Management Problems in Serials Work Conference on Management Problems in Serials Work (1973 : Florida Atlantic University), 1974

Introduction to Serials Work for Library Technicians Jim Cole, Wayne Jones, Scott Millard, 2013-04-15 Everything you need to know about serials librarianship in one handy volume For library science students and library professionals Introduction to Serials Work for Library Technicians is a practical how to do it text that shows you how to perform the behind the scenes tasks your job requires This primer walks you through the entire process of serials management for both larger libraries with automated serials management systems as well as small school and public libraries that must handle their serials manually From an introduction to serials work to the latest in technology for archiving this book will ensure that your library customers are not inconvenienced by inaccuracies or inefficient organization Introduction to Serials Work for Library Technicians will benefit anyone who handles serials in a library since it covers all aspects of serials acquisitions organization check ins and cataloging This book addresses the complications that occur working with a form of publication that can include any medium from newspapers to CD Rom and can be published as often as every day or as infrequently as once a year Difficulties include title changes serial merges and splits suspensions and cessations of publication and changes in format and this volume will show you how to find the solutions to these situations Here is a sample of what is explored in this book acquisitions how to locate find bibliographic information on and verify the title of a desired serial ordering types of orders new subscription orders and back ordering receiving checking in serials recording holdings information using Kardex cards and using an automated check in system cataloging using holding and union lists creating and using online catalogues and cataloguing standards and internet serials processing shelving policies types of shelving and how to shelve claims binding and renewals Intended primarily as a textbook for students in library sciences programs this book will also serve very well as a general reference for experienced or novice library technicians or other staff members who find themselves managing serials or automating their system The book's complete glossary bibliography numerous definitions and tables as well as the real life examples throughout this manual will

help you navigate the challenges of record keeping claiming and cataloguing serials in any library Building Library Collections Arthur Curley, Dorothy M. Broderick, 1985 A classic Topics include resource sharing networks the importance of nonbook formats the greater complexity of censorship challenges and the expansion of the library's informational role

Serial Innovators Abbie Griffin, Raymond L. Price, Bruce Vojak, 2012-05-30 Serial Innovators How Individuals Create and Deliver Breakthrough Innovations in Mature Firms zeros in on the cutting edge thinkers who repeatedly create and deliver breakthrough innovations and new products in large mature organizations These employees are organizational powerhouses who solve consumer problems and substantially contribute to the financial value to their firms In this pioneering study authors Abbie Griffin Raymond L Price and Bruce A Vojak detail who these serial innovators are and how they develop novel products ranging from salt free seasonings to improved electronics in companies such as Alberto Culver Hewlett Packard and Procter in fact so far as to limit many mature firms ability to create breakthrough innovations In today's economy with the future of so many large firms on the line this book is a clarion call to businesses to rethink how to nurture and thrive on their innovative workforce *The Future of Resource Sharing* Shirley K. Baker, Mary E. Jackson, 2019-12-06 This book first published in 1995 addresses the key issue facing libraries on how to survive in an age of interdependence Increasingly individual libraries must act as if each is part of a world library Instead of being self sufficient each library from the small public library to the large research library must find ways to put materials from this world library into the hands of its patrons and must stand ready to supply materials from its own collection to others both quickly and cost effectively through interlibrary loan It explores the critical questions for making resource sharing work with particular emphasis on interlibrary loan Cooperative collection development economic decision models consortial arrangements copyright dilemmas and the possibilities of technology are explored and a national project to revamp interlibrary loan and document delivery is described and future directions posited Authors present historical perspective explore the future and report from multiple perspectives
