The Man of the Cloth Ruth Ann Lambe, 2015-08-31 First of all I am highly honored to pen this biographical sketch of my favorite preacher visionary businessman mentor and leader a genuine man of the cloth my husband We are often told that we are in control of our own destiny for our lives and this often helps to empower us to make key decisions in the

situations that we face on our journey throughout life It may seem at times that we are constantly faced with oppositions which challenge us to either make us or break us Yet at some point it seems that doors miraculously open and we are faced with a once in a lifetime opportunity At that point we begin to realize that there is a whole lot more to life than we may have previously considered and we reflect on the providence of God to direct us to His ultimate destiny through His divine plan for our lives The development of a leader by God is a progressive unique refining process that can at times leave you feeling as if you are all alone However you continue to develop a relationship with God and sense His divine intervention gently shifting circumstances and honing into your development of gifts talents and abilities Remarkably your life is transformed and you realize that you are no longer alone This is a journey of a son of the soil He was born in poverty raised through hardship and rejection and yet was groomed for a divine destiny as a man of the cloth Who would have guessed all that God had in store This biography will provide for you a few details of the journey the process and spiritual enrichment of Gods anointed mouthpiece and the significant impact of his days on this terrestrial globe

Life in Iran as an artist under the Shah and during the Iranian Revolution A Man of the Theater tells the personal story of a theater artist caught between the two great upheavals of Iranian history in the 20th century One is the White Revolution of the 1960s the incomplete and uneven modernization imposed from the top by the dictatorial regime of the Shah coming in the wake of the overthrow of the popular Mosaddegh government with the help of the CIA The other one is the Iranian Revolution of 1979 a great rising of Iranian society against the rule of the Shah in which Khomeini s Islamist faction ends up taking power Written in a simple direct style Rahmaninejad s memoir describes his fraught creative life in Tehran during these decades founding a theater company and directing plays under the increasing pressure of the censorship authorities and the Shah s secret police After being arrested and tortured by the SAVAK and after spending years in Tehran s infamous Evin prison and being a cause c l bre of Amnesty International Rahmaninejad is freed by the Revolution of 1979 But his new found freedom is short lived the progressive intellectuals and artists find themselves overpowered and outmaneuvered by the better organized Islamists leading to renewed terror and to exile In Western perception the Iranian Revolution which this year has its 40th anniversary often overshadows the decades of Iran s modern history that preceded it A Man of the Theater fills this gap The title derives from a time of torture in prison when interrogators ordered him to write everything about his activities To avoid revealing anything incriminating he took pen in hand and wrote and wrote about all his artistic passions beginning Here it is this is my life I am an artist A man of the theater

The man of fortitude; or, Schedoni in England Benjamin Frere, 1801

The Man of Iron

Richard Dehan, When Patrick Carolan Breagh attained the age of six years the boy being tall enough to view his own topknot of scarlet curls and freckled snub nose in the big shining mirror of his stepmother's toilet table without standing on the tin bonnet box that was kept under the chintz cover or climbing on a chair he was fated to acquire during one brief half hour's concealment under a Pembroke table more knowledge of Life Death and the value of Money than would otherwise have come to him in the course of half a dozen more years Upon this unforgettable third of January his plaid frock had been taken off and to his infinite delight replaced by a little pair of blue cloth breeches and a roundabout jacket Amateurish as to cut the nether garments displaying so little difference fore and aft that it did not matter in the least which way you faced when you stepped into them they were yet splendid not only in Carolan's eyes Alan his junior by three years bellowed with envy on beholding them and four year old Monica sucked her finger and stared with all her might It was plain to Carolan that having once assumed the manly garments no boy could be expected to put on those hateful petticoats again In vain Nurse Povah who had been Carolan's foster mother and Miss Josey the governess explained to him that the breeches were not completed and directed his eyes to the mute evidence of pins chalk marks and yellow basting threads Their arguments were vain their entreaties addressed to deaf ears An attempt to remove the cause of contention by force resulted in Nurse's being butted though not hard and Miss Josey kicked with viciousness In the confusion that ensued the rebel effected an escape from the scene of combat And the door of the sitting room being open Carolan trotted across the Government cocoanut matting of the landing with the intention of confessing his own misdeeds since Miss Josey was quite certain to report him at headquarters had not this often tested method of blunting the edge of retributory justice failed through his own fault For upon entering the large shabbily furnished room situated on the second floor of a gaunt gray stone building known as Block D Married Officers Quarters the room that served Captain Breagh and his second wife as sitting room dining room smoking room and boudoir Carolan became aware that his stepmother quite unconscious of his intrusion was dusting the china vases on the mantel shelf and was instantly possessed by the conviction that it would be huge fun to hide under the large round table that occupied the middle of the worn Brussels carpet and bounce out upon the poor lady when she turned making her say Ow So the boy noiselessly dived under the deep hanging silk fringed border of the Indian shawl that covered the circular Pembroke table upon which were ranged about a central basket of wax fruit and flowers gilt frames with spotty daguerrotypes albums of scraps Books of Beauty containing the loveliest specimens of Early Victorian female aristocracy and Garlands of Poetry reeking with the sentimental effusions of Eliza Cook and L E L interspersed with certain card cases and paper knives of Indian carved ivory and sandal wood and other trifles of brass and filigree ware The big shabbily furnished second floor room had three windows looking out upon the graveled expanse of the Parade ground and commanding a view of the flower bedded patch of sacred green turf inclosed by posts and chains that graced the front of the pillared pedimented and

porticoed building that housed the Officers Mess And when the regiment got the route for another garrison town nearly everything the room contained from the Pembroke center table and chintz covered sofa to the secretaire at which Captain Breagh penned his letters the big leather covered arm chair in which he sat and the Bengal tiger skin hearthrug would be packed with the picture of the Duke of Wellington at the Battle of Vimiera and the chimney glass over which it always hung into wooden cases with the before mentioned chimney glass curtains and carpets beds baths uniform cases and a great number of other things and then after a period of rumbling confusion there would be a new sitting room looking on another barrack square other bedrooms and a fresh nursery and Carolan would forget the old ones in something under a week As a matter of fact the regiment had been shifted four times since its return from India when Carolan was little more than a baby and Monica and Alan and Baba were nowhere at all Now either Mrs Breagh occupied an unconscionable time in dusting the vases and making up the fire for her Captain who by reason of long service with the regiment in the East was susceptible to chill or Carolan with the mental instability shared by the child and the savage lost interest in his new project and abandoned it He was squatting silently in his hiding place when Miss Josey entered he heard her complaint noted down two spiteful exaggerations and one malicious falsehood and witnessed the exhibition of a bulgy ankle in a badly gartered white cotton stocking surmounting an elastic sided cloth boot When the governess withdrew consoled by Mrs Breagh's sympathy Nurse Povah was summoned from the other side of the landing by a tinkle of the hand bell and bore stout witness on the culprit's side
