Lord Of The Dark Lake:

Lord of the Dark Lake Ron Faust, 2014-02-28 Jay Chandler an American archaeologist excavating an ancient Greek temple is surprised to find himself invited to a weeklong party on an exotic island paradise owned by eccentric tycoon Alexander Krisos The annual event swarmed with European nobility Texas oilmen ballerinas and bullfighters millionaire politicians in exile Japanese potentates artists and gorgeous models is the sort of orgiastic party many would kill to attend But no one really expects murder to become part of the festivities until it does From the party's start under the bright Aegean sky to the finale in the island's underworld of dark caves the guests are pulled to their destinies by a force as powerful as any invoked by the Greek gods and Chandler must confront a Minotaur as deadly as the mythic one **The Horned God Chronicles** Rudra Kapalin, 2012-11 The Horned God Chronicles is a project taken up by the author to look deeper into history and mythology in a quest to understand the harmonic relationship between Society and Mother Nature This is the first book to openly point out how SHIVA WAS ADOPTED INTO HINDUISM DUE TO POLITICAL REASONS and was initially a God of the aboriginal tribes of India The aboriginal tribes were far more civilized and managed than those who called themselves Aryans Indra's political shrewdness wiped out a whole civilization to make sure that the aboriginal tribes remain subjugated even centuries later This was done overtime by establishing a strict caste system Check out Video Promo at <http://www.youtube.com/watch?v=4q621hfpWyk> In the first book you will find some strings of thoughts although random but honest insights into the world around us and the universe inside us These thoughts are some of the cookies that will be relished by your mind provided your mind knows to eat Here you will get food for thought I don't guarantee that you will like the taste because your mind may be a better cook than mine but then you are always free to write to me at so that I can improve my writing skills In this book I present to you the struggles of aboriginal tribes of Indian subcontinent during the Aryan Invasion I would like to clarify that I am not saying that Aryan Invasion was a West to East movement It could have been a wave of people from east that might have moved towards Europe What we know for sure is that there lay a magnificent civilization which we now call the Indus Valley Civilization and it was way advanced than any other part of the world in Ancient times We also know that there was a sudden end to it But there are a long unknown parts in it I have tried to bridge the unknown realm with the known realm In this book I take you on a fantasy ride through the daily lives of the people of World's oldest Civilization which has also provided evidences that hint towards existence of something close to democracy I bring to you the beginnings of a long struggle and competition between Brute Force Rational thinking Beliefs Faiths and Blind Faith I have deliberately kept it short as it will be serving as the platform for the thoughts flowing in my mind Raghu the son of Solankhis Clan Leader Dilipa struggles to save not only his clan but the whole humanity from Ignorance His chance encounter with a Sage reveals a whole new world of possibilities in this First book of THE HORNED GOD Chronicles With the wisdom of elders and his own courage he takes the responsibility of Clan Shaman's secret on himself in a time when danger lurks all around as
