Joseph Smith, Simon Davis

Rivals America And Russia Since World War II:

Rivals Adam Bruno Ulam, 1976 **International Politics Since World War II** Charles L. Robertson, 1997-03-24 The past half century has seen many hopes raised and some dashed a succession of fears and false alarms and both triumphs and calamities that were almost entirely unexpected This work offers a short but sweeping history of world politics since 1945 America's postwar pre eminence and the hopes that attended the creation of the United Nations the Cold War and the emergence of a volatile Third World economic transformations and the twin threat of nuclear and ecological disaster the crumbling of the Soviet system and the short lived promise of a peaceful prosperous and democratic new world The author describes these momentous changes concisely in an effort to show how we got here from there and what we might have learned along the way **The rivals** Adam Bruno Ulam, 1971 **Russia and Eurasia 2024-2025** Navruz Nekbakhtshoev, 2024-10-25 The World Today Series Russia and Eurasia deals with twelve sovereign states that became independent following the collapse of the Soviet Union in December 1991 Approximately one third of the book is devoted to Russia The remainder of the book is comprised of separate chapters on Armenia Azerbaijan Belarus Georgia Kazakhstan Kyrgyzstan Moldova Tajikistan Turkmenistan Ukraine and Uzbekistan The text focuses heavily on recent economic and political developments within these twelve states Each country chapter offers descriptions and overviews of the respective governmental institutions key leaders civil society dynamics and economic conditions within each state It supplements this focus with shorter sections dealing with historical developments demographics foreign policy and cultural elements Each chapter concludes with brief projections of future developments within each state The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for students researchers practitioners in international development media professionals government officials and potential investors **Condemned to Repeat it** Sheldon R. Anderson, 2008-01-01 Condemned to Repeat It examines the historical myths that underwrote U S containment policy during the Cold War Anderson argues that the historical record does not support the applicability of lessons learned from nineteenth century great power diplomacy peacemaking at the end of World War One the Munich Agreement and the Yalta Conference **History of the Office of the Secretary of Defense** Doris M. Condit, 1984 *History of the Office of the Secretary of Defense* Alfred Goldberg, 1984 Crucible of Power Howard Jones, 2009 Employing a narrative approach that uncovers the tangled and often confusing nature of foreign affairs Crucible of Power focuses on the personalities security interests and post war Cold War tendencies behind the formulation and implementation of U S foreign policy since 1945 The book includes updated coverage of the Bush administration's foreign policy with particular emphasis on the Middle East Selections from key foreign policy documents appear in each chapter Cold War in the Balkans Michael M. Boll, 2021-10-21 As World War II drew to a close the United States and the Soviet Union began to maneuver for position in postwar Europe in the first exploratory moves of what would soon become a worldwide contest for power and prestige In

Bulgaria Michael Boll finds a unique vantage point for study of the processes of international politics during these years of the emergence of the Cold War Bulgaria he writes was to assume a significance for both the United States and the Soviet Union greater than that small nation's intrinsic importance to either Great Power Bulgaria had joined the Axis under pressure during the war though it alone among the Axis satellites had refused to declare war on the Soviet Union Willing in 1943 to lend support to an American plan devised to bring about Bulgaria's surrender and its participation in the war against Germany the Soviet by the fall of 1944 was to invade Bulgaria and form an alliance with the Bulgarian Communists who offered dependable support in the Red Army's continuing war effort When military objectives were replaced by the Soviet's political drive for consolidation of its newly won empire the Bulgarian Communists remained indispensable allies and continued the determined campaign that culminated in 1947 in declaration of the People's Republic of Bulgaria Boll refutes the frequent charge of American nonpolicy toward Eastern Europe in this period concluding that the loss of Bulgaria was the result not of the lack of determined policy but of a realistic assessment of American capabilities and strategic priorities Cold War in the Balkans drawing on important new Eastern European sources and newly declassified British and American archives relates international diplomatic history to local political developments in a way that gives new depth to the study of Cold War origins

