

A MATTER OF HONOR

One Cop's Lifelong Pursuit
of John Gotti and the Mob

REMO FRANCESCHINI

Matter Of Honor One Cops Lifelong Pursuit Of John Gotti And The Mob

Remo Franceschini

Matter Of Honor One Cops Lifelong Pursuit Of John Gotti And The Mob:

Mob Star: The Story of John Gotti Gene Mustain, Jerry Capeci, 2002-07-01 He was a little known wiseguy out of Howard Beach Queens who blasted his way into the public eye with the assassination of Gambino Family boss Paul Castellano in December 1985 a rubout that s the stuff of Mafia legend Ruthless cunning and tougher than the streets that produced him John Gotti seized control of the nation s most powerful crime family beat the law on rap after rap and became an American legend First published in 1988 and fully revised and updated for this edition Mob Star traced John Gotti s spectacular rise and eventual downfall after the betrayal of his closest ally Salvatore Sammy Bull Gravano At his death ten years after he was jailed for life and four years after he began battling cancer John Gotti was still the biggest name in today s Mafia

A Matter of Honor Remo Franceschini, 1993 The author describes his role as commanding officer of the Queens district attorney s squad and how he spent his career trying to bring John Gotti to justice

Big Apple Gangsters Jeffrey Sussman, 2020-11-30 The great founding figures of organized crime in the 20th century were born and bred in New York City and the city was the basis of their operations Beginning with Prohibition and going on through many illegal activities the mob became a major force and its tentacles reached into virtually every enterprise whether legal or illegal gambling boxing labor racketeering stock fraud illegal unions prostitution food service garment manufacturing construction loan sharking hijacking extortion trucking drug dealing you name it the mob controlled it The men who organized crime in America were the sons of poor immigrants They were hungry for success and would use whatever means available to achieve their goals They were not interested in religious identity and ethnic identity Their syndicate of criminals was made up primarily of Italians and Jews but also Irish and black gangsters who could further their ambitions Their sole objective was always the same money It began with Arnold Rothstein who not only helped to fix the 1919 World Series but who also mentored and financed the individuals who would control organized crime for decades Individuals such as Frank Costello Lucky Luciano Bugsy Siegel Joe Adonis and Meyer Lansky who would then follow suit setting up other criminal organizations They established rules of governance making millions of dollars for themselves and their cohorts All the organized crime bosses and their cohorts had the same modus operandi they were far seeing opportunists who took advantage of every illegal opportunity that came their way for making money

Big Apple Gangsters The Rise and Decline of the Mob in New York reveals just how influential the mob in New York City was during the 20th century Jeffrey Sussman entertainingly digs into the origins of organized crime in the 20th century by looking at the corporate activity that dominated this one city and how these entrepreneurial bosses supported successful criminal enterprises in other cities He also profiles many of the colorful gangsters who followed in the footsteps of gangland s original founders Throughout the book Sussman provides fascinating portraits of a who s who of gangland His narrative moves excitingly and entertainingly through the pivotal events and history of organized crime explaining the birth growth maturation and decline of various illegal enterprises in New York He also profiles those who prosecuted the mob and

won significant verdicts that ended many careers responsible for bringing many organized crime figures to their knees and then delivering a series of coups de grace such as Burton Turkus Thomas Dewey Robert Kennedy and Rudolph Giuliani

