## **Man Of Sentiment The Memoirs Of Philippe Joseph Aubert De Gaspé 1786-1871:**

**A Man of Sentiment** Philippe Aubert de Gaspé, 1988 Described by poet James Reaney as a folkloric father figure of Canadian literature de Gaspé became well known to his contemporaries only at the end of his life after the publication of his historical novel *Les Anciens Canadiens* 1863 Delighted readers pressed him for more and his memoirs appeared in 1866 In his work de Gaspé has preserved the essence of the eighteenth century man Wit and wisdom combine with sentiment to give the reader a glimpse of the Quebec of his youth as well as the foibles of family friends and historical figures **The Legacies of Fear** Frank M. Greenwood, 1993-12-15 Many people assume that a French English cleavage has always existed and historians have been uncertain as to just how it unfolded This book provides the answer Greenwood re creates a Quebec in which trust between French and English Canadians was an early casualty of the execution of Louis XVI and the descent of the French Revolution through terror into war Fearing invasion the English community through the law officers of the crown drafted draconian legislation and established an efficient counter intelligence service Lower Canada in these years was a hotbed of spies and counter intelligence highlighted by the trial for high treason of an American undercover agent for revolutionary France Placing the legal history of Quebec in the foreground of these dangerous and dramatic events Greenwood reveals this period as a turning point that altered not only French English relations but Canada's legal and constitutional inheritance While the focus is on legal and political history the narrative also details intellectual military social and economic developments The author pursues many dynamic themes of the period including the riots among working people in the 1790s the differences in judicial behaviour when security matters were at stake the setting up of the first formal counter intelligence service and issues related to the suspension of habeas corpus Murray Greenwood is one of Canada's finest legal historians In this work his wide perspective supported by extensive documentation brings new evidence and insight to a formative and somewhat neglected period in Canada's history [Royals in Canada 5-Book Bundle](#) Arthur Bousfield, Garry Toffoli, 2016-03-21 Discover the Royal Family as they go home to Canada Collected together are five must have books on the Royal Family's relationship with Canada their tours and a Canadian perspective on their biographies Includes *Royal Tours 1786-2010 Fifty Years the Queen* *Queen Elizabeth The Queen Mother 1900-2002* *Royal Observations* *Royal Spring* [Canadian State Trials, Volume I](#) Frank Murray Greenwood, Barry Wright, 1996-12-15 State trials reveal much about a nation's insecurities and shed light on important themes in political constitutional and legal history In Canada perceived and real threats to the state have ranged from dissent disaffection and the emergence of threatening ideologies to insurrection riot violent protest and military invasion The Canadian State Trials series will explore the role of the law in regulating such threats from the period of early European settlement to 1971 The first volume and the planned series as a whole present a great deal of new material by prominent Canadian historians and legal scholars Although certain Canadian political trials and security crises have received scholarly attention in the past there has never been a comprehensive and

systematic examination of the country's surprisingly rich record in this area. The eighteen essays in Volume I examine this record for the period 1608-1837 covering proceedings in New France, the four Atlantic colonies, the Old Province of Quebec and the two Canadas. They highlight security law during the American revolution, the wars against revolutionary Napoleonic France and the War of 1812, comparative treason law and the trials of David McLane, Robert Gourlay, Francis Collins and Joseph Howe among others. The essays, which use extensive primary sources, the most illuminating of which appear in a documentary appendix, place the examination of the law and its administration during these events in socio-political and comparative context.

**Canadian History: Beginnings to Confederation** Martin Brook Taylor, Doug Owram, 1994-01-01. In these two volumes which replace the Reader's Guide to Canadian History, experts provide a select and critical guide to historical writing about pre and post Confederation Canada, with an emphasis on the most recent scholarship. Chien d'or/The Golden Dog William Kirby, Mary Jane Edwards, 2012-03-23. William Kirby's *Le Chien d'or/The Golden Dog* is a dramatic historical romance that vividly details the intertwined French and English foundations of Canada; it is one of the nation's best-known pieces of nineteenth-century literature. A complicated publishing history, however, resulted in severe distortions of the text so that each edition of the novel moved further from the author's original vision. Now, in the final work produced by the Centre for Editing Early Canadian Texts at Carleton University, editor Mary Jane Edwards returns this beloved piece of literary history to its intended form. First published in 1877, *Le Chien d'or* draws upon the threads of legend spun around the real-life tablet of the Golden Dog, which can still be seen in Quebec City. The novel's author, William Kirby, begins his tale in the 1740s with the murder of the prosperous merchant who lived in the house that bore the tablet and brings his work to a tragic end that coincides with the destruction of France's North American empire. Weaving historical, literary and religious allusions together with a powerful lyricism, *Le Chien d'or* develops an epic narrative of the heroic past and promising future of the Dominion of Canada. Though many versions of *Le Chien d'or* have been published in both French and English, very few people have read what the author intended to see in print. This edition brings Kirby's unfulfilled legacy full circle by presenting a critically reliable version of his iconic Canadian novel.

Royal Observations Arthur Bousfield, Garry Toffoli, 1991-01-12. These observations and quotations comprise a witty anthology of anecdotes by and about the royal family in Canada over the last 400 years. Enhanced by drawings from the well-known cartoonist Vince Wicks, this book looks at the memorable encounters, sometimes touching, sometimes disconcerting, sometimes hilarious, that Canadians have had with their own and other royal families. Arranged thematically, *Royal Observations* covers such topics as Queen Victoria, English-French relations, World War Two, native peoples and royal tours.

*Who's Who of Canadian Women, 1999-2000* Gillian Holmes, 1999-06-01. *Who's Who of Canadian Women* is a guide to the most powerful and innovative women in Canada, celebrating the talents and achievement of over 3,700 women. *Who's Who of Canadian Women* includes women from all over Canada in all fields, including agriculture, academia, law, business, politics, journalism, religion, sports, and

entertainment Each biography includes such information as personal data education career history current employment affiliations interests and honours A special comment section reveals personal thoughts goals and achievements of the profiled individual Entries are indexed by employment of affiliation for easy reference Published every two years Who's Who of Canadian Women selects its biographees on merit alone This collection is an essential resource for all those interested in the achievements of Canadian women *Philippe Aubert de Gaspé* Jacques Castonguay, Philippe Aubert de Gaspé, 1991