The Proud Decades John P. Diggins, 1988 What happens when public figures private selves are put forth for examination by public audiences How do the personal struggles of music artists specifically those with immigrant backgrounds compare to the private struggles of other individuals At a time when many countries in the European Union experience an increase in far right political party activities how do individuals from the margins negotiate new ways of thinking about identity offering hope for greater understanding of shared struggles across societies This book offers interpretations of identity and belonging by examining the work of two music artists Faudel Belloua from France and Adam Tensta from Sweden By analyzing texts produced by these individuals I argue that ongoing engagement with the materials produced by Belloua and Tensta a process which I refer to as living biography presents a unique window into the process of how Belloua and Tensta connect personal struggles to public issues providing a compelling departure point for further discussions on how interpretations of national identity are changing in France and Sweden and beyond

Historical Dictionary of United States-Russian/Soviet Relations Norman E. Saul, 2008-11-18 For more than 200 years the United States and Russia have shared a multi faceted relationship Because of the rise of power the two countries enjoyed in the late 19th and through the 20th century Russian American relations have dominated much of recent world history Prior to World War II the two countries had relatively friendly contacts in culture commerce and diplomacy however as they contested for supremacy during the Cold War relations turned hostile and competitive With the apparent end of the Cold War with the collapse of the Soviet Union and of communism in 1991 the relationship continues to evolve and the future looks uncertain but promising The Historical Dictionary of United States Russian Soviet Relations identifies the key issues individuals and

events in the history of U S Russian Soviet relations and places them in the context of the complex and dynamic regional strategic political and economic processes that have fashioned the American relationship with Russia This is done through a chronology a bibliography an introductory essay and several hundred cross referenced dictionary entries on key persons places events institutions and organizations

Historical Dictionary of the Cold War Joseph Smith, Simon Davis, 2000-03-29 Joseph Smith and Simon Davis have captured the essence and madness of the balance of terror of the Cold War in the Historical Dictionary of the Cold War Covering an extensive period and much of the globe this dictionary presents a year by year chronology and alphabetical entries on civilian and military leaders crucial countries and peripheral conflicts the increasingly lethal weapons systems and the various political and military strategies While both authors are specialists in American foreign policy and diplomacy Smith has a particular interest in United States relations with Latin America and Davis in Anglo American relations This broader focus is helpful since it enables the authors to have a broader view of the Cold War and having studied and lived in Great Britain they view events from a more neutral perspective This and a conscious effort to maintain a scholarly balance enhances the objectivity of this volume Smith and Davis have produced an easy to use reference tool for both the history scholar and student

What Happened to the Soviet Union? Christopher I. Xenakis, 2002-09-30 Xenakis examines the responses of Soviet experts in American academia primarily political scientists but also economists and defense scholars who specialized in the USSR to the unfolding evidence of Soviet reform during the 1970s and 1980s and to its ultimate collapse He concludes that American Sovietologists and other political scientists were more responsive to the Cold War consensus to the needs of the State Department Defense and CIA policy makers and to the official Washington line of the moment than to the changing face of the Soviet Union As Xenakis makes clear many of the Cold War ideas and attitudes shared by Sovietologists the notion that the USSR was an evil empire the idea that Soviet society was irredeemably xenophobic and indolent that the Soviet political and economic system could not be fixed or reformed and the view that the best way for Washington to deal with Moscow s influence was to contain the USSR through arms races global and proxy wars were reminiscent of the policies and arguments of the Truman and Eisenhower administrations not to the facts on the ground in the 1970s and 1980s An important work for scholars students and researchers involved with Soviet and Russian studies international political and military affairs intellectual history and the relationship between academia and the government

Vietnam Trauma in American Foreign Policy Alan R. Beals, 2019-06-18 This study of ten fateful decisions made on Indochina between 1961 75 highlights the ascent of the civilian militarists and of strategy over diplomacy in United States policymaking and reveals the inexorably interlinked and escalating character of the decisions and the central purpose of American presidents not to have to face the expected domestic political consequences of defeat in Indochina As a result we were led into a prolonged stalemate in which acting and the management of programs became a more important preoccupation than thinking about our purposes and values in which analysis become

wholly subjective and therefore defective and in which decision making occurred in a closed system which did not allow for divergent inputs