Gotti's Boys Anthony M. DeStefano, 2019-07-30 A KILLER LINE UP In his bloody reign as the head of the Gambino crime family John Gotti wracked up a lifetime of charges from gambling extortion and tax evasion to racketeering conspiracy and five convictions of murder He didn't do it alone Surrounding himself with a rogues gallery of contract killers fixers and enforcers he built one of the richest most powerful and violent crime empires in modern history Pulitzer Prize winning journalist Anthony M DeStefano takes you inside Gotti's inner circle to reveal the dark hearts and murderous deeds of the most remorseless and cold blooded characters in organized crime Men so vicious even the other Mafia families were terrified of them Meet Gotti's Boys Charles Carneglia Gene Gotti Angelo Quack Quack Ruggiero Tony Roach Rampino Sammy the Bull Gravano Frank DeCicco Vincent Artuso Joe The German Watts THE ULTIMATE MURDERER S ROW DeStefano explores John Gotti's rise to the head of the Gambino family Aficionados are sure to relish the finer exhaustively researched details Publishers Weekly A thrilling ride DeStefano has written another excellent biography of a memorable group of gangsters and an excellent addition to the history of the Teflon Don Booklist **From Wiseguys to Wise Men** Fred Gardaphe, 2013-01-22 The gangster in the hands of the Italian American artist becomes a telling figure in the tale of American race gender and ethnicity a figure that reflects the autobiography of an immigrant group just as it reflects the fantasy of a native population From Wiseguys to Wise Men studies the figure of the gangster and explores its social function in the construction and projection of masculinity in the United States By looking at the cultural icon of the gangster through the lens of gender this book presents new insights into material that has been part of American culture for close to 100 years **Five Families** Selwyn Raab, 2014-05-13 The New York Times bestseller chronicling the history of NYC's infamous five mafia families is now the basis for the upcoming The HISTORY Channel documentary series American Godfathers The Five Families Genovese Gambino Bonnano Colombo and Lucchese For decades these Five Families ruled New York and built the American Mafia or Cosa Nostra into an underworld empire Today the Mafia is an endangered species battered and beleaguered by aggressive investigators incompetent leadership betrayals and generational changes that produced violent and unreliable leaders and recruits A twenty year assault against the five families in particular blossomed into the most successful law enforcement campaign of the last century Selwyn Raab's Five Families is the vivid story of the rise and fall of New York's premier dons from Lucky Luciano to Paul Castellano to John Gotti and more The book also brings the reader right up to the possible resurgence of the Mafia as the FBI and local law enforcement agencies turn their attention to homeland security and away from organized crime **Failed Evidence** David A. Harris, 2012-09-03 With the popularity of crime dramas like CSI focusing on forensic science and increasing numbers of police and prosecutors making wide spread use of DNA high tech science seems to have become the handmaiden of law enforcement But this is a myth asserts law professor and nationally known

expert on police profiling David A Harris In fact most of law enforcement does not embrace science it rejects it instead resisting it vigorously The question at the heart of this book is why Eyewitness identifications procedures using simultaneous lineups showing the witness six persons together as police have traditionally done produces a significant number of incorrect identifications Interrogations that include threats of harsh penalties and untruths about the existence of evidence proving the suspect s guilt significantly increase the prospect of an innocent person confessing falsely Fingerprint matching does not use probability calculations based on collected and standardized data to generate conclusions but rather human interpretation and judgment Examiners generally claim a zero rate of error an untenable claim in the face of publicly known errors by the best examiners in the U S Failed Evidence explores the real reasons that police and prosecutors resist scientific change and it lays out a concrete plan to bring law enforcement into the scientific present Written in a crisp and engaging style free of legal and scientific jargon Failed Evidence will explain to police and prosecutors political leaders and policy makers as well as other experts and anyone else who cares about how law enforcement does its job where we should go from here Because only if we understand why law enforcement resists science will we be able to break through this resistance and convince police and prosecutors to rely on the best that science has to offer Justice demands no less

Profiles in Injustice David A. Harris, 2003 Argues that racial profiling by police officers highway troopers and customs officials is morally reprehensible and does not help catch criminals but rather contributes to the moral decay of American society

Greed and Glory Sean Deveney, 2018-05-15 On October 28 1986 just one day after winning one of the most thrilling World Series in history the New York Mets were feted by more than two million fans with a parade through the city In news accounts of the event there was a small aside as this one in the New York Times Notable in his absence was the pitcher Dwight Gooden who Mets officials later said had overslept No the Mets twenty one year old phenom had not slept too late He had not slept at all in fact For Gooden his postgame champagne celebration kicked off a cocaine binge that took him to a club in Long Island and wound up with him wired watching his teammates roll through the streets as he sat with strangers in a public housing project Such were the 1980s in New York City a gilded era buttressed by fast money from a real estate boom and the explosion of Wall Street wealth The Mets and Giants bolstered by lightning rod personalities like Gooden and Lawrence Taylor brought the city sporting glory while its celebrity wealthy added a tabloid friendly touch of intrigue and national envy Iconoclastic real estate developer Donald Trump gained national celebrity for his deal making skill and the flaunting of his outsize ego Even mayor Ed Koch had gained coast to coast fame and mention as a potential future president Beneath the opulence was a tenuous foundation one that collapsed spectacularly over the last half of the decade Away from the cameras focused on the city s nouvelle riches New York was beset by crisis after crisis homelessness AIDS crack cocaine organized crime The swell of outrage over the unwillingness of the city elite to address those problems took years to finally reach a tipping point Through interviews and detailed research Greed and Glory gives the narrative of New York during these times tracing the arc of its
