Los Genios No Nacen Se Hacen Geniuses Are Not Born They Are Made:

Amongst the Clouds Robbie Cryer, 2014-11-07 The story of a young man's adventure through South America which culminated in a year spent living and working in the mountains in northern Peru. An insight into the culture, history and geography of the continent as seen through the eyes of a lone gringo travelling for experience. **Serving Latino Teens** Salvador Avila, 2012-05-31 This book discusses library services to Hispanic Latino teens, highlighting best practices, examining relevant and responsive services and programs, and reframing existing approaches to serving this segment of the population. Latino teens within Generation Y or Generation Z are bilingual and bicultural. As such, these teenagers have varied characteristics that present unique conditions and challenges for librarians. *Serving Latino Teens* not only explains why providing targeted services to Latino teens is so critical, but it also shows librarians and teen providers exactly how to best reach this demographic. Author Salvador Avila, a noted expert and popular lecturer on providing library services to Latino and Spanish speaking communities, offers ideas and strategies that can be easily duplicated. Grounded in empirical evidence, this book presents what research has indicated is important to teens. Latinos in particular demonstrate how to incorporate relevant literature into your services and describes the cultural, social, economic, psychological, technological, and sexual characteristics of this emerging population. This title will be immensely helpful to public and school librarians as well as social services providers who work with Latino teens and soon-to-be teens ages 11 through 18. **Críticas**, 2004 **Los genios no nacen, se hacen!** Camilo F. Cruz, 2003 Best selling author Camilo Cruz describes how every individual can become a genius by programming mind to succeed and be happy. **Los genios no nacen--se hacen!** Camilo F. Cruz, 2008
