Man Who Hunted Jack The Ripper:

The Man Who Hunted Jack the Ripper Nicholas Connell, Stewart P. Evans, 2009-07-15 A fascinating insight into the detective who was responsible for hunting Jack the Ripper **Abberline** Peter Thurgood, 2013-04-01 The name Frederick George Abberline has become synonymous with that of Jack the Ripper and he has been portrayed as everything from an alcoholic a drug addict a womaniser and a bully In reality Abberline was none of these but instead was a devoted husband and a dedicated policeman in a time of rampant corruption Furthermore the Whitechapel murders were not the only notorious cases he worked on From his humble origins as a clockmaker through to his rising through the ranks of the Metropolitan Police Abberline tells the story of a man who lead some of the most infamous investigations in criminal history Long before the Ripper Abberline infiltrated an Irish terrorist group known as the Fenians before he became embroiled in the Cleveland Street Scandal an incident that almost brought the Government to its knees When he retired from the police at the age of 49 Abberline had received eighty four commendations and awards a testament to his tenacity and ability **Jack the Ripper--Case Solved, 1891** J.J. Hainsworth, 2015-10-29 Is there anything new to be read about Jack the Ripper whose identity has been sought by countless Ripperologists for more than 120 years This book answers an emphatic Yes Drawing on recently discovered sources the author argues that the Ripper s identity was no mystery to the police in 1891 Police chief Sir Melville Macnaghten claimed to know the truth from private information but his source has remained unknown for more than a century Here the identity of Sir Melville s informer is revealed explaining why the Ripper was disguised as an insane surgeon for public consumption A number of photos are included some never before seen **The Complete Jack The Ripper A-Z - The Ultimate Guide to The Ripper Mystery** Paul Begg & Martin Fido, 2015-03-05 Hugely respected extensively quoted and widely regarded as the bible of Ripper studies The Complete Jack the Ripper A to Z is the ultimate reference for anyone fascinated by the Jack the Ripper mystery This new rewritten up to date edition includes sources and well over 100 photographs The Complete jack the Ripper A Z has an entry for almost every person involved in the case from suspects and witnesses to policemen and journalists plus the ordinary people who became caught up in the unfolding drama Written by three of the world s leading authorities on the case it takes a completely objective look at theories old and new describes all the key Ripper books and gives potted biographies of many of the authors Whether you are new to the mystery of Jack the Ripper or an experienced Ripperologist The Complete Jack the Ripper A Z will keep you turning the pages Fascinating and entertaining reading in its own right it is the essential reference to have beside you when you venture into the dark alleys of Victorian Whitechapel **Elizabeth Stride and Jack the Ripper** Dave Yost, 2018-10-11 As soon as the newspapers hit the streets on October 1 1888 Elizabeth Stride became world renowned as the third victim of Jack the Ripper Reportedly Stride was killed only an hour before fellow victim Catherine Eddowes becoming a key player in the legendary double event of Jack the Ripper s brief but notorious killing career This book tells the complete life story of Elisabeth

Gustafsdotter beginning with her birth in Sweden during the winter of 1843 The author describes Stride s reported habitual drunkenness her brief career as a prostitute and the public aftermath of her untimely death Period photos and sketches are included throughout the work along with several appendices and an index [Jack the Ripper](#) Richard Whittington-Egan,2013-10-15 The definitive work on Jack the Ripper and the various theories from the time of the murders to the present day **Jack the Ripper: Case Closed** Gyles Brandreth,2017-06-15 London 1894 I am not a detective chief constable No but you are a poet a freemason and a man of the world All useful qualifications for the business in hand So says Police Chief Macnaghten to Oscar Wilde in a Chelsea drawing room in the company of Arthur Conan Doyle The business they are gathered to discuss is none other than the case of Jack the Ripper the most notorious murderer in England And thus the three men set out to solve one of the world s most famous mysteries the ultimate truth about the identity of Jack the Ripper Case Closed is Arthur Conan Doyle s account of the events of 1894 the year of the return of Jack the Ripper Based on Oscar Wilde s real life friendship with Conan Doyle and the extraordinary but little known fact that in 1894 the detective in charge of the Jack the Ripper investigations was Oscar Wilde s neighbour in Tite Street Chelsea this is a revelatory and gripping detective story combining the intrigue of a classic murder mystery with a witty and compelling portrait of one of the greatest characters of the Victorian age **The Complete History of Jack the Ripper** Philip Sugden,2012-03-01 The murders in London between 1888 91 attributed to Jack the Ripper constitute one of the most mysterious unsolved criminal cases This story is the result of many years meticulous research The author reassesses all the evidence and challenges everything we thought we knew about the Victorian serial killer and the vanished East End he terrorized **The Escape of Jack the Ripper** Jonathan Hainsworth,Christine Ward-Agius,2020-03-15 How Jack the Ripper escaped to France thanks to police errors and an Establishment cover up This is the real story of Druitt the Ripper *The Poison Murders of Jack the Ripper* R. Michael Gordon,2014-01-10 Considered a primary suspect in the unsolved Jack the Ripper murders Polish born Severin Antoniovich Klosowski also gained considerable notoriety as The Borough Poisoner of Southwark in the late 1800s Within a span of five years Klosowski took on three women as his wives and lethally poisoned each with deadly doses of antimony This study of Klosowski s murders of Mary Spink Elizabeth Bessie Taylor and Maud Marsh includes extensive accounts of the individual crimes the accompanying investigations and Klosowski s conviction and execution The final chapter examines intense police and media speculation that Klosowski may also have been the unidentified serial killer Jack the Ripper citing period news articles and more recent developments in the notorious case One appendix provides a detailed timeline of Klosowski s poison period from 1892 to 1903 **Ripper Notes** Dan Norder,Wolf Vanderlinden,Jeffrey Bloomfield,2004-04 Ripper Notes Murder by Numbers is a collection of essays about the famous unidentified serial killer Jack the Ripper and related topics Wolf Vanderlinden s questions the conventional wisdom about the time of death of Annie Chapman the second of Jack s generally accepted victims by a careful examination of the medical evidence and contradictions in witness testimony

