Managers Talk Ethics Making Tough Choices In A Competitive Business World:

Managers Talk Ethics Barbara Ley Toffler, 1991-05-02 Presents the thoughts and hard won experiences of men and women who have had to face thorny ethical issues in their roles as managers Shows how to be ethical and still be a success how managers can recognize ethical situations and how to resolve problems that involve ethical considerations Toffler s book is not what others think ethics ought to be for managers It is what practicing managers say it is Its unique format let s the managers talk about the actual situations in which they were responsible for decisions which had ethical consequences All managers will be able to identify with the situations The author has added her own introductory and concluding commentary to the interviews to help readers get the most out of it Applied Ethics in a Troubled World Edgar Morscher, Otto Neumaier, Peter M. Simons, Peter Simons, 1998-03-31 The 23 papers that were prepared for a 1991 symposium that was cancelled beneath the weight of public and professional protests at some of the speakers invited particularly Peter Singer They analyze the application of theoretical considerations arising from philosophical reflection to particular concrete cases and situations of moral conflict in such fields as the environment biology and medicine business and professions politics law and society Among the topics are a philosophical critique of legal rights for natural objects comparing the value of human and nonhuman life business ethics as a goal rights system liberal society and planned morality and moral philosophy and its function No subject index Annotation copyrighted by Book News Inc Portland OR A Companion to Business Ethics Robert E. Frederick, 2008-04-15 In a series of articles specifically commissioned for this volume some of today s most distinguished business ethicists survey the main areas of interest and concern in the field of business ethics Sections of the book cover topics such as the often easy relation between business ethics and capitalism the link between business ethics and ethical theory how ethics applies to specific problems in the business world the connection between business ethics and related academic disciplines and the practice of business ethics in modern corporations Includes extensive accessible discussion of all of the main areas of interest and debate in business ethics Features all original contributions by distinguished authors in business ethics Includes an annotated table of contents bibliographies of the relevant literature and a list of internet sources of material on business ethics Perfect comprehensive book for use in business ethics courses *Managing Ethics in Business Organizations* Linda Klebe Treviño, Gary Richard Weaver, 2003 Aimed both at broadening the range of theoretically informed empirical research on business ethics and at addressing the underlying questions regarding the nature of business ethics research this is a comprehensive state of the art portrait of the role of ethics in organizations **Strategic Action Planning Now Setting and Meeting Your Goals** Cate Gable, 2020-10-07 Filling the need for a how to step by step guide to strategic planning Strategic Action Planning NOW outlines team based planning in four steps Gate Gable s techniques provide detailed guidance into planning processes strategic skills recognition of challenges consideration of goals monitoring and measurement and implementation tips to help the reader begin the planning process almost immediately Written in three

parts the author provides exercises with each chapter Part one covers the pre planning stages defining who and what your team is and what your teams goals are The second part goes over the actual planning identifying the challenges and setting the goals for your team The third and final part deals with post planning implementation and evaluating your team s progress

BUSINESS ETHICS AND VALUE SYSTEMS H. C. MRUTHYUNJAYA,2013-01-10 This comprehensive and well organised book deals with some of the basic issues associated with business ethics and value systems It presents the views of different schools of thought on this subject and dissects the phenomenon of corruption to expose its root causes The book provides a critical analysis of this social epidemic that forces corporates to become corrupt and remain unethical Besides it describes a few popular ethical theories some of the key issues that affect ethical decision process and the role of total quality management in ensuring practice of good workplace ethics Primarily intended for the postgraduate students of management and commerce the book can also be used beneficially by practicing professionals Key Features Presents more than forty live cases that show a cross section view of different types of unethical practices Gives model ethical codes for a few professions Provides spreadsheets to enable satisfactory compliance with legal and statutory requirements *Final Accounting* Barbara Ley Toffler,Jennifer Reingold,2003-03-04 A withering expos of the unethical practices that triggered the indictment and collapse of the legendary accounting firm Arthur Andersen s conviction on obstruction of justice charges related to the Enron debacle spelled the abrupt end of the 88 year old accounting firm Until recently the venerable firm had been regarded as the accounting profession s conscience In *Final Accounting* Barbara Ley Toffler former Andersen partner in charge of Andersen s Ethics how Androids both accountants and consultants lived the mantra keep the client happy and how internal infighting and billing your brains out rather than quality work became the all important goals Toffler was in a position to know when something was wrong In her earlier role as ethics consultant she worked with over 60 major companies and was an internationally renowned expert at spotting and correcting ethical lapses Toffler traces the roots of Andersen s ethical missteps and shows the gradual decay of a once proud culture Uniquely qualified to discuss the personalities and principles behind one of the greatest shake ups in United States history Toffler delivers a chilling report with important ramifications for CEOs and individual investors alike *Business Information Sources* Lorna M.
