**Understanding the Impacts of Deregulation in Planning** Ben Clifford, Jessica Ferm, Nicola Livingstone, Patricia Canelas, 2019-04-09 In England it has been possible since 2013 to convert an office building into residential use without needing planning permission as has been required since 1948 This book explores the consequences of this central government driven deregulation on local communities The policy decision was primarily about boosting the supply of housing but reflects a broader neoliberal ideology which seeks to reform public planning in many countries to reduce perceived interference in free markets Drawing on original research in the English local authorities of Camden Croydon Leeds Leicester and Reading the book provides a case study of the implementation of planning deregulation which demonstrates the lowering of standards in housing quality the reduced ability of the local state to proactively steer development and plan for their places and the transfer of wealth from the public to private spheres that has resulted Comparative case studies from Glasgow and Rotterdam call into question the very need for the deregulation in the first place

**Genocide in the Modern Age** Zachary A. Karazsia, 2025-01-30 This book explores why some episodes of mass political violence and genocide are so much deadlier than others and under what conditions perpetrators in government and society opt for brutality as a means of accomplishing their goals Introducing the new concept of mass political violence to explain genocide and other mass killings in the modern world the author investigates how perpetrators sustain the capacity to enact violence on a large scale irrespective of motives Cases including the Holocaust Soviet Union Rwanda Cambodia the Lord s Resistance Army the Islamic State the Ottoman Empire of the 1890s Mao Zedong s revolutionary violence the Congo Crisis and Darfur are used by the author to identify four types of mass

political violence perpetrators state actors state society coalitions state sponsored groups and non state actors to explain historical trends and identify which perpetrators are most likely to emerge in a given socio political context and sustain violence over time Comparative and grounded in case studies this book will interest policymakers diplomats governmental advisers practitioners and industry researchers It will also be invaluable to students and scholars of Political Science International Affairs Holocaust and Genocide Studies Human Rights Sociology Anthropology Geography Political Psychology Religious Studies Gender Studies Public Policy Media Studies and Criminology Sin•a•gogue David Bashevkin,2019-08-21 A manual for living with defeat Tablet It is no more possible to think about religion without sin than it is to think about a garden without dirt By its very nature the ideals of religion entail sin and failure Judaism has its own language and framework for sin that expresses themselves both legally and philosophically Both legal questions circumstances where sin is permissible or mandated the role of intention and action as well as philosophical questions why sin occurs and how does Judaism react to religious crisis are considered within this volume This book will present the concepts of sin and failure in Jewish thought weaving together biblical and rabbinic studies to reveal a holistic portrait of the notion of sin and failure within Jewish thought The suffix agogue means to lead or grow Here as well Sin a gogue Sin and Failure in Jewish Thought will provide its readers frameworks and strategies to develop even in the face of failure *European Minorities in Times of Crisis* Ruairidh Tarvet,2024-11-20 Over the last decade Europe has been struggling to cope with a series of significant and challenging global crises Dramatic scenes from the so called migrant crises global financial crises the Covid 19 pandemic and the war in Ukraine have sent shockwaves across Europe s borders and have triggered drastic and sometimes even unprecedented responses from nation states Caught between the shockwaves and counter measures are Europe s national minority communities With little say or influence in national discussions on which measures to take in response to each crisis and often situated in peripheral or border regions it is likely that these communities have been subjected to shifts in power balances and this may have even impacted their regional national and transnational identities By combining various sociological and anthropological methodologies with case studies from across northern central eastern and southern Europe this book stresses the importance of listening to the unique concerns of minority communities in times of crisis Starting in the Arctic Circle and working down in a reverse C shape through Europe each stop along the journey visits a different national minority community where we learn about their multicultural multilingual and transnational lifestyles and the distinct challenges they have faced in recent years This book will be of interest to academics and researchers working in the areas of human geography border studies European studies sociology politics minority studies and language studies

**Global Changes - Local Stages** Hans van Maanen,Andreas Kotte,Anneli Saro,2009 Global Changes Local Stages investigates the relationships between what happened the last twenty years on the world stage and how theatre life developed on the local level The subject has been approached from three different angles each covered by one part of the

book *The Effects of Social Changes on Theatre Fields Values in Theatre Politics and Localization of Theatrical Values* The group of authors tries to find the links between these three areas The book profits from the fact that the authors come from two sides of the former Wall Twenty years after its fall the transitional processes in countries of the former Eastern Bloc can be compared not only mutually but also with the changes in the Western part of Europe With its 537 pages *Global Changes Local Stages* is the most extensive research of the possible relationships between cultural change theatre politics and theatre life in smaller European countries

Ordinary Cities, Extraordinary Geographies Bryson, John R., Kalafsky, Ronald V., Vanchan, Vida, 2021-08-27 This insightful book explores smaller towns and cities places in which the majority of people live highlighting that these more ordinary places have extraordinary geographies It focuses on the development of an alternative approach to urban studies and theory that foregrounds smaller cities and towns rather than much larger cities and conurbations

*Global counter-terrorism* Sagnik Dutta, Tahir Abbas, Sylvia I. Bergh, 2025-02-25 This collection aims to inaugurate a new direction in research on counterterrorism by exploring global connections both in terms of practices and discourses as well as shared ideas and epistemes that animate counterterrorism practices The chapters grouped under the themes of postcoloniality and coloniality and entanglements of the transnational and the local and counterterrorism and right wing extremism are attentive to global connections and are mindful of the complexities of global historical processes that constitute the politics of counterterrorism This book aims to bring together scholars studying counterterrorism in the global North and the global South to explore convergence and divergence in how counterterrorism policies function in a range of national and local contexts

*Cross-Border Mobility in Eastern European Union Countries* Tomasz Komornicki, Rafał Wiśniewski, Andrzej Jakubowski, Barbara Szejgiec-Kolenda, Eugenia Maruniak, 2025-09-09 This book examines how cross border mobility across the eastern border of Poland with Russia Belarus and Ukraine driven by external shocks influences different territorial units It offers a new understanding of the determinants dynamics spatial distribution and impact on such mobility in times of upheaval and uncertainty It provides answers to the following questions how do the different types of flows of people evolve under various external shocks to what extent is cross border mobility resilient to these shocks in terms of the intensity of flows their volume and the directions of linkages how do rapid and unexpected changes in cross border mobility affect the performance of national regional and local social and economic systems and to what extent and how does cross border mobility as triggered by external shocks reinforce deepen or alter existing spatial regularities and differentiations Referring to current events such as the COVID 19 pandemic and the war in Ukraine the book presents evidence of their implications on cross border mobility illuminating policy responses with a view to potential future crises Further it draws attention to the territorial aspects of changes in the patterns of cross border population flows that provide a rationale for the territorialisation of relevant policies Due to its interdisciplinary character including issues in the scope of regional economics human geography and international relations the book is a timely valid and unique publication which will

appeal to a broad group of specialists scholars researchers and policymakers as well as decision makers interested in the socio economic and political situation in Central and Eastern Europe particularly on the external border of the European Union
