Zeigler Earle F. Zeigler,Earle F. Zeigler,2010 The American Crisis in Physical Activity Education was written because the author is terribly upset about what is happening to physical activity education and so called educational sport within the education system He lives in North America as a dual citizen and he feels sad that we appear to be a large part of the world s problem He thought that the world would be a better place for all people by the year 2000 Because now it definitely doesn t seem to be heading in that direction he is forced to conclude 1 that in many ways we are confused about what our values are at the present 2 that we need to reconsider them and then re state exactly what we believe they are in light of the changing times and 3 finally that we will then need to assess

more carefully on a regular basis whether we are living up to those values we have chosen and so often glibly espouse Physical activity education including what is called educational sport is a field that in the 21st century is facing one more crossroad in its torturous historical development
