Managing Career Transitions Your Career As A Work In Progress:

Managing Career Transitions Hayes,1999-07 Managing Career Transitions Kit Harrington Hayes,1996-01-01

Managing Career Transitions K. Harrington Hayes,1996 **Managing Human Resource Development Programs** Claretha Hughes,Marilyn Byrd,2017-08-18 Managing Human Resource Development Programs makes the critical connection between HR development and the larger system of HR management This book offers a framework for developing HR programs that are customizable to the needs of the organization **Research Anthology on Changing Dynamics of Diversity and Safety in the Workforce** Management Association, Information Resources,2021-07-16 The recent COVID 19 pandemic has emphasized the importance of safety and ergonomics in the workplace From work life balance and mental health to risk prevention maintaining a healthy and happy workforce has become essential for the progress of every company Moreover ensuring inclusive spaces has become a pillar of business with some worrying that the diversity agenda will be overshadowed by the recent pandemic It is imperative that current research is compiled that sheds light on the advancements being made in promoting diversity and wellbeing in the modern workforce The Research Anthology on Changing Dynamics of Diversity and Safety in the Workforce is a comprehensive reference source that provides the latest emerging research on diversity management and initiatives as well as occupational health and safety practices in the workplace These concepts are necessary for global workplaces to remain safe efficient and inclusive Covering topics such as employee equity human resources practices and worker wellbeing this anthology provides an excellent resource for researchers human resources personnel managers safety officers policymakers CEOs students professors and academicians

Impact of Diversity on Organization and Career Development Hughes, Claretha,2014-11-30 Today s workforce represents individuals of various backgrounds and experiences The influence of such individuals is becoming an important component in the workplace and researchers continue to explore the challenges of understanding the connection between employee profiles and the overall success of a company Impact of Diversity on Organization and Career Development brings together a reflective discussion on the previous approaches and strategies of companies in relation to the paradigm shift in workplace equity of today s workforce By examining both old and new strategies the research included in this publication will present a unique approach for future company enhancement and employee success This publication is an essential reference source for researchers practitioners managers and students interested in the effects of multicultural representation on both a company and its employees through professional growth and advancement Implementation Strategies for Improving Diversity in Organizations Hughes, Claretha,2020-07-10 Awareness and inclusion are not enough to create effective change in organizations and society Instead organizations must implement strategies to ensure that they not only improve diversity but also place their employees on career development plans that provide the best fit between individual and organizational needs as well as personal characteristics and career roles Implementation Strategies for Improving Diversity in

Organizations is a pivotal reference source that provides crucial research on the application of stratagems designed to increase organizational change chiefly to integrate diverse individuals including physically disabled individuals women and people of color into the workforce The book also looks at discriminatory practices involving the physical appearance of workers While highlighting topics such as career development lookism and ethnic discrimination this publication explores new innovative ideas influencing the paradigm shift for the modern workforce as well as the methods of career development This book is ideally designed for managers executives human resources professionals researchers business practitioners academicians and students

Handbook of Research on Workforce Diversity in a Global Society: Technologies and Concepts Scott, Chaunda L.,Byrd, Marilyn Y.,2012-06-30 This book highlights innovative research theoretical frameworks and perspectives that are currently being used to guide the practice of leveraging diversity in multiple organizational settings Provided by publisher

Navigating Career Transitions: Strategies for Successfully Managing Career Changes Namaskar Book,2024-10-24 Navigating Career Transitions Strategies for Successfully Managing Career Changes Career transitions can be challenging but they also offer opportunities for growth and reinvention This book provides strategies for managing career changes from preparing for a job search to navigating internal transitions within a company Readers will learn how to assess their skills set new career goals and build a network to support their transition The book offers guidance on making smooth and successful career shifts whether you re changing industries or advancing to a new role

Diversity Intelligence Claretha Hughes,2023-06-17 This book develops and amplifies the emerging concept of diversity intelligence which is the capability of leaders to recognize the value of workplace diversity and to use this information to guide thinking and behavior Organization leaders need diversity intelligence to better interact with the changing demographics in the US and the global economy by embracing differences as strengths rather than weaknesses Without a clear understanding of diversity leaders are not fully equipped to realize organizational goals through all employees The author highlights the importance of reimagining diversity and changing perspectives while integrating it into leadership and career development plans alongside intellectual intelligence emotional intelligence and cultural intelligence In order to fully motivate diverse employees leaders must first be able to recognize differences between themselves and others without it being an obstacle to performance This edition addresses new topics related to allyship and anti racism and discusses how these concepts can sometimes hinder diversity efforts This book fits in the literature in areas of leadership and business value and aims to satisfy the need for solutions to why diversity training and management efforts continue to fall short of stated goals within organizations It is a window into how leaders can reflect on their actions and behaviors to effectively implement new diversity strategies and is an essential read for HR researchers professionals consultants and managers of global operating companies

Manage Your Career A. and C. Black Publishers Staff,2009-03-15 Make the most of your skills and reach your full potential at work

Researches in Adult Learning and Education: The European Dimension Simona Sava,Petr

Novotny,2017-07-11 The book represents several contributions that guide the readers in the comprehension of the paradigmatic shift from adult lifelong education to adult lifelong learning At the same time it presents the contexts where adults learn the organized contexts such as the institutions and services and the informal contexts The book is one of a series dedicated to adult learning and education developed under the auspices of ESRALE European Studies and Research in Adult Learning and Education an EU supported project Its companion books are Maria Slowey ed Comparative Adult Education and Learning Authors and Texts and Vanna Boffo Paolo Federighi Ekkehard Nuissl Empirical Research Methodology in Adult Learning and Education Authors and Texts

Valuing People and Technology in the Workplace: A Competitive Advantage Framework Hughes, Claretha,2012-03-31 Valuing People and Technology in the Workplace A Competitive Advantage Framework introduces a more proactive strategic approach to bring employees into and develop them within an organization Interpreting and accepting this concept requires managers to think of employees as they would think of technology Technology equipment and systems are strategically aligned within organizations Integrating the literature from strategic technology management strategic human resource management and human resource development and exploring how this integration can provide competitive advantage to organizations for better implementation of people and technology development initiatives is a potential solution Valuing People and Technology in the Workplace A Competitive Advantage Framework provides a comprehensive framework that can be used to develop and design case studies that could measure the identified values that people technology and strategy can provide to the organization This book aims to serve as a guide for managers and leaders as they develop strategies to introduce new people and technology into the workplace

Valuing People and Technology in the Workplace: Ethical Implications and Imperatives for Success Hughes, Claretha,2023-04-03 Technology s use has exploded and many employees have been left behind during the COVID 19 pandemic Organizations are constantly trying to balance people and technology within the workplace In today s highly technological globalized economy it is essential that practitioners and researchers understand that people and technology do not exist in isolation from each other within the workplace Valuing People and Technology in the Workplace Ethical Implications and Imperatives for Success explains how philosophy ethics and systems theory influence the five values of people and technology development The three main areas that are included to explain how philosophy ethics and systems theory relate to the five values are the three philosophical perspectives diversity intelligence and the workforce inter personnel diversity talent management system Covering topics such as ethics organizational philosophical perspectives and value creation model this premier reference source is an essential resource for business leaders human resource managers entrepreneurs technology professionals students and educators of higher education researchers and academicians
