Managing Development Marc Lindenberg, Benjamin Crosby, 1981 Governance and Economy Deborah Brautigam, 1991 An exploration of the links between development and governance that is between development and accountability including institutional pluralism and participation openness including problems such as corruption that result at least partly from lack of openness and predictability or the rule of law *Women's Ventures* Marguerite Berger, Mayra Buvinić, 1989 *Books in Series*, 1985 Vols for 1980 issued in three parts Series Authors and Titles **Bibliographie Mensuelle** United Nations Library (Geneva, Switzerland), 1991 **Books in Print Supplement**, 1985 *Concepts and Approaches for Sustainability Management* Khai Ern Lee, 2020-01-23 With the introduction of the 2030 Agenda for Sustainable Development by the United Nations General Assembly in 25 September 2015 UN agencies member states and stakeholders have begun to focus on the adoption and implementation of these strategies in realization of 17 Sustainable Development Goals To work toward sustainability strategic measures to encourage stakeholders to contribute to the goals of the 2030 agenda are needed In recognition of these efforts this book is produced to compile research concepts and approaches for the area of sustainability management of industry technology development community education and the environment The objective of this book is to deliberate concepts and approaches of sustainability management taking place in Malaysia whereby case studies will be revealed to provide way forward of sustainability management toward achieving sustainable development The insights provided can be applied to advanced and developing countries by sustainable development practitioners encompassing government agencies academia industries NGOs and community who would like to adopt the concept of approach of sustainability into their area of management *Books in Print*, 1991 **List of Recent Additions** Joint Bank-Fund Library, 1981 **National Union Catalog**, 1982 Includes entries for maps and atlases **The Cumulative Book Index**, 1982 A world list of books in the English language **Yearbook of International Organizations 2014-2015 (Volume 4)** Union Of International Associations, Union of International Associations, 2014-09-17 The Yearbook of International Organizations provides the most extensive coverage of non profit international organizations currently available Detailed profiles of international non governmental and intergovernmental organizations IGO collected and documented by the Union of International Associations can be found here In addition to the history aims and activities of international organizations with their events publications and contact details the volumes of the Yearbook include networks between associations biographies of key people involved and extensive statistical data Providing both an international organizations and research bibliography Volume 4 cites over 46 000 publications and information resources supplied by international organizations and provides nearly 18 000 research citations under 40 subject headings This volume also includes a research bibliography on international organizations and transnational associations *American Book Publishing Record*, 1991 *Humanitarian NGOs, (In)Security and Identity* Andrea Schneiker, 2016-03-09 Increasingly humanitarian

NGOs operate in the context of armed conflicts where the security risks are higher than in contexts of natural disaster Working in Afghanistan Somalia Sudan South Sudan Pakistan and Sri Lanka is particularly dangerous for humanitarians This existential threat affects the physical existence of aid workers and the implementation of humanitarian programs and the core beliefs of humanitarians and the underlying principles of humanitarian action For NGOs it is difficult to accept that they are attacked despite their good intentions sometimes even by the very communities they seek to help For these reasons humanitarian NGOs have to change their approaches to security by not only adapting their policies procedures and structures to the changing environment but also reviewing the underlying principles of their work This book contributes to debates by demonstrating how issues of in security affect humanitarian NGOs and the humanitarian identity situating the structural changes within the humanitarian NGO community in the context of conflict aid governance and explains how non state actors establish their own governance structures independent from state sponsored solutions and contributes to the emerging literature on the redefinition of the concept of epistemic communities
