Management Information Systems James A. O'Brien,2004   **Journal of Management Information Systems** ,1995

MIS Cases M. Lisa Miller,2009 MIS Cases gives students practice solving business problems using application software Offers case studies to develop database skills spreadsheet skills and web development skills For business professionals who would like to refine skills needed to solve managerial problems   **The History and Function of the Target Cities Management Information Systems** Matthew G Hile,1998-05-04 In The History and Function of the Target Cities Management Information Systems you ll travel to six major cities in the Target Cities demonstration project sponsored by the Substance Abuse and Mental Health Services Administration s Center for Substance Abuse Treatment CSAT You ll see how treatment centers are developing automated management information systems that have been proven to more effectively and efficiently meet the needs of patients requiring addiction recovery and treatment in large metropolitan areas Your understanding of what it takes to develop run and maintain automated management information systems will increase as you read these firsthand accounts of specialists who have taken their own systems through the stages of initial development to ongoing maintenance and to eventual evolution The History and Function of the Target Cities Management Information Systems provides an excellent forum of discovery in which you have everything you need to fully compare and contrast how various local conditions have impacted the growth of these cities information systems and how individual problems can be solved Several real world views of these and many other specific topics in these metropolitan areas of the country are at your fingertips how central intake sites provide rapid assessment referral and care management in Cleveland Ohio facilitating automated client assessment referral and service tracking in Portland Oregon how central intake units CIUs and a

computerized management information system MIS reduce barriers to treatment entry increase treatment retention and support continued posttreatment recovery in Dallas Texas the St Louis Missouri information system that was conceptualized and implemented statewide the patient tracking system PTS in New Orleans Louisiana lessons learned in Detroit Michigan by staff using a management information system with a terminal host model and character based user interface This is the only known published description of automated systems being developed for the same purpose by different teams Everyone especially hospital administrators educators and behavioral health and computer professionals interested in the development of automated medical records systems will definitely want to access the valuable information garnered from six important cities in The History and Function of the Target Cities Management Information Systems By comparing and contrasting the true to life accounts of these different cases you ll gain a richer deeper understanding of this type of software and system development process You ll also acquire the insight necessary to spearhead the construction and modification of an effective efficient assessment and case management system in your own city   ICT Management in Non-Profit Organizations Ariza-Montes, José Antonio,2014-04-30 The instability of today s economic climate calls for non profit organizations to approach social problems in new and interesting ways and Information and Communication Technologies may serve as an answer to this call ICT Management in Non Profit Organizations aims to explore the effective and comprehensive deployment of appropriate ICT strategies within the nonprofit sector This innovative reference work will discuss how ICT enables the non profit sector to achieve organizational efficiency effectiveness and ultimately self sufficiency and will provide elected and appointed policymakers managers and planners in governments public agencies and nonprofit organizations with a comprehensive strategy for creating an ICT management agenda in the non profit sector   **Management Information Systems** David Kroenke,1989   **Management Information Systems** Raymond McLeod,1983   **Management Information Systems** David M. Kroenke,1992 This text aims to build on students experience knowledge base of Management Information Systems MIS and considers personal MIS workgroup MIS and enterprise MIS It also reflects trends in distributed systems LAN end user computing databases DSS Decision Support Systems and expert systems   End-User Computing: Concepts, Methodologies, Tools, and Applications Clarke, Steve,2008-02-28 Covers the important concepts methodologies technologies applications social issues and emerging trends in this field Provides researchers managers and other professionals with the knowledge and tools they need to properly understand the role of end user computing in the modern organization   *Enterprise Information Systems: Concepts, Methodologies, Tools and Applications* Management Association, Information Resources,2010-09-30 This three volume collection titled Enterprise Information Systems Concepts Methodologies Tools and Applications provides a complete assessment of the latest developments in enterprise information systems research including development design and emerging methodologies Experts in the field cover all aspects of enterprise resource planning ERP e commerce and organizational social and technological implications of enterprise

information systems *Encyclopedia of Public Administration and Public Policy* David Andrew Schultz,James A Beverly,Professor and Senior Fellow David Schultz,2014-05-14 An alphabetical listing of administrative agencies and departments with details about the office and its role in government as well as terms and definitions **The Application of the Controllability Principle and Managers' Responses** Franz Michael Fischer,2010-07-24 Franz Michael Fischer investigates the relationships between the application of the controllability principle and managers cognitive affective and behavioral responses The author further explores the impact of several important contextual factors on the basic relationships and thus develops moderated mediation models He reveals that the application of the controllability principle has a significant effect on role stress and role orientation which in turn are related to managerial performance and affective constructs *Web-Based Education in the Human Services* Richard Schoech,Brenda Moore,Robert James Macfadden,Marilyn Herie,2014-02-25 Web Based Education in the Human Services reflects the vitality and diversity of Web based courses currently delivered within human services Unlike previous texts that have combined technologies such as Interactive Television ITV and two way audio where Web involvement was minimal this unique book focuses on Web based models tools and techniques used in courses where the majority of the content is delivered online The book s contributors emphasize the social aspects of learning examining topical areas not usually associated with Web based education as they remind us of the need to move beyond the similarities between WBE and face to face FTF approaches *The Public Manager Case Book* Terrel R Rhodes,Patricia M Alt,Cheryl L Brown,Marueen Brown,Robert Gassner,Sherril Gelmon,Gary R Rassel,Carole L Jurkiewicz,Linda E Swayne,David F Thompson,2002-07-19 As academic disciplines public administration and public policy programs have struggled to link theoretical and conceptual grounding with practical application Students often have discrete courses in human resources finance organizational behavior policy analysis and planning but rarely are they offered an opportunity to pursue these through actual cases and problems facing public managers The Public Manager Case Book is a collection of eight public administration cases that allows students to practice the decision making skills they will need in their jobs as public managers Each case focuses on the local administrative issues managers most often face in their day to day responsibilities and each encourages students to collaborate with others in order to gain the necessary cooperation and information The cases are multi dimensional and challenge students and professors to draw from a variety of knowledge areas to develop alternative recommendations decisions or actions An instructor s manual is available for useful background material references theoretical and conceptual framework and teaching tips About the Editor Terrel L Rhodes is Professor of Public Administration and Vice Provost for Curriculum and Undergraduate Studies at Portland State University **Resources in Education** ,1994 **E-Government Services Design, Adoption, and Evaluation** Weerakkody, Vishanth,2012-11-30 With the widespread knowledge and use of e government the intent and evaluation of e government services continues to focus on meeting the needs and satisfaction of its citizens E Government Services Design Adoption and

Evaluation is a comprehensive collection of research on assessment and implementation of electronic digital government technologies in organizations This book aims to supply academics practitioners and professionals with the understanding of e government and its applications and impact on organizations around the world <u>National Library of Medicine Current Catalog</u> National Library of Medicine (U.S.),
