My Venetian Sketchbook:

My Venetian Sketchbook Isabelle De Borchgrave, 2004-10-15 A colourful celebration of the city of Venice Huck Scarry's Venice Sketchbook Huck Scarry, 1994 This charming book presents illustrator Huck Scarry's impressions in watercolors pencil sketches and journal entries of a Venice most tourists never see Scarry reveals the hidden charms and subtle moods of this ancient city in more than 120 full color pages filled with images ranging from detailed drawings of little known piazzas and monochrome studies of Venetian cats to panoramic watercolor renderings of the Grand Canal His illustrations and accompanying texts are a testament to Scarry's love affair with this endlessly fascinating city of water wind light and shadow With an acute and ironical eye and a light hand Scarry studies Venice's unique angles whims and details Whenever I could I would take my box of paints my sketchbook and my folding chair and go painting through the streets of Venice and at the lagoon The drawings filled my portfolio and became the beginning of my Venetian diary His observations of moving and changing colors atmospheres and perspectives reflect the wonders of a stay in the city **My Life as an Artist** Gilda E. Meyers, 2010 Creativity is the theme connecting the many chapters of the author's life journey with over 300 drawings paintings and photographs illustrating the story Inspired by her daughter's request to introduce her to the artist she was before becoming a mother this intimate memoir includes her growing up in a leftist immigrant Jewish family in the fifties her education and training as an artist studies in Germany in 1958 and a year of drawing and painting in Europe in 1962 The cultural climate of the sixties significantly changed the course of her life and work After the birth of her daughter she began a spiritual practice that included time in India She eventually embraced Buddhist Vipassana meditation Included is her training as an art and body therapist and the transition into becoming a psychotherapist She maintains a private practice as a transpersonal somatic psychotherapist and group therapist in Santa Rosa California **My VENICE** Barbara Athanassiadis, 2014-08-12 ABOUT THE BOOK MY VENICE An intimate look at the Myth History and the magic of its Arts I liked the way the city had attracted my attention But in order to discover it I asked it to stop hiding behind its masks I wanted it real To allow me to discover its secrets understand its problems and hold a direct conversation with it And it was promised to me and all disguises were thrown off as our conversation began A trip through time myth History the magic of Art and life is what Barbara Athanassiadis manages to achieve with the discerning eye of an experienced traveller It is the same eye that captured reflections of Italy in her earlier narratives the books A Year in Tuscany and Feeling Rome My Venice is the final book left to complete her unique literary trilogy that approaches time place and people both in the past and in the present Without directing our steps the author transports us through the canals the narrow streets and the squares of Venice and she focuses our attention on works of Nature and Art drawing on legends and historical omissions The Winged Lion leisurely embraces the shoulders of our romantic heroine and the Seagull's Flight even reaches the Empress Sissy in Venice The Tiny Murano Spheres roll down and stop before The Fork of the Byzantine Princess Torcello flirts with the Venetian

Women in the Harem The eBook is illustrated with colourful photos Watch the YouTube book trailer video My VENICE https://www.youtube.com/playlist?list=PLrbc_aJ0WKv8tN0RuB2YvMtqV_lg7N9X BOOK REVIEWS Barbara must have been very much in love with Venice because I know that for many years she has desired to write this book She visited the city many times in the fall and stayed for long periods in order to internalize all that she describes expertly afterwards providing the reader with her interesting reflections on the streets the innumerable bridges and the countless churches but also a wonderful lesson in History and an eye catching look at its mysterious and sensual Art We all know what Venice is for art lovers Reading her book it is obvious that she had an exclusive dialogue with the Serenissima in order for its magic to penetrate inside her and then to be able to narrate her intimate relationship within this dreamy city I particularly liked the point when she asked Venice not to hide behind its masks but to throw aside its touristic veils and be revealed to her without any secrets Lydia Mastronikolis President of the Friends of the Cultural Association Hellenic World Attentive to the Venetian glances of Barbara Athanassiadis book I realized an emotional escalation as the author is quite literal with her title MY VENICE This is indeed her own Venice with the meaning not so much of her subjective glance or the focus on what selectively charms her but in the particular way she sees things looking towards the view of many sights and not really seeing them She wanders amongst her favorite places and drags my gaze to colors and sensations without guiding it Just as charmingly she approximates aspects of everyday life in her extra literary life calmly with a nonchalance and always with a smile Just as spontaneously and naturally she unfolds the myth in which she dresses her wanderings Motives thoughts quests reactions of her heroes occur nearly as obviously By reading her book we follow the confessional narration of a friend where the intimacy of her voice is entrusted to our ears Helen Kritika Book Critic Through the narration of Barbara Athanassiadis I discovered in fact that Venice is inside her hence the title MY VENICE While our friendship has bonded us for years I was truly touched by her book It s as if she has taken me by the hand and together we stroll this fairytale town either when the fog envelops it or when the pink color of its sunset embraces it Barbara s spontaneous and mature descriptions have spurred my curiosity to such an extent that I feel a strong desire to actually go to Venice and see the places that have inspired her I consider myself lucky when I fall upon such a book The narrative makes me travel and look at places I have heard about countless times in a fresh and novel way all while I sit comfortably in my armchair Zoe Kyriakou Radio Producer Easy 97 2 Athens Greece
