekly With all the warmth of a cozy quilt snuggle into Amish tales of hearts joined friendships patched and the bright joys of Christmas tradition A Willow Ridge Christmas Pageant Charlotte Hubbard Seth Brenneman didn't expect his holiday would include rescuing pregnant young Mary Kauffman and her two children Or having unexpected feelings for the still grieving widow But when they must play the leads in an impromptu Nativity pageant will their roles reveal their hearts and work a miracle for a lifetime A Christmas on Ice Mountain Kelly Long Matthew Beider and Laurel Lapp's secret wish to marry is a gift their feuding fathers definitely won't accept Can rediscovering the joys and friendships of Christmas past finally turn their families futures bright A Perfect Amish Christmas Jennifer Beckstrand Anna Helmuth's grandson Gideon plans to spend Christmas on a beach in sunny Mexico But Anna is quite sure he'd rather be with them snowshoeing ice fishing falling in love And she knows the perfect girl

Library Journal **Into the Inferno** Bill Ibelle, 2025-08-31. *Into the Inferno* is more than just another war story. It's an intriguing tale of best friends, one fighting at 25,000 feet above German flak guns and the other in the steaming jungles of the Pacific, and of the unforgettable girl they left behind. A page-turner to the very end. Travis L. Ayres, author of *The Bomber Boys*. The temperature was 40 degrees below zero when fighter planes screamed out of the clouds, puncturing the fuselage with a spray of machinegun fire and sending the bomber beside them into a death spin. This was followed by intense flak as a hundred cannons on the ground tried to blow them out of the sky. When they finally made it back to the base, another enemy awaited them: homesickness, crushing boredom, relentless cold, and more mud than they could imagine. Bert Ibelle was a 19-year-old freshman at Dartmouth College when he enlisted in the Army Air Corps to fly dozens of bomber missions over Nazi-occupied Europe and win the Purple Heart. His buddy Fran Brighenti served as an infantry marksman on the opposite side of the globe, slogging through the steaming jungles of the Philippines and the fiery hell of Okinawa. Their wars couldn't have been more different, nor could their approach to life. While the ever-exuberant Fran was a ladies man, Bert only had eyes for Red, the girl back home who was in love with another young man. This is their story, one that combines terror, humor, friendship, and a son's search for his elusive father.

Sitcom Mom Judy Kutulas, 2023-12-19. This book analyzes how situation comedies have provided cultural insight into both the good and the bad sides of American motherhood through the years. Judy Kutulas argues that while early sitcoms tended to reinforce conventional visions of motherhood, more complex and problematized mothers began rising to prominence as cultural norms continued to diversify. Ultimately, Kutulas explores and demonstrates how increasingly diverse depictions of motherhood reflect changing social expectations, new social and professional opportunities, and expanding debates about what it means to be a mother. Scholars of television, media, American cultural, and women's studies will find this book of particular interest. **Hollywood Heyday** David Fantle, 2018-04-23. What audacity exclaimed actor Robert Wagner when he heard about the author's adolescent exploits in nabbing interviews with Hollywood celebrities. In 1978, Fantle and Johnson, St. Paul teenagers, boarded a plane to meet with Fred Astaire and Gene Kelly. They had written the stars requesting interviews, and to their amazement, both agreed. Over the years, more than 250 other stars also agreed: Lucille Ball, Bob Hope, James Cagney, Mickey Rooney, Debbie Reynolds, George Burns, Rod Steiger, Milton Berle, Frank Capra, and Hoagy Carmichael, to name a few. Published for the first time and with exclusive photos, this selection of 75 interviews chronicles the authors' 40-year quest for insights and anecdotes from iconic 20th-century artists. *The New York Times Magazine*, 1974.
