Nigel Watson, 2020-05-22 New Hampshire couple Betty and Barney Hill provided Americans with what is essentially the original alien abduction story Since their story became public in the early 1960s many thousands of Americans have likewise come forward with similar stories of traumatic experiences Sometimes the abductee has little conscious recollection of these events but through nightmares dreams flashbacks and hypnosis they eventually learn more Sometimes the participants are bewildered To get a better understanding of the opposing viewpoints of skeptic and believer the Betty and Barney Hill case is used to examine the wider context of such encounters their historical origins media influences and the latest extraterrestrial psychological paranormal conspiracy and sociological theories that surround them

Top Secret Alien Abduction Files Nick Redfern, 2018-11-01 Why and how the government monitors those who have been kidnapped by strange unearthly beings with even stranger agendas from the author of Final Events For decades people have reported close encounters with extraterrestrial entities Witnesses describe being kidnapped by large headed black eyed creatures from other worlds Those same creatures have become popularly known as the Grays There is however another aspect to the alien abduction controversy Abductees very often report being followed and spied upon by military and government personnel It is typical for abductees to see black helicopters hovering directly over their homes in an intimidating manner Phone calls are monitored Emails are hacked into Strange men dressed in black suits are seen

photographing the homes of the abductees All of this brings us to the matter of what have become known in the domain of alien abduction research as Military Abductions or MILABS According to numerous abductees after being kidnapped by aliens they are kidnapped again by the government These follow up events are the work of a powerful group hidden deep within the military and the intelligence community It is the secret agenda of this highly classified organization to figure out what the so called Grays are really up to And the best way for the government to get the answers is to interrogate those who have come face to face with the UFO phenomenon the abductees Why is the government secretly compiling files on alien abductees Is the alien abduction issue so sinister that it has become a matter of national security proportions *Weekly World News*, 1995-12-26 Rooted in the creative success of over 30 years of supermarket tabloid publishing the *Weekly World News* has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site

1950s Science Fiction Films and 9/11 Melvin E. Matthews, 2007 1950s Cold War era monsters meet 21st century terrorists this exploration of sci fi movies examines the similarities and differences between the political environment and popular culture of two eras This examination and appreciation of 1950s science fiction films includes behind the scenes tales about their production and many quotes from those who produced and starred in the films The author draws parallels between the Cold War fears of the 1950s and 60s and the constant terrorism alerts of the September 11th era exploring how the politics and the psychological climate of the times influences and is reflected in this vehicle of popular culture This book is the first of its kind studying the pop culture genre in the wake of the September 11th tragedy It shows that whatever the era and whatever the challenges and crises confronting America many entertainment themes remain the same reflecting their respective times and the relevant issues For instance Godzilla the only Fifties era monster to remain a movie star beyond that era could be fashioned to reflect whatever issues dominate the times be they nuclear war in the Fifties when

Godzilla originated to a Seventies Godzilla film about environmental pollution Conceivably a Godzilla for the age of terrorism is possible Then the 1954 atomic mutation classic is the spiritual ancestor of the 2002 film Eight Legged Freaks The alien invaders of the Fifties signified a Russian invasion of America while other films of the genre such as Invaders from Mars depicted aliens utilizing mind control to manipulate humans to commit acts of sabotage signifying Communist enslavement If such a film were made now such invaders could be seen as terrorist masterminds using human slaves to commit terrorist acts Finally several Fifties films depicted the end of the world at a time when Americans expected a nuclear war with Russia The immediate pre September 11th era witnessed films presenting galactic threats to mankind s existence Independence Day Deep Impact Armageddon while the early 2000s witnessed the popularity of the Left Behind Christian films dramatizing the Tribulation period in the Book of Revelation
