Man Makes Sense A Reader In Modern Cultu:

Ibss: Anthropology: 1971 International Committee for Social Science Information and Documentation, 1973-08-09 First published in 1973 Routledge is an imprint of Taylor Francis an informa company *Understanding Morality* Wayne Gustave Johnson, 2022-02-04 This book explains why moral systems necessarily develop and why they take the various forms that they do Johnson argues that moral systems are best understood as attempts both to seek out ways of living a fulfilling human life and also to find ways of relating to others who also seek a fulfilling life Philosophers generally agree that the moral pathway is also the fulfilling pathway However the moral pathways advocated and the kind of fulfillments envisioned depend upon beliefs about human nature as well as beliefs about the ultimate nature of things a worldview Aristotle Epicurus Saint Augustine and Friedrich Nietzsche for instance had radically varying views about what constitutes a fulfilling life Johnson argues that the moral quest involves properly arbitrating among the often competing wants needs and desires pursued by human beings Not all such wants needs and desires can be fulfilled some must necessarily go unfulfilled This implies that a vast number of human choices are moral choices For instance who eats and who does not Johnson gives no moral advice His aim is to show the reader the nature of the moral choices they necessarily make **Dirty Work** R. Simpson, N. Slutskaia, P. Lewis, H. Höpfl, 2012-04-17 This book explores understandings and experiences of dirty work tasks or occupations that are seen as disgusting and degrading It complicates the clean dirty divide in the context of organizations and work and illustrates some of the complex ways in which dirty work identities are managed *The Parable of the Tribes* Andrew Bard Schmookler, 1995-01-01 This is a new view of the role of power in social evolution It shows how as human societies evolved intersocietal conflicts necessarily developed and how humanity can choose peace over war *Exotics at Home* Micaela di Leonardo, 2000-03-16 What is the exotic after all In this study Micaela di Leonardo reveals the face of power within the mask of cultural difference Focusing on the intimate and shifting relations between popular portrayals of exotic Others and the practice of anthropology that profession assumed to be America's Guardian of the Offbeat she casts new light on gender race and the public sphere in America's past and present Chicago's 1893 Columbian World Exposition and today's college town ethnic boutiques frame di Leonardo's century long analysis *Time and History* Jörn Rüsen, 2008-01-01 This series aims at bridging the gap between historical theory and the study of historical memory as well as western and non western concepts for which this volume offers a particularly good example It explores cultural differences in conceptualizing time and history in countries such as China Japan and India as well as pre modern societies *Reassessing Revitalization Movements* Michael Eugene Harkin, 2004-01-01 The escalating political economic and cultural colonization of indigenous peoples over the past few centuries has spawned a multitude of revitalization movements These movements promise liberation from domination by outsiders and incorporate and rework elements of traditional culture *Reassessing Revitalization Movements* is the first book to discuss and compare in detail the origins structure and development of religious and political revitalization

movements in North America and the Pacific Islands known as Oceania The essays cover the twentieth century Cargo Cults of the South Pacific the 1870 and 1890 Ghost Dance movements in western North America the Tuka Movement on Fiji in 1885 as well as the revitalistic aspects of contemporary social movements in North American and Oceania Reassessing Revitalization Movements takes Anthony F C Wallace s concept of revitalization movements and examines the applicability of the model to a variety of religious and anticolonial movements in North America and the Pacific Islands This extension of the revitalization movement model beyond its traditional territory in Native anthropology enriches our understanding of movements outside of North America and offers a holistic view of them that embraces phenomena ranging from the psychic to the ecological This cross cultural approach provides the most stimulating and broadly applicable treatment of the topic in decades

Gender at the Crossroads of Knowledge Micaela di Leonardo, 2023-09-01 Gender at the Crossroads of Knowledge brings feminist anthropology up to date highlighting the theoretical sophistication that characterizes recent research Twelve essays by outstanding scholars written with the volume s concerns specifically in mind range across the broadest anthropological terrain assessing and contributing to feminist work on biological anthropology primate studies global economy new reproductive technologies ethno linguistics race and gender and more The editor s introduction not only sets two decades of feminist anthropological work in the multiple contexts of changes in anthropological theory and practice political and economic developments and larger intellectual shifts but also lays out the central insights feminist anthropology has to offer us in the postmodern era The profound issues raised by the authors resonate with the basic interests of any discipline concerned with gender that is all of the social sciences and humanities Gender at the Crossroads of Knowledge brings feminist anthropology up to date highlighting the theoretical sophistication that characterizes recent research Twelve essays by outstanding scholars written with the volume s concerns specifically in

These Bones Shall Rise Again David N. Keightley, 2014-08-13 David N Keightley s seminal essays on the origins of Chinese society are brought together in one volume These Bones Shall Rise Again brings together in one volume many of David N Keightley s seminal essays on the origins of early Chinese civilization Written over a period of three decades and accessible to the non specialist these essays provide a wealth of information and insights on the Shang dynasty traditionally dated 1766 1122 or 1056 BCE Of all the eras of Chinese history the Shang has been a particularly elusive one long considered more myth than reality A historian with a keen appreciation for anthropology and archaeology Keightley has given us many descriptions of Shang life Best known for his analysis of oracle bones he has looked beyond the bones themselves and expanded his historical vision to ponder the lives of those who used them What did the Shang diviner think he was doing The temerity to ask such questions and the insights they have provided have been provocative and at times controversial Equally intriguing have been Keightley s assertions that many of the distinctive features of Chinese civilization were already in evidence during the Shang 3000 years ago In this collection readers will find not only an essential reference but also the best kind of thought provoking scholarship

