Gramercy Park I have had it intimated to me by many of my friends and by some who were not my friends that no woman who had met with such success as myself in detective work would ever be satisfied with a single display of her powers and that sooner or later I would find myself again at work upon some other case of striking peculiarities As vanity has never been my foible and as moreover I never have forsaken and never am likely to forsake the plain path marked out for my sex at any other call than that of duty I invariably responded to these insinuations by an affable but incredulous smile striving to excuse the presumption of my friends by remembering their ignorance of my nature and the very excellent reasons I had for my one notable interference in the police affairs of New York City Besides though I appeared to be resting quietly if not in entire contentment on my laurels I was not so utterly removed from the old atmosphere of crime and its detection as the world in general considered me to be Mr Gryce still visited me not on business of course but as a friend for whom I had some regard and naturally our conversation was not always confined to the weather or even to city politics provocative as the latter subject is of wholesome controversy Minutes of the Evidence Taken Before the Select Committee of the House of Commons on Petitions Relating to East-India-built Shipping Great Britain. and remarrying for almost any reason The Lord Jesus Christ taught God s original intentions regarding forgiveness and divorce The Word of God has not changed What God has joined together let no man separate Mark 10 9
