Man With Two Arms And Other Stories:

Keep and Other Stories Peter Biles, 2022-09-27 Emerging writer Peter Biles offers his first anthology of short stories. Composed with experimental boldness the stories extend from the hilarious to the grim from urban disillusionment to rural desperation from fantasy to gritty realism and from frustrated longing to quiet hope. With creative debts owed to the likes of Raymond Carver Flannery O'Connor and Anton Chekhov Keep and Other Stories explores human life and relations in a world where utility and power are all that matters. Keep the penultimate story about two teenage lovers in a dying Colorado lumber town seeks to unify the anthology into a thematic whole with its tender treatment of characters who are at a crossroads with each other the dispassionate way of the world and their own conflicted hearts **Paul the Minstrel and Other Stories**

Patrick O'Brian, 1995-11-17 A collection of startlingly vivid short stories from Patrick O'Brian author of the highly acclaimed Aubrey Maturin series. Patrick O'Brian has emerged in the opinion of many as one of the greatest novelists in English. His fame rests mainly on the achievement of the epic Aubrey Maturin novels but few readers know that O'Brian first made his reputation as a writer of short fiction. Collected here are twenty-seven stories that O'Brian wished to preserve stories of uncommon lyricism and beauty that will confirm his rightful place in the front rank of short story writers as well as of novelists. Although the tone of this collection ranges effortlessly from the humorous to the dramatic the most characteristic and memorable stories often have to do with a glimpse of savage destructive forces through the fragile shell of human civilization. The threatened chaos may be psychological as in On the Wolfsberg or it may be lurking in the natural world as in A Passage of the Frontier or as in the dark masterpiece The Chian Wine it is suddenly discovered in the ancient irrational impulses of human nature. The setting may be the marshes of western Ireland the Pyrenees or the claustrophobic confines of a clockmaker's house but each story is a showcase for Patrick O'Brian's fresh and meticulous prose. Each story reaffirms his sympathetic understanding of human passion and suffering. This collection proves that O'Brian is not simply the master of a genre but an author who will long be honored as one of our most eminent literary figures Brother Rabbit and Other
