

Lord Melbourne 1779 1848

JL Elias

Lord Melbourne 1779 1848:

Lord Melbourne, 1779-1848 Leslie George Mitchell, 1997 Lord Melbourne was Prime Minister of England from 1834 to 1841. As mentor and father figure to the young Queen Victoria, he exerted considerable influence over the first few years of her reign. He was a man to whom career success came rather late; he was forty-eight years old before he held any major governmental office. In a profound way, his character and thinking had already been determined by experiences outside politics, particularly by his Whig social background and his disastrous marriage to Lady Caroline Lamb. In this, the first biography for twenty years, Leslie Mitchell uses the Melbourne family papers to explore the man behind a politician at the heart of early Victorian politics. William Lamb, the second Viscount Melbourne, might have held office earlier had it not been for his marriage to Lady Caroline Ponsonby, whose scandalous public affairs, including one with Byron, preceded a descent into madness and separation from her husband. Her death in 1828 freed Melbourne to take up the career which was almost his birthright. His views and subsequent political rise and survival in high office, almost by accident rather than design, reveal much about the nature of Whig politics operating as an extension of family relationships and the expression of the shared values of an elite. As Prime Minister, Melbourne became the closest adviser and father figure to the new queen, who was only eighteen years old at her accession in 1837. Her rejection of Melbourne on her marriage to Prince Albert was abrupt and devastating, and Melbourne never really recovered from it. He became a marginalized figure out of step with the demands of a fast-changing, newly industrialized world. In this fascinating account, Leslie Mitchell fully explores the private and public life of a man destined for high office and greatly influenced by the women in his life. **Lord Melbourne**, 1849 *Lady Caroline Lamb* P. Douglass, 2015-12-17 Lady Caroline Lamb, among Lord Byron's many lovers, stands out vilified, portrayed as a self-destructive nymphomaniac. Her true story has never been told. Now Paul Douglass provides the first unbiased treatment of a woman whose passions and independence were incompatible with the age in which she lived. Taking into account a traumatic childhood, Douglass explores Lamb's so-called erotomania and tendency towards drug abuse and madness, problems she and Byron had in common. In this portrait, she emerges as a person who sacrificed much for the welfare of a sick child and became an artist in her own right. Douglass illuminates her novels and poetry, her literary friendships and the lifelong support of her husband and her publisher John Murray. *The Victorian Palace of Science* Edward J. Gillin, 2017-11-09 The Palace of Westminster, home to Britain's Houses of Parliament, is one of the most studied buildings in the world. What is less well known is that while Parliament was primarily a political building when built between 1834 and 1860, it was also a place of scientific activity. The construction of Britain's legislature presents an extraordinary story in which politicians and officials laboured to make their new Parliament the most radical modern building of its time by using the very latest scientific knowledge. Experimentalists employed the House of Commons as a chemistry laboratory; geologists argued over the Palace's stone; natural philosophers hung meat around the building to measure air purity; and mathematicians

schemed to make Parliament the first public space where every room would have electrically controlled time Through such dramatic projects Edward J Gillin redefines our understanding of the Palace of Westminster and explores the politically troublesome character of Victorian science

Outrage in the Age of Reform Jay R. Roszman, 2022-09-22 In the 1830s as Britain navigated political reform to stave off instability and social unrest Ireland became increasingly influential in determining British politics This book is the first to chart the importance that Irish agrarian violence known as outrages played in shaping how the decade of reform unfolded It argues that while Whig politicians attempted to incorporate Ireland fully into the political union to address longstanding grievances Conservative politicians and media outlets focused on Irish outrages to stymie political change Jay R Roszman brings to light the ways that a wing of the Conservative party including many Anglo Irish put Irish violence into a wider imperial framework stressing how outrages threatened the Union and with it the wider empire Using underutilised sources the book also reassesses how Irish people interpreted everyday agrarian violence in pre Famine society suggesting that many people perpetuated outrages to assert popularly conceived notions of justice against the imposition of British sovereignty

