Man Understanding Bible Truth:

To Find the Path to Eternal Life Ye Must First Seek to Obtain My Word Ivan Kent Richards, 2019-10-18 It is false assumptions and misinformation that lead to false conclusions This book will point out many of the false religious assumptions people frequently make which keep them from finding the path to true eternal life with God Several mysteries of God are unfolded in this book which will bring people to a greater knowledge of God and his works among mankind **Bible Crusade** Steve Bates, 2007-08 There is nothing in the life of Steve Bates that would qualify him in the eyes of the world as an authority on the Bible To be honest there are no Bible authorities My knowledge of the Book comes from fifty years of study I was born March 3 1928 I was born again Easter Sunday morning 1951 My Bible study has been constant since The second week of my Freshman year in High School I was kicked out of school after a physical altercation with a racist gym teacher My formal education stopped Home study became my educating tack I have studied courses from Moody Bible Institute Liberty University and attended classes at Ohio State University and Columbus State Community College I have no degrees At the Columbus Bible Institute I learned to read and write the Koine Greek of the Bible The Hebrew reading and writing backwards by our standards I am working on The Crusade Bible crusade by Steve Bates aims to bring light into darkened churches and Truth to contest error Read the book with an open Bible Jesus warned of deceivers and false prophets They head up congregations Churches are filled with deceived people who have grown so accustomed to false teaching they do not recognize or accept true Bible In many churches truth is stymied and false teaching abounds Blatant unbelief is tolerated and accepted as true Bible Salvation only in Jesus Christ is put down as an arrogant claim and some teach that all religions lead to heaven and peace with God For truth open this book and your Bible Neither is there salvation in any other for there is none other name under heaven given among men whereby we must be saved Acts 4 12 **Truth Versus Man'S Religious Systems** Terry W. McHenry, 2018-01-27 The book in overview is historical and instructional in content with the focus being on the Biblical text in terms of its original form and language and in consideration of its full and proper context linguistically textually historically culturally and literarily It stresses the importance of moving from a knowledge of the Bible to an understanding of its life giving instructions being studied in its entirety as a gift to mankind from a loving creator Elohim The thrust of the book is accordingly threefold An indictment of two of mans religious systems Judaism and Christianity for syncretism corruption of Elohim's written Word of truth and abuses of religious authority plus promulgation of religious traditions not aligned with the whole truth of Elohim's Word A call to return to the one source of truth the written Word of Elohim understood in its originally written form and in its full and proper context Providing the equipping and study tools necessary to move from a mere knowledge of the Word to an understanding of its life giving instructions how to live a redeemed life as Elohim intended for all mankind **A Better Understanding (Vol. 1)** G. Ancel Killion, 2010-03-25 SUMMARY OF WRITINGS All writings herein are resulting from an extensive search of the entire bible to determine if all

things being taught about the Christian belief are factual Along with considering those things being taught I have also considered the Bible is not in good order as far as prophesies are concerned Many things God gave his writers of the scriptures were not of benefit for them at that time but were intended for those living in the end times In order to correctly determine the destination of the inhabitants of the earth as God has planned I know it to be a fact that every prophesy has a fulfillment and presented in these writings is what I have found that I believe to be those fulfillments Many things that are found in the Old Testament are written as if they had already occurred so this must be considered when reading those scriptures of prophesy This is just another reason why some prophesies may seem to be out of order In reading my findings most people of the Christian belief will come to realize they are in difference in their belief with what I have found The churches claiming to be of the Christian belief have many different ideas about this belief and by knowing about those different ideas that churches teach I was determined to prove or disprove what I believe some of which to be misguided ideas Those churches that maintain the idea that by the Bible being presented as New and Old Testament in dividing it determining the Old Testament as history only are making a grave mistake In truth much of the Old Testament portion of the Bible contains prophesy yet to come about This includes the very first prophesy of the Bible found at Genesis 3 15 which is only partially fulfilled and contains Gods promise of eventually removing Satan from power I have determined that God is allowing the earths population time to come to the realization only He can provide for what man needs to maintain a happy and enjoyable life on the earth Had He not allowed this time that has passed since the failure of our original parents those living today would not have had the potential for life He did not create man to live on this planet without needing His direction The great thing one must come to realize is the fact that God has plans for the earth to return it to what he intended from the very beginning of his putting man on it He put man in the Garden of Eden for the purpose of populating the earth with his fleshly beings in which he created in his own image He did not create the earth for it to then become non existent Of those that find things that I have put in writing that do not agree I ask that they at least study the scriptures provided to decide if what they have been taught might be in error A great amount of mans doctrines have been incorporated many years ago in their teaching that leads those astray that truly want Bible truth Those that use discernment will know those false teachings are leading them in the wrong direction There truly are many mysteries contained in the Bible that can easily be misunderstood Even those chosen by Christ that served with him while he was on the earth to help with his teaching did not totally understand the destination of the earth until they were told in private what to expect Most of the false teachings that are found in the Christian belief today were initiated in the very first century after the death of those personally taught by Jesus Christ In order to maintain those false doctrines being taught in the churches today many scriptures that prove them in error must be omitted from the Bible in order to present those false beliefs The greatest hindrance of these false teachings is to those that consider the Old Testament as history only To those that refuse to accept

the Old Testament as containing prophesy yet to be fulfilled might as well forget about reading any further These will never come to a good understanding of the B

