Long Kiss Goodnight:

The Violent Woman Hilary Neroni, 2012-02-16 In *The Violent Woman* Hilary Neroni brings psychoanalytically informed film theory to bear on issues of femininity violence and narrative in contemporary American cinema Examining such films as *Thelma and Louise* *Fargo* *Natural Born Killers* and *The Long Kiss Goodnight* Neroni explores why American audiences are so fascinated even excited by cinematic representations of violent women and what these representations reveal about violence in our society and our cinema Neroni argues that violent women characters disrupt cinematic narrative and challenge cultural ideals suggesting how difficult it is for Hollywood the greatest of ideology machines to integrate the violent woman into its typical narrative structure