Oscar Wilde and the Return of Jack the Ripper Gyles Brandreth, 2019-04-02 Oscar Wilde and Arthur Conan Doyle are recruited to track down Jack the Ripper in a novel that is at once a gripping detective story and a witty portrait of two of the most brilliant Victorian minds London 1894 When it appears that the notorious Jack the Ripper has returned to London Chief Constable Melville Macnaghten recruits his neighbor Oscar Wilde to help him solve the case hoping the author's unparalleled knowledge of the London underworld might be exactly what the police need to finally capture the serial killer In an account narrated by Wilde's close friend fellow author Arthur Conan Doyle Wilde gathers together suspects from the theaters brothels asylums and traveling circuses of East London in the hopes of finding the true identity of Jack the Ripper before he can strike again But even as the pair of amateur detectives venture further and further into the tangled web of criminals performers and prostitutes new killings come to light that bring the investigation right back to Wilde's own neighborhood Following Wilde and Doyle's search for the Ripper Gyles Brandreth's *Oscar Wilde and the Return of Jack the Ripper* combines a gripping detective story with a witty portrait of two of the most brilliant and charming literary minds of Victorian London

Brough, 2017-10-06 This vintage book contains a fascinating treatise on the use of Bloodhounds as tracking animals in the police force It provides a wealth of information on the breed in general as well as hints tips and instructions as to the proper use of bloodhounds in man hunting This volume will appeal to those with an interest in Bloodhounds as well as in tracking and hunting in general Contents include Origin of the Breed Count Le Couteulz de Canteleu s Appreciation of the Blood Hound Celebration of St Hubert s Day in France The Especial Characteristics of the Bloodhound A Particularly Fine Nose and Freedom from Change The Bloodhound in Border Warfare Scarcity of the Breed in the Nineteenth Century etc Many vintage books such as this are becoming increasingly scarce and expensive We are republishing this volume now in an affordable modern high quality addition complete with a specially commissioned new biography of the author *Jack the Ripper?* Philip Jones, 2023-01-06 Readers are transported to Victorian London and introduced to Inspector Doyle a modern day detective with eternal life who discovers that he has been wrongly named as Jack the Ripper the Victorian serial killer Nobody wants that label at any time in history so with the aid of time travel he returns to the year 1888 in an attempt to clear his name Another complication for Inspector Doyle is that his modern day daughter Flora who he has left behind to travel back several centuries is becoming increasingly suspicious of her father s identity This is after making her way into his Shrewsbury study that she is forbidden to enter The only good thing about returning to 1888 is that Inspector Doyle is able to rekindle his relationship with daughter Alice and wife Eleanor who he had to leave behind all those centuries ago Alice can then only but marvel at her father s abilities to answer a question that only he knows the answer to because he has travelled into the future and back The story references many Victorian objects that have been meticulously researched and then used to tell a story that is only possible through time travel and a rather clever inventor who may or may not be still alive Many elements of the original Jack the Ripper case are also detailed as are the horrors of Whitechapel Find out whether Inspector Doyle manages to clear his name by discovering who the real Jack the Ripper is and expect a twist at the end that involves both daughters and a Victorian book that unlike the rest of Inspector Doyle s objects is unable to exist in parallel between the two time zones *Jack the Ripper's Streets of Terror*
