Man of God Charles Stanley, 2013-06-01. What does it take to be a real man? You don't have to be perfect to be a man of God. As Dr Charles Stanley writes, a man of God is a maturing man, a striving man, a knowledgeable man. And the first step in real manhood is spiritual rebirth. In Man of God, Dr Stanley asks and answers questions such as these: What can we learn about manhood from Jesus's example? How does a true leader allow God to lead him? Why is a godly man both velvet and steel? What does it look like to be a provider? What does it mean to lead with sensitivity? Man of God will challenge and equip you to become a better leader, teacher, father, and husband. What makes a man? The answer starts here. Includes study guide for individuals or groups.

Real Men for the 21st Century Alan E. Sargent, 2012-10. Raising Real Men in today's world is a daunting task. Every force in our culture today is arrayed against this process. From the educational establishment to pop culture's music and communication arts to even the church, a boy has little chance to see the modeling he needs to become the Real Men. This generation must have to occupy the leadership roles that are so sadly vacant. Real Men for the 21st Century is one father's attempt to say to other parents: It can be done, it's not too late. What separates a man from a boy? Manhood has standards. A man constantly sets goals that are both practical and challenging. These standards and goals motivate us to rise to the challenge of leadership that lies before us. At a time when parents are overwhelmed with financial and career anxiety, Alan Sargent has used his many years of mentoring to create Real Men for the 21st Century. More than just another how-to book, Real Men for the 21st Century deals with all the sleeves rolled up, basic issues of Manhood. By dealing with all the parts of manhood including The Spiritual Man, The Social Man, The Economic Man, and The Practical Man, Sargent lays out the basics that every young man must encounter and master on his way to adulthood.