Feminism and Pop Culture Andi Zeisler, 2008-10-14 Examines the reciprocal relationship shared between feminism and popular culture from the 1940s to the twenty first century and discusses representations of women on television and in films music advertisements and other medias

Mad Men Unzipped Karen E. Dill-Shackleford, Cynthia Vinney, Jerri Lynn Hogg, Kristin Hopper-Losenicky, 2015-12-15 This is the story of the Mad Men fan phenomenon how the show and its fans distinguished themselves in a market where it s hard to make an impression not unlike the driven ad execs at the center of the show In this book four media psychologists who also just happen to be dedicated Mad Men fans explore how the show s viewers make meaning from fictional drama The authors also interviewed several contemporary advertising industry professionals getting their inside view of the business in its modern guise and what they make of the show s vision of their past The result is cutting edge psychological research that crunches and codes online fan commentary to understand the ways that people use the show to debate complex social issues from sex and alcohol to gender roles parenting and advertising itself What do the 1960s mean to us today and how well does the twenty first century measure up against that famously turbulent decade Which characters do fans identify with and which ones do they love to hate How would fans unfurl the Mad Men storylines if they were in charge What makes a good man and has it changed over time How should husbands and wives treat each other and how should parents treat their children In answering these questions the authors explore not just the online commentary but also Mad Men fans fan fiction cosplay cocktail making and vintage furniture collecting

Whether tweeting as one of the main characters or just a lowly mail clerk setting Peggy up with the man who'll treat her right or figuring out just which Mad Man they are at heart fans integrate the show into their lives and use it to make sense of their own choices in work leisure and love Cultural Studies Goes to School David Buckingham, Julian Sefton-Green, 1994 In the context of the growing diversity of contemporary societies and the central importance of the electronic media the place of popular culture in the school curriculum has become an increasingly controversial political issue Based on in depth research in an ethnically mixed working class secondary school *Cultural Studies Goes to School* is concerned with the relationships between young people's involvement in popular culture outside school and their experiences of media education within the formal school curriculum The first part of the book provides a detailed analysis of students' readings and uses of popular media ranging from computer games and soap operas to comics and rap music It offers a further challenge to received notions of young people as passive victims of ideological manipulation by the media and develops a social theory of reading that acknowledges the complex roles of gender race and social class The second part describes a number of classroom projects involving both critical and practical aspects of media education Through analysis of students' work in a range of media including photography video and print the authors develop a challenging theory of learning about popular culture and its place in the school curriculum This book offers an exciting and accessible account of young people reading and making popular culture which challenges many of the political claims and received wisdoms of academic Cultural Studies

Mediation & Popular Culture Jennifer Schulz, 2020-03-09 This book examines mediation topics such as impartiality self determination and fair outcomes through popular culture lenses Popular television shows and award winning films are used as illustrative examples to illuminate under represented mediation topics such as feelings and expert intuition conflicts of interest and repeat business and deception and caucusing The author also employs research from Australia Belgium Canada China Denmark France Germany Greece India Israel Japan the Netherlands New Zealand Singapore South Africa Spain the United Kingdom and the United States of America to demonstrate that real and reel mediation may have more in common than we think How mediation is imagined in popular culture compared to how professors teach it and how mediators practise it provides important affective ethical legal personal and pedagogical insights relevant for mediators lawyers professors and students and may even help develop mediator identity *Pop Culture Freaks* Dustin Kidd, 2018-07-06 Utilizing each chapter to present core topical and timely examples *Pop Culture Freaks* highlights the tension between inclusion and individuality that lies beneath mass media and commercial culture using this tension as a point of entry to an otherwise expansive topic He systematically considers several dimensions of identity race class gender sexuality disability to provide a broad overview of the field that encompasses classical and contemporary theory original data topical and timely examples and a strong pedagogical focus on methods *Pop Culture Freaks* encourages students to develop further research questions and projects from the material Both quantitative and qualitative analyses are brought to bear in Kidd's examination of the labor force for

cultural production the representations of identity in cultural objects and the surprising differences in how various audiences consume and use mass culture in their everyday lives This new revised edition includes update examples and date to reflect a constantly changing pop culture landscape Border images, border narratives Johan Schimanski, Jopi Nyman, 2021-02-02

This interdisciplinary volume explores the role of images and narratives in different borderscapes Written by experienced scholars in the field Border images border narratives provides fresh insight into how borders borderscapes and migration are imagined and narrated in public and private spheres Offering new ways to approach the political aesthetics of the border and its ambiguities this volume makes a valuable contribution to the methodological renewal of border studies and presents ways of discussing cultural representations of borders and related processes Influenced by the thinking of philosopher Jacques Rancière this timely volume argues that narrated and mediated images of borders and borderscapes are central to the political process as they contribute to the public negotiation of borders and address issues such as the invisibility of migrants and the formation of alternative borderscapes The contributions analyse narratives and images in literary texts political and popular imagery surveillance data border art and documentaries as well as problems related to borderland identities migration and trauma The case studies provide a highly comparative range of geographical contexts ranging from Northern Europe and Britain via Mediterranean and Mexican USA borderlands to Chinese borderlands from the perspectives of critical theory literary studies social anthropology media studies and political geography
