Lord Make Us One Not The Same:

Secrets of Greatness Dr. Barrington O. Burrell, 2014-05-27 In *Secrets of Greatness* Dr Burrell provides us with a route map to success of the very highest order consistent with the greatest model of success known to us Jesus Christ Based upon an intimate study of the Old and New Testaments and a lifetime's work as a pastor and drawing together such disparate threads as psychology biology history and motivational dynamics Dr Burrell gives his readers a meticulous and definitive explanation of the essence of greatness and how it is within the capability of each and every one of us to achieve more than we ever thought possible A thorough and passionate exploration of what it means to be great using examples of great men and women through the ages *Secrets of Greatness* decries the notion that true success lies in power money and status and illustrates instead that the pinnacle of human achievement is attainable only through the transformative and healing power of our relationship with God In each chapter and section the author shines a light on a different aspect of the process of becoming what we are destined to be in the Creator's great plan for us and illuminates the spaces through which we all must travel on our journey to greatness Dr Burrell explores his subject with the keen mind of a scholar the compassion of a man of God and the tenacity of a warrior and has written a book which is as uplifting as it is useful It is a book which can only fill us with hope for the future *Secrets of Greatness* is a corrective for our secular age a spiritual book in materialistic times and a tonic for all those who thirst for a different measure of success than is commonly presented in our media *The Works of Shakspeare; from the Text of the Standard Edition by Isaac Reed* William Shakespeare, 1840* **The Gospel of John** Frederick Dale Bruner, 2012-02-22 The author of a much loved two volume Matthew commentary 1990 that he greatly revised and expanded fourteen years later Frederick Dale Bruner now offers *The Gospel of John A Commentary* more rich fruit of his lifetime of study and teaching Rather than relying primarily on recent scholarship Bruner honors and draws from the church's major John commentators throughout history including Augustine Chrysostom Aquinas Luther Calvin Bultmann Barrett and many more Alongside this historical interpretation is Bruner's own contemporary interpretation which incorporates a lucid translation of the text references to recent scholarship and his pastoral application of the Gospel to present day experience Like Bruner's other work this commentary is rich in biblical insights broadly historical and deeply theological Here is what Eugene Peterson said about Bruner's earlier work on Matthew This is the kind of commentary I most want a theological wrestling with Scripture Frederick Dale Bruner grapples with the text not only as a technical exegete although he does that very well but as a church theologian caring passionately about what these words tell us about God and ourselves His Matthew commentary is in the grand traditions of Augustine Calvin and Luther expansive and leisurely loving the text the people in it and the Christians who read it The same could well be said about the present John commentary which promises to be another invaluable resource for pastors teachers and laypeople alike *The Reference Shakspeare: a Memorial Edition of Shakspeare's Plays, Containing Eleven Thousand Six Hundred References* William Shakespeare, 1864
