Man On Another World:

Works John Tillotson,1717 **My Journey to Safety** Peter Abui,2015-12-29 My life was full of many unexpected experiences Some were good and some were bad During that time of war mostly bad times occurred more often than good times Those good times didnt last longer I think there is a reason why things happen to people and as always there are results afterward either good or bad My hope all these years of war in South Sudan was that someday there would be a joyful moment for me as the outcome of my horrible suffering I do not have many good times to remember in my past life since the day I left South Sudan until the day I arrived in the United States of America However even then still I always felt like I was missing something Of course indeed part of me is missing my whole family was not with me I never gave up on myself when I was in that horrible situation I resisted the pain I was facing I wish of no ravage that I should do against my foes for what they did to me I wish for the bad day to get over and hope for better tomorrow I never except the weakness to engage my mind Instead I wish to preach the word of peace to my enemies for the sake of freedom in order to save the lives of the innocent I wish to just speak out only the word of unification I want to make the world aware of the war situation that was going on in my hometown and convey peace among the people and avoid more lives to be lost War is wrong we are all human beings with only one common goal the soul However the only message you should be saying to your enemies is peace Bear in mind that when you are torturing someone you are torturing yourself as well You might not feel it physically but emotionally maybe not at the moment but afterward in the near future when peace comes and when justice prevails My parents used to tell me not to be afraid but to brave and strong The fear one is the one got kill first in battle because they panic and run randomly into ambush
