Long Road To Teatime:

I, Clodia, and Other Portraits Anna Jackson, 2015-02-01 I Clodia is the story of Clodia Metelli poet and lover and her relations with her far away paramour Catullus her husband Metellus Celer her brother Publius Clodius and her accuser Cicero By giving Clodia the Lesbia of Catullus's famous love poetry her own first person narration Anna Jackson upends and reinvigorates the beloved classical sequence with biting wit and tender attention Who was Clodia and what did she think about the affair the gossip the scandal the poems Jackson honors and subverts her source material in lines that are a marvel of ventriloquism The book's second section The Photographer's Secret furthers this superb exploration of voice and portrayal The photographer in this sequence reads writes gives presents and considers the art of portraiture But who is examining and who is being examined Above all else Anna Jackson takes us within and without a range of characters in her

characteristically witty style sometimes mock breathless sometimes dryly pointed and always clever stylish and emotionally engaging **Pasture and Flock** Anna Jackson, 2018-03-08 Uneasy nights out with dead Russian poets dalliances with German gasfitters and emotionally fraught games of badminton are brought together for the first time along with a brand new body of work in this time spanning selection of Anna Jackson's poetry Local gothic suburban pastoral and answerings back to literary icons are all enhanced by Jackson's light hand and sly humour Pastoral yet gritty intellectual and witty sweet but with stings in their tails the poems and sequences collected in Pasture and Flock are essential reading for both long term and new admirers of Jackson's slanted approach to lyric poetry **The Long Road Home** Connie Monk, 2016-01-14 Sophie and

Lydia Westlake have always been close and think of each other as sisters despite the fact that they are really cousins Sophie has always been the prettier more light hearted younger sister whilst Lydia has grown up in her shadow and is more serious and reserved But until dashing young architect Christian Mellor arrives in town on the day of the annual summer fete their differences had never mattered Both girls immediately fall for Christian's charms as he becomes a regular visitor to the family home having been commissioned to do some building work for their father Sophie marries Christian blissfully unaware of her sister's secret passion for her husband Lydia is devastated and tells no one how she really feels But cannot let go of her feelings for Christian especially when Sophie confides that she is unhappy in the marriage **The Long Dark Tea-Time of the Soul** Douglas Adams, 2014-10-07 Detective Dirk Gently investigates after a passenger at Heathrow airport erupts into a

mysterious ball of flames Mystery hilarity and the fantastical are combined in this title from the author of the Hitchhiker's Guide to the Galaxy series HPL Readers Advisor **Tea Time for the Traditionally Built** Alexander McCall Smith, 2009-04-21

Pfleuger John Fedyszyn, 2024-10-17 The Long Way Home is a book about a young London girl who in the middle of a world war fell in love and married a US serviceman who was serving in London The two can only meet while off duty and their marriage lasts a couple of hours before each has to part and report back to their duty stations Both have no idea when they will meet again The Long Way Home is a war brides story which tells the long wait this young girl had to endure and the

requirements the US had placed on these war brides before they could finally board a US converted troop ship to reunite with their loved one in the US About the Author John Fedyszyn is a US Marine Vietnam veteran who served in Vietnam as a forward observer radioman After his tour of duty he came home in 1969 and witnessed a divided country that titled them baby killers and they were spat on and had bags full of blood tossed at them while reentering their country So many military stories were left unsaid which left Fedyszyn dedicated to tell as many military stories as he could to honor our heroes While doing over 150 weekly stories honoring veterans who were printed in his local newspaper he had the honor to tell this story about a young English girl who had fallen in love with an American GI right in the middle of a world war Fedyszyn feels we all are responsible to tell that story about their veterans and people who had done their duty and served He now dedicates his time helping veterans get their records and awards they have earned **I Pronounce Them** Geoffrey Anketell Studdert Kennedy,1927 The Lemon-Squash Continental Hotel Larry Harrison,2019-12-05 Guido Roberts a young man in London in 1967 is fascinated by the libertine philosophy of Aleister Crowley the notorious Victorian practitioner of the Black Arts Crowley s use of hallucinogenic and mind altering drugs like mescaline hashish and heroin make him a prophet Guido believes for the 20th century Guido becomes entangled in a growing enthusiasm for the occult and for witchcraft as young English feminists reclaim witchcraft as a form of female spirituality Wanting to distance himself from a hostile witch coven while at the same time anxious to evade a criminal gang he persuades his father a petty criminal known as the Major to send him on a journey to the Far East He accompanies the old man s girlfriend in a group travelling to the kingdom of Afghanistan where his father claims they can buy fashionable goatskin coats and arrange to export them to the West Unfortunately he is deceived by his father and by his father s business associate the Afghan Hound Kamal Pasha who is a guard at the British Museum The Major and Kamal s real purpose is to conceal Afghan miniatures stolen from the British Museum in Guido s suitcase The historic miniatures could then be sold by Kamal in their country of origin Guido discovers the smuggled pictures in Iran in time to bribe the local police and avoid prosecution for suspected heroin possession The Iranian police deport him to Afghanistan where he survives an attempted murder by Kamal before witnessing his father s friend being shot down in the street Guido is then free to travel on to Pakistan where he manages to sell several valuable miniatures He then returns the remaining pictures to the British High Commission so they can be given back to the British Museum He is finally repatriated to London a museum benefactor he believes and a British patriot who has outsmarted his father **Emily's Christmas Wish** Pam Weaver,2015-10-28 A heart warming short story Emily s Christmas Wish is a delightful festive read exclusive to eBook from Pam Weaver author of Blue Moon Emily Farrent should be looking forward to Christmas at home with her parents in London instead she lies petrified under her bed Ushered away from a horrendous scene at her family home Emily is taken to a nearby children s home Since witnessing an attack on her mother she hasn t uttered a word and now the other children are making her life miserable With her father missing and her mother fighting for her life Emily s only hope lies in

the hands of a woman she's never met Susan Marley faces a bleak Christmas on her own in Worthing The families she usually spends the holiday with are all busy doing other things this year She can share some of the joys of the season whilst looking after their children but this only serves to exacerbate her own loneliness Will Emily ever be reunited with her family again Or is she like Susan destined to be all alone for Christmas

Amongst Monkeys Narendran, Getting into one of the country's top management schools is hard Dreams are many Expectations are high So what happens when a budding leader from one of India's famous Public sector company ends up there hoping IIM A is all about leadership And then his dreams start to crumble There's probably no one who can narrate those feelings better than Naren a simple student at IIM Ahmedabad His journey through a fiercely competitive world that is the most premier management school in India is by turn thoughtful poignant and hilarious sometimes laced with sadness And it quickly becomes apparent that it is not what he was looking for And the pressure of memories of unrequited love and the expectations of everyone around make things that much harder The course is tough The hours are long Grades are hard to come by Is all lost Or is there a treasure left for Naren to take back
