Lost Highways, Embodied Travels: The Road Movie in American Experimental Film and Video Kornelia Boczkowska,2023-02-06 Often identified as one of the most genuine and enduring American film genres the road movie has never been explored in the context of experimental filmmaking To fill this gap Lost Highways Embodied Travels provides the first book length study of over eighty unique and often obscure films and videos and situates them within the corporeal turn in American avant garde cinema so far mostly associated with body genres and sexually explicit films Drawing on unpublished archival materials the book offers a fresh take on both past and current practices of the experimental film community for scholars students makers and film buffs **Cindy and David's Excellent Travelling Adventures** David Schneider,2012-09-04 In his first book Mr Schneider combines his self effacing narrative style with insights and observations from his blog and magazine articles spanning 50 years of travel adventure and family He describes with equal verve an eclectic mix of adventures from sailboat racing surviving a SCUBA diving accident baby sitting whales hunting sunken moon rockets in the Everglades and stumbling through Europe to enjoying a high school football game and cleaning out his doo dad drawers What emerges is a deep fascination with and clear love of friends family and the world around us [The Time Travels of Annie Sesstry](#) Brenda Welburn,2018-04-23 Annie Sesstry's family roots trace back to Laverne Fox MacElmurry a man born in slavery in 1829 and freed after the Civil War Annie his twenty first descendant is a smart and sassy thirteen year

old from an upper middle class family anxious to spread her wings Annie's mother a writer and her father a history professor and curator at the Smithsonian Institution spend weekends with their children exploring historical and cultural points of interest Though Annie hates everything about bygone times her parents insist understanding history is essential to the children understanding who they are and from where they came One summer day Annie her sister Emma and her cousin Joshua slip through a portal and travel back in time to post Civil War Georgia They meet Fox and discover a secret about family time travelers through the generations learning that history isn't so dull after all Using time travel as a crafty device Brenda Welburn gifts the reader with a mélange of family history creative artistry and historical facts that educates and entertains The eventful journey from contemporary metropolitan D.C. back to post civil war Georgia where sassy teenage protagonist Annie encounters her ancestral family is riddled with intrigue While exposing with accuracy some of the terror and darkest moments of the era the poignant journey illuminates the values determination and courage of a people forging a new life of freedom The window on conditions experienced by our collective ancestors not only underscores how far we have come but reminds as well that the struggle continues