Safeguarding Democratic Capitalism Melvyn P. Leffler, 2017-08-02 Safeguarding Democratic Capitalism gathers together decades of writing by Melvyn Leffler one of the most respected historians of American foreign policy to address important questions about U S national security policy from the end of World War I to the global war on terror Why did the United States withdraw strategically from Europe after World War I and not after World War II How did World War II reshape Americans understanding of their vital interests What caused the United States to achieve victory in the long Cold War To what extent did 9 11 transform U S national security policy Is budgetary austerity a fundamental threat to U S national interests Leffler s wide ranging essays explain how foreign policy evolved into national security policy He stresses the competing priorities that forced policymakers to make agonizing trade offs and illuminates the travails of the policymaking process itself While assessing the course of U S national security policy he also interrogates the evolution of his own scholarship Over time slowly and almost unconsciously Leffler s work has married elements of revisionism with realism to form a unique synthesis that uses threat perception as a lens to understand how and why policymakers reconcile the pressures emanating from external dangers and internal priorities An account of the development of U S national security policy by one of its most influential thinkers Safeguarding Democratic Capitalism includes a substantial new introduction from the author

George F. Kennan and the Making of American Foreign Policy, 1947-1950 Wilson D. Miscamble, C.S.C., 2021-04-13 When George C Marshall became Secretary of State in January of 1947 he faced not only a staggering array of serious foreign policy questions but also a State Department rendered ineffective by neglect maladministration and low morale Soon after his arrival Marshall asked George F Kennan to head a new component in the department s structure the Policy Planning Staff Here Wilson Miscamble scrutinizes Kennan s subsequent influence over foreign policymaking during the crucial years from 1947 to 1950

The History of American Foreign Policy from 1895 Jerald A. Combs, 2015-02-12 This important text offers a clear concise and affordable narrative and analytical history of American foreign policy since the Spanish American War The book narrates events and policies but goes further to emphasize the international setting and constraints within which American policy makers had to operate the domestic pressures on those policy makers and the ideologies preferences and personal idiosyncrasies of the leaders themselves

Planning and Organizing the Postwar Air Force, 1943-1947 Herman S. Wolk, 1984

History of Strategic and Ballistic Missile Defense: Volume II Barry Leonard, 2011 This is a print on demand edition of a hard to find publication This is the second of two vol on the history of strategic air and ballistic missile defense from 1945 to 1972 It covers 1955 1972 and is organized into five interrelated chapters Chapter I provides a comparison of U S and Soviet strategies Chapters II and III deal with U S strategy and Soviet strategy while Chapters IV and V cover U S systems and Soviet systems The Executive Summary has three major groupings one to reflect the contextual setting of decision making circa 1955 the second to highlight strategic air defense

policy comparisons and contrasts 1955 1972 and a third to present judgments and conclusions about the results of the play of factors and perceptions which molded air defense decisions during these years Illustrations *History of American Foreign Policy, Volume 2* Jerald A Combs, 2017-07-28 First Published in 2017 Now thoroughly updated this respected text provides a clear concise and affordable narrative and analytical history of American foreign policy from the revolutionary period to the present This is Volume II and is from 1895 The historiographical essays at the end of each chapter have been revised to reflect the most recent scholarship The History of American Foreign Policy chronicles events and policies with emphasis on the international setting and constraints within which American policy makers had to operate the domestic pressures on those policy makers and the ideologies preferences and personal idiosyncrasies of the leaders themselves

Rivals America And Russia Since World War Ii Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rivals America And Russia Since World War Ii has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rivals America And Russia Since World War Ii has opened up a world of possibilities. Downloading Rivals America And Russia Since World War Ii provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rivals America And Russia Since World War Ii has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rivals America And Russia Since World War Ii. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rivals America And Russia Since World War Ii. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rivals America And Russia Since World War Ii, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download Rivals America And Russia Since World War Ii has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rivals America And Russia Since World War Ii Books

1. Where can I buy Rivals America And Russia Since World War Ii books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