Lives of Victorian Political Figures, Part

I, Volume 1 Nancy LoPatin-Lummis, Michael Partridge, Richard Gaunt, 2021-03-24 Aims to bring alive through the eyes of their contemporaries three of the greatest political figures of the Victorian era Henry third Viscount Palmerston Benjamin Disraeli and William Gladstone This four volume set draws together various documents including journals and diaries pamphlets correspondence and other ephemeral literature Volume 1 covers the political life of Lord Palmerston The History of Britain and Ireland Kenneth L. Campbell, 2023-09-07 The History of Britain and Ireland Prehistory to Today is a balanced and integrated political social cultural and religious history of the British Isles Kenneth Campbell explores the constantly evolving dialogue and relationship between the past and the present Written in the aftermath of the Black Lives Matter and Rhodes Must Fall demonstrations The History of Britain and Ireland examines the history of Britain and Ireland at a time when it asks difficult questions of its past and looks to the future Campbell places Black history at the forefront of his analysis and offers a voice to marginalised communities to craft a complete and comprehensive history of Britain and Ireland from Prehistory to Today This book is unique in that it integrates the histories of England Ireland Scotland and Wales to provide a balanced view of British history Building on the successful foundations laid by the first edition the book has been updated to include COVID 19 and earlier diseases in history LGBT History A fresh appraisal of Winston Churchill Brexit and the subsequent negotiations 45 illustrations Richly illustrated and focusing on the major turning points in British history this book helps students engage with British history and think critically about the topic The Works of Lady Caroline Lamb Leigh Wetherall Dickson, 2021-02-25 Offers the works of Lady Caroline Lamb 1785 1828 the late Romantic era novelist most famous for her affair with Lord Byron Presenting Lamb s works in a scholarly format this book situates her literary achievements within the context of her Whig allegiances her sense of noblesse oblige and her promotion of aristocratic reform **Ireland** Paul Bew, 2007-08-16 The modern Irish question is defined by many as a case of a great and supposedly liberal nation supposedly mistreating a smaller one This text embodies a new approach to this issue analysing key issues from religious discrimination and famine to the passions of both nationalism and unionism **Oxford Dictionary of Quotations by Subject** Susan Ratcliffe, 2010-03-11 Over 7 000 quotations arranged by subject for easy look up Nearly 600 subjects covered from Memory and Humour to Television and Weddings London and Its Environs Karl Baedeker (Firm), 1923 British History 1815-1914 Norman McCord, Bill Purdue, 2007-10-25 This fully revised and updated edition of Norman McCord s authoritative introduction to nineteenth century British history has been extended to cover the period up to the outbreak of the First World War in 1914 The nineteenth and early twentieth century saw the transformation of Britain from a predominantly rural to a largely urban society with an economy based upon manufacturing finance and trade and from a society governed mainly by a landed aristocracy to what was increasingly a mass democracy The authors chart the development of a modern state equipped with a large and expanding bureaucracy the expansion of overseas territories into one of the world s greatest empires and changes in religion social attitudes and culture The book divides the era into four

chronological periods with chapters on the political background administrative development and social economic and cultural changes in each period Exploring major themes such as the massive increase in population the question of class the scope of state activity and the development of consumerism leisure and entertainment and including a select bibliography and biographical appendix this updated new edition provides the ultimate introduction to British history between the end of the Napoleonic Wars and the outbreak of the First World War

Finding List Enoch Pratt Free Library,1897

The Great Rivalry Dick Leonard,2013-06-30 Benjamin Disraeli and William Ewart Gladstone are without doubt the two most iconic figures of nineteenth century British politics Their distinctly different personalities and policies led to 28 years of bitter political rivalry Between 1853 and Disraeli's death in 1881 the two leaders repeatedly succeeded each other in Westminster first as Chancellors of the Exchequer and later as Prime Ministers with Disraeli leading the Conservatives and Gladstone the Liberals For the first time this book provides the full story of their rivalry and its origins comparing the upbringing education and personalities of the two leaders as well as their political careers and time in office Dick Leonard compares the impact of religion Judaism and Christianity respectively on the two men their contrasting oratorical skills their attitudes to political and social reform foreign affairs and imperialism It is well known that Queen Victoria was much fonder of Disraeli than she was of Gladstone but Leonard provides new facets on the relationship between each premier and the monarch In their private lives he sheds new light on Gladstone's guilt ridden obsession with seeking out prostitutes ostensibly in order to reform them and Disraeli's passion for older women his wife was 12 years his senior as well as his almost completely successful efforts to conceal the existence of two illegitimate children Providing important new perspectives on the two towering political characters of the Victorian Age and the enduring legacy of a great rivalry this book will be essential reading for anyone interested in nineteenth century British history and politics
