Sustainability Integration for Effective Project Management Silvius, Gilbert, Tharp, Jennifer, 2013-06-30 Although it remains one of the most significant challenges in recent years companies are beginning to integrate the ideas of sustainability into organized projects such as marketing corporate communications and annual reports In this case

sustainability remains an important influence on the initiation of project management Sustainability Integration for Effective Project Management provides a comprehensive understanding of the most important issues concepts trends methodologies and good practices in sustainability to project management The research and concepts discussed in this publication are developed by professionals and academics aiming to provide the latest knowledge related to sustainability principles for prospective professionals academics and researchers in this area of expertise Management of Irrigation and Drainage Systems Hector M. Malano,Paul van Hofwegen,2018-05-02 This monograph provides an overview of the principles required for a service orientation in the management of irrigation and drainage systems The material covered is designed to emphasize an area largely neglected in the irrigation and drainage management literature The dominating philosophy underlying this book is that irrigation and drainage systems must be managed as a service business responsive to the needs and changing requirements of its customers It is postulated that this service approach to the management of irrigation and drainage systems constitutes a key element of the strategy that is needed to improve the current level of performance of many irrigation and drainage systems worldwide Enhanced performance of irrigation is a prerequisite if we are to face the enormous challenge of producing greater quantities of food to meet the demand of a growing population This is particularly the case in an environment with increasing competition for water from industry and urban water users set against mounting concerns about environmental sustainability *How to Apply HR Financial Strategies (Collection)* Bashker D. Biswas,Wayne Cascio,John Boudreau,2013-08-08 In Compensation and Benefit Design Bashker D Biswas shows exactly how to bring financial rigor to the crucial people decisions associated with compensation and benefit program development This comprehensive book begins by introducing a valuable Human Resource Life Cycle Model for considering compensation and benefit programs Next Biswas thoroughly addresses the acquisition component of compensation as well as issues related to general compensation equity compensation and pension accounting He assesses the full financial impact of executive compensation programs and employee benefit plans and discusses the unique issues associated with international HR systems and programs This book contains a full chapter on HR key indicator reporting and concludes with detailed coverage of trends in human resource accounting and the deepening linkages between financial and HR planning Replete with both full and mini case examples throughout the book also contains chapter ending exercises and problems for use by students in HR and finance programs More than ever before HR practitioners must empirically demonstrate a clear link between their practices and firm performance In Investing in People Wayne F Cascio and John W Boudreau show exactly how to choose implement and use metrics to improve decision making optimize organizational effectiveness and maximize the value of HR investments They provide powerful techniques for looking inside the HR black box implementing human capital metrics that track the effectiveness of talent policies and practices demonstrating the logical connections to financial and line of business and using HR metrics to drive more effective decision making Using their powerful LAMP methodology Logic Analytics

Measures and Process the authors demonstrate how to measure and analyze the value of every area of HR that impacts strategic value **How to Use Finance and Accounting in HR (Collection)** Bashker D. Biswas, Steven
