Los Cheyenes:

Enciclopedia de Las Creencias Y Religiones Jorge Blaschke, 2006-05 Encyclopedia of religion **Pueblos originarios de América** Susana Frank, 2008 Enterrad mi corazón en Wounded Knee Dee Brown, 2016-04 La historia contenida en estas páginas comienza con la Larga Marcha de los navajos en 1860 y se cierra treinta años más tarde con la masacre de los sioux en Wounded Knee Dakota del Sur periodo en el que los indios americanos perdieron su tierra y sus vidas frente a la expansión del hombre blanco Durante estas tres décadas la población blanca de Norteamérica se duplica por las sucesivas oleadas de inmigrantes Una y otra vez se hacen promesas a los indios que después son rotas por la codicia que empuja a los conquistadores más y más hacia el oeste A partir de relatos autobiográficos testimonios grabados y documentación de la época el historiador estadounidense Dee Brown realiza un detallado relato de la destrucción sistemática de los indios americanos durante el siglo XIX dejando hablar por primera vez a sus protagonistas los jefes y guerreros de las tribus aniquiladas El resultado es una narración que ha cambiado para siempre la visión de la conquista del Oeste americano El corazón de todo lo existente Bob Drury, Tom Clavin, 2016-04-18 Nube Roja fue el único indio americano de la historia en derrotar al Ejército de EE UU en una guerra obligando al Gobierno a procurar la paz bajo los términos impuestos por el jefe indio En la cima del poder de Nube Roja los sioux llegaron a reclamar el control sobre una quinta parte de lo que serían los contiguos Estados Unidos y disfrutaron de la lealtad de miles de guerreros feroces Sin embargo las neblinas de la historia han ensombrecido extrañamente su figura Ahora gracias al redescubrimiento de una autobiografía perdida y a la investigación meticulosa de dos galardonados autores como Bob Drury y Tom Clavin puede contarse al fin la historia del guerrero indio más poderoso del siglo XIX En este documento los autores devuelven a Nube Roja su lugar en la historia Repasando los acontecimientos que desembocaron en la Guerra de Nube Roja nos ofrecen retratos íntimos de las muchas vidas con las que se cruzó el jefe indio hombres de monta como Jim Bridger generales estadounidenses como William T Sherman exploradores intrpidos como John Bozeman y memorables guerreros a quienes Nube Roja preparó como el legendario Caballo Loco En el centro de la historia se encuentra el gran jefe sioux luchando por la mera existencia de la forma de vida de los indios Rock the Nation Roberto Avant-Mier, 2010-05-06 Rock the Nation analyzes Latino identity through rock n roll music and its deep Latino history By linking rock music to Latinos and to music from Latin America the author argues that Latino music people and culture have been central to the development of rock music as a major popular music form in spite of North American racial logic that marginalizes Latinos as outsiders foreigners and always exotic According to the author the Latino Rock Diaspora illuminates complex identity issues and interesting paradoxes with regard to identity politics such as nationalism Latinos use rock music for assimilation to mainstream North American culture while in Latin America rock music in Spanish is used to resist English and the hegemony of US culture Meanwhile singing in English and adopting US popular culture allows youth to resist the hegemonic nationalisms of their own countries Thus throughout the Americas Latinos utilize rock music

for assimilation to mainstream national culture s for resistance to the hegemony of dominant culture s and for mediating the negotiation of Latino a identities

La resistencia de los nativos americanos (Native American Resistance) Zachary Deibel, 2017-07-15 The United States grew rapidly from the time of the Louisiana Purchase to the building of the Transcontinental Railroad All of this expansion came at the expense of Native American populations that had either lived in the region for centuries or been forced there from ancestral homes in the East Tribes memorably fought on their own and together in an doomed effort to retain the land and a lifestyle that had long sustained their families This book outlines some of the major conflicts of the Westward Expansion and of the treaties and were signed and often broken by representatives of the tribes and the government of the United States
