Lord Kitchener. The Story of His Life, 1916 **Lord Kitchener** Donald Alexander Mackenzie, 1916 *Lord Kitchener* Donald A. Mackenzie, 2015-07-13 Excerpt from Lord Kitchener The Story of His Life and Work The life of Kitchener is embraced in an epoch of European history which the Great World War brings to a close He belongs to history a French poet has declared he entered it while still alive there to remain for ever His baptism of fire was received in the Franco Prussian War and it was directly due to the Russo Turkish War which resulted in the setting up of independent states in the Balkans where the political influences of Austria and Russia were for a generation to quiver in the balance that his genius for organization and administration was given a chance of development especially in Cyprus and Asia Minor In Egypt too Kitchener figures in a distinct historical epoch He entered that country in a military capacity immediately after the bombardment of Alexandria of which he was an eyewitness he took part in the stamping out of the Arabi Pasha rebellion he assisted in the training and organization of the new native army of which he became in time the Sirdar he was associated with Gordon the hero of Khartoum and as a soldier and administrator he realized Gordon's ambition by reclaiming the Sudan from barbarism After a brief but brilliant period of service as British Agent in Egypt he took part as a member of the British Government in shaping the policy that finally freed Egypt from the thralldom of Turkey and ushered in a new age in the history of the ancient land of the Pharaohs Had Kitchener's services been confined to Egypt alone they would have ensured his undying reputation as a great soldier and great administrator With the progress of time however they became more universal About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Lord Kitchener: the Story of His Life and Work, Etc* Donald Alexander MACKENZIE (Archaeologist.), 1916 **Lord Kitchener** Horace George Groser, 1916 Lord Kitchener Horace G. different facet of the war and masculinity in depth Joanna Bourke discovers that those who were dismembered and disabled by the war were not viewed as passive or weak like their civilian counterparts but were the focus of much government and public sentiment Those suffering from disease were viewed differently often finding themselves accused of malingering Joanna Bourke argues convincingly that military experiences led to a greater sharing of gender identities between men of different classes and ages Dismembering the Male concludes that ultimately attempts to reconstruct a new type of masculinity failed as the threat of another war and with it the sacrifice of a new generation of men intensified *The Anglo-Boer War (1899-1902)* André Wessels, 2010-09-01 Based on many years of research with regard to the Anglo Boer War this book is essential reading for anyone who would like to know more about the most devastating conflict that has thus far been waged between white people in Southern Africa However with due course this war also involved more and more black brown and to some extent Asian people The Best Books: F, History and historical biography.
