Gorski, Stephen F. Grinstead, 2010-04 This title is designed for people in recovery from alcohol or other drug addiction who have a history of relapse or fear they might relapse Confusion and misunderstanding continue to exist about what relapse is and how it happens In this workbook the authors clarify their definition of relapse how it happens and most importantly how to prevent a person from entering the relapse cycle Forthcoming Books Rose Army, 2001 Relapse Prevention Workbook Judy Lohr, 2020-01-17 This guide is for anyone who has stopped using alcohol or other drugs and wants to stay sober and drug free Successful sobriety involves more than just the desire not to drink or use it also involves hard work Here you will find the tools you need to begin This workbook is designed to help you stay sober It is not meant to take the place of a Twelve Step group counseling or an aftercare program It is to be used in conjunction with them Whether you were addicted to cocaine heroin marijuana alcohol prescription drugs or any other mind altering chemical the tools offered in this guide are meant to help you avoid relapse **Relapse Prevention Counseling Workbook** Terence T. Gorski, 1995 This workbook presents seven powerful clinical processes that quickly identify and manage high risk situations causing relapse Special emphasis is placed on management of irrational thoughts unmanageable feelings self destructive urges and self defeating behaviors This counseling process is appropriate for people in all stages of recovery who are facing situations that put them at immediate risk of relapse The process can usually be completed in 7 to 14 sessions and is compatible with brief strategic group therapy methods Relapse Prevention Practice Brian M., 2018 Are you in recovery from substance abuse Are you in recovery from compulsive behaviors Here is a practical recovery workbook that will help you to promote your recovery and avoid relapse Relapse is not inevitable and even if it does happen there is hope because you can do something about it Some have called this book a relapse prevention therapy workbook This relapse prevention

practice uses a simple strategy that will help you to develop a specific plan of action and be aware of your high relapse risk situations If you are going through relapse prevention therapy relapse prevention counseling or addiction counseling this workbook has daily practical exercises that can be used in group counseling or individual setting You will learn gain new coping skills used cognitive behavioral therapy for staying sober and for relapse prevention This Relapse Prevention Practice Workbook is designed for people in recovery from alcohol or other drug addiction who have a history of relapse or fear they might relapse This is a simple workbook for addiction recovery a guide to coping with triggers that lead back to addictive behaviors This book will lead you to Freedom from your addictions a new approach to addiction and recovery a strategy to help you to overcome addiction and a guide for relapse prevention If you are going through cognitive behavioral therapy this workbook will be your guide to staying sober Use it as a relapse prevention therapy workbook for addiction counseling and addiction recovery Although this workbook was designed to help men and women who are in their second quarter or second 90 days of their first year of recovery from substance abuse and other compulsive lifestyles who have a desire to prevent relapse in their lives it will work for you no matter what phase of addiction recovery you are in If you relapsed last time here is the antidote for preventing relapse and promoting you addiction recovery Relapse Prevention Practice The Second Quarter Sobriety Workbook For those in recovery it will be the perfect addiction recovery gift If you are an adolescent or working with adolescents this will be a perfect adolescent relapse prevention workbook Substance abuse is indeed a problem in society particularly among adolescents who are at risk This Relapse Prevention Practice will guide you towards whole person sobriety Please note This book is part of the Relapse Prevention Practice Sequential All the books in this sequential have basically the same text provided for your convenience to ease your transition from one 90 day phase to another The sequential is as follows Relapse Prevention Practice A Sobriety Workbook for the first 90 Days Relapse Prevention Practice The Second Quarter Sobriety Workbook Relapse Prevention Workbook The Third Quarter Sobriety Inventory Relapse Prevention Workbook The Fourth Quarter Sobriety Inventory **Relapse Prevention Workbook for Individuals with Psychosis** Theo Gaius,2021-03-04 Around 50 70% of people with the first episode of psychosis relapse within two years of recovery Relapse can have social and financial implications on the lives of individuals and their families It can also have a significant adverse effect on self esteem and may increase self stigma Therefore managing and minimizing relapse is an essential component in the treatment of people experiencing or recovery from psychosis The Relapse Prevention Workbook for Individuals with Psychosis is designed to help individuals develop a person centered plan to help them recognize relapse signs and take full responsibility for their health and well being It involves learning more about oneself understanding and reflecting on past experiences developing skills to recognize signs of relapse and finally putting together an action plan to prevent and manage relapse The idea behind self management plans emanates from the principle that learning about oneself and developing a plan to prevent relapse will increase self confidence thereby giving the individual more personal control of

their mental health well being The overall treatment goal in psychosis management is to improve the individual functional capacity by focusing on social and vocational functioning An effective relapse prevention plan will recognize and harness individual strengths and weaknesses to maintain social and occupational functioning The workbook is in two parts The first part guides the user in preparing a person centered relapse prevention plan The second part discusses psychosis treatment options challenges and self management tips including how to support individuals experiencing or recovery from psychosis
