Man Who Loved The Sun The Life Of Vincen:

Vincent's Women Donna Russo, 2024-03-26 Donna Russo's *Vincent's Women* is the untold story of Vincent's loves how they shaped his life his art and his death It writes against the myths exploring the possibility that none of them are true It is the only novel to bring into question his sexuality how he lost his ear who he lost it for and how he might have died all through the eyes of a woman We learn of Her we learn all of it through Her The story is guided by Johanna van Gogh Bonger Vincent's sister in law as she decides to reveal the truth about Vincent to her son We are then taken on a journey through Vincent's life each section bringing a pivotal moment of Vincent's life alive while showing us the part she played in bringing it about Between each woman our guide Johanna gives us the transitional periods right up to his death which is now in question Hundreds of the nearly thousand letters between Vincent van Gogh and his brother Theo now considered one of the greatest documents of the human experience were used to help construct this novel its narrative and dialogue especially the dialogue of Vincent himself Vincent van Gogh is one of the most well known artists of all time The world knows of his madness traumas and suicide But what if all that we know isn't true What if this knowledge is based on rumors and nothing more What if his true story is vastly different when based on factual material and forensic information What if the truth of Vincent's life his madness and his genius is defined by his never ending search for love

Vincent in Tucson Steven Bye, 2016-10-13 The compilation of this writing in a fictional format was my way of conveying the unquestionable appeal equally to those who are already familiar with Van Gogh as well as to those with less knowledge of art and history I was always faced with the challenge of finding new ways to inspire my students as a high school art teacher One way that seemed to work most often was adding some type of adventure to the subject at hand I invite you to explore the larger than life characters from Arizona and Europe from the late 1800s that I have woven into this fictional adventure Reviews An adventure from beginning to end Steven has captured the beauty and spirit of the Old Pueblo its surrounding areas and what makes it southwest such a treasure The characters are what make the journey so believable Well done Andy Bastine I found while reading *Vincent in Tucson* an amazing connection between the historical perspective of his work and a fictional story that connected me to a life Don Brown deputy superintendent Arizona Department of Education More than a story its a journey into two artists minds Vincent and the author It takes a what if story to a did it story You will crave to know more about Vincent's life and death Jodi Smith art aficionado Only a very talented artist and teacher could possibly create this fascinating fictional account of Vincent van Gogh's time in Tucson Arizona Gary Bruner PhD retired superintendent Bend Oregon public schools By any standard one would have to say that this time Bye has come up with a doozy J C Martin Arizona Daily Star book reviewer

[The Darkness Within](#) Ian Fortey, Scare Street, Science and the supernatural unleash a new breed of terror Struggling to piece together his fractured memories Vincent Donnelly and former Scion Dezzy Walker travel to Arizona to seek a strange group known as the Sight Unseen These mystics are connected to one of the spirits trapped

within Vincent's psyche And they may hold the key to retrieving his stolen past But instead of answers they only find more questions The Sight Unseen have disbanded and their members have scattered Following their tracks leads Vincent and Dezzy to the Abyss a hi tech facility hidden below the desert rocks and the brainchild of a scientist Vincent has already met in the past Trapped beneath the Earth Vincent must find the last surviving member of the Sight Unseen But the now abandoned lab holds secrets of its own and horrors beyond imagination A dimensional portal has unleashed a horde of ravenous creatures beings of pure evil that turn humans into monsters And unless Vincent can close the breach all of reality will come crumbling down

Vaux,2012-10-19 The Ministry of Vincent Van Gogh in Religion and Art surveys the historical venues where Van Gogh's life and work unfolded Aldersgate England Amsterdam Au Borinage Antwerp Asnières sur Seine Arles Auvers sur Oise culminating in an assessment of his legacy Arguing that he is a painter evangelist a man of authentic religious calling it demonstrates a novel thesis that theological spirituality is the genius of both his religious ministry and his art **Compassionate Eschatology** Ted Grimsrud,Michael Hardin,2011-06-01 Do eschatology and peace go together Is eschatology mostly about retribution and fear or compassion and hope Compassionate Eschatology brings together a group of international scholars representing a wide range of Christian traditions to address these questions Together they make the case that Christianity's teaching about the end times should and can center on Jesus's message of peace and reconciliation Offering a peace oriented reading of the Book of Revelation and other biblical materials relevant to Christian eschatology this book breaks new ground in its consistent message that compassion not retribution stands at the heart of the doctrine of the last things Besides its creative treatment of biblical materials Compassionate Eschatology also makes a distinctive contribution in how several essays engage the thought of Rene Girard and his mimetic theory Girard's project is shown to reinforce the biblical message of eschatological peace **Learning from Henri Nouwen and Vincent van Gogh** Carol A. Berry,2019-05-07 Including unpublished material recorded from Henri Nouwen's lectures this book comes at the request of the Henri Nouwen's literary estate from someone who knew him as a teacher and friend Carol Berry brings her own experience in both ministry and art education to bear as she unpacks the