Christine Paxson,Rose Spiller,2020-05-08 When it comes to proclaiming the Gospel message half truths vague notions and generalizations can be dangerous What are the important truths we need to know and share with others Is it enough to believe that God loves us and wants a relationship with us Is it enough to ask Jesus into our hearts Is it enough to recite the sinner s prayer or do we need to repent of our sin Is going to church and serving others enough Is what Jesus suffered more than a gruesome death on a cross If Jesus who is fully God was crucified did God die on Good Friday Is God mad at us when we sin and happy when we re behaving Can we lose our salvation If you re not sure of the answers to any of these questions you are not alone There are a lot of false ideas out there about Christianity and the Gospel Join Christine Paxson and Rose Spiller as they explore the answers to these and many other questions about the true Gospel message in No Half Truths Allowed Understanding the Complete Gospel Message Learn what Jesus did for you why He did it and how you can articulate the Gospel to others Also available is the companion No Half Truths Allowed Study Guide an interactive study guide with questions and Scriptures to help readers delve even deeper into understanding the complete Gospel message [Interior](#)

,1923 **The Meaning and Purpose for Life on Earth** Rick Schramm,2016-08-10 Imagine you are a young person seeking an education career a loving family a dream home and all the good things this world has to offer Having gone to college married your soul mate conceived a miraculous son and built your dream home you are well on your way when you are diagnosed with a brain tumor and told by a neurosurgeon that you are going to go blind and die But God saves your life in an eight hour brain surgery He gives you an incredible near death experience in a second brain surgery in which you are shown amazing knowledge that is so far above what this world knows that you are filled with the unspeakable joy of being able to understand this knowledge Then God removes all this understanding from you except for two words and calls you to recreate this knowledge from the pages of Bible and share it with others Come with me as we recreate this knowledge by piecing together amazing truths and hidden wisdom found in the Word of God and we will learn things we never knew that we never knew The word mystery is found in the Bible some twenty one times along with many parables signs metaphors and symbolic language We will piece together these truths going into the ancient Hebrew and Greek definitions when necessary to understand what the writers of the Bible understood to create a picture of reality that goes far beyond this world we know This understanding will challenge what we believe to be true in our minds and change what we desire in our hearts And that is exactly what the Bible was meant to do The goal of this book is to unite the church of Christ with an understanding of the Word of God that can replace the traditions of man that are not Biblically based *London Calling* ,1947 **Syllabus and notes** R. Absolute Truth for a Relative World Dennis Dinger, 2010-11-24 It is difficult these days to hear or read and decide what is true and what is false It seems like there are a lot of lies and deceptions floating about Some are lies Mostly rather people are telling the truth as they perceive it relative truth So as Pilate asked Jesus What is truth Where does one go in the 21st Century to discern truth from falsehood The answer is to the Bible God speaks in absolutes always has always will The answers to most of mankind s questions can be found in the Word of God This book is a study of truth as it appears in the Bible It behooves mankind especially Christians to familiarize themselves with the Word of God Otherwise they can be blown about tossed and scattered like fall s leaves dancing to every little breeze We all want to be well grounded solid individuals Knowing God and the truths of His Word can produce that result This book should provide many answers especially the one to Pilate s question

Understanding Faith Stephen R.L. Clark, 2011-12-12

Militant atheists often mirror the worst kind of ignorance and hostility that they condemn in traditional believers Writing both as a philosopher and an Anglican Christian Professor Clark explores this initial perception considering such topics as the alleged openness of scientists compared with the dogmatism of believers the difficulty of reading scripture outside the community of faith that has selected and elaborated it the problems of moral realism and the problem with abandoning it why Darwinian and neo Darwinian Theory has been unpopular with some believers and what if anything can still be affirmed from it what can be learnt from modern biology especially about our relations with other creatures the nature of God the metaphor of waking up as applied to our hopes of heaven the varieties of possible world orders founded on differing religious schemata including some atheistical ones and the place of religion in the State He concludes appropriately with some remarks about the End

Lordship Vs Discipleship Dr. James W. Huntley,2013-08-19 This book has been designed to culminate a study on our position with God as disciples We have not been chosen to assume the position as Lords We must not usurp the position as a Lord We have not been chosen to be served but to serve therefore this book will explain in detail our callings and limitations as it refers to our position and anointing This book does not indicate how anointed you are It only references that your anointing cannot be any greater than God has chosen to give unto you This book will list in detail that authority has to be given and not taken Therefore as our Master and King God alone grants us the power and authority as he chooses to disseminate amid the Body of Christ This book has been designed to explain that we are not Lords but disciples A disciple is a follower and student of a mentor teacher or other figure The higher our calling the greater our servitude should be Additionally we are considered as Servant Leaders Servant leadership is both a leadership philosophy and set of leadership practices Traditional leadership generally involves the accumulation and exercise of power by one at the top of the pyramid By comparison the servant leader shares power but most importantly puts the needs of others first and helps people develop and perform as highly as possible Therefore I have attempted to reference in detail our positions and appointments and what the scripture indicates in reference to our responsibilities with that calling and position Although we are powerful and full of an anointing by God we must understand that whatever God has given we should utilize it to complete the work of God and not our personal agendas Furthermore it is not our will that should be implemented but that of God and him alone When we understand our position with God we can perform our duties with greater convictions and at a higher level

Fivefold Reformation Doctrinal Truths John DeVries,2020-11-17 If we love Christ fellow believers and to be effective in serving our God as worship unto Him we must know the five major Christian doctrines that divide the world churches Our soul and salvation of man is too important for us to indulge in ignorance of these five doctrinal truths that destroy the one body of Christ and limits what the world sees by the church Our Lord wants all men to be saved To further this with the love of God and man all should know the truth of The fivefold church ministry government An experiential baptism of the Holy Spirit Real baptisms truth destroys infant baptism If born of the Spirit and saved can we lose our salvation The vital and essential need
