INTRODUCTION The Pr sages in this book were written by Michel de Nostredame Nostradamus beginning in the year 1555 A D Many people have heard about the famous Centuries of Nostradamus as they have been in print for about 500 years However few people have been interested enough to discover the depth of the Pr sages of Nostradamus You are about to embark on a mystical journey wherein you will discover the intimate and very real world of how angels and demons interact with humanity God directs the course and destiny of life and what is revealed in these secret deciphered journals long buried within the Pr sages of Nostradamus will provide tangible proof of the existence of the Divine forces and their purpose in working within humans Of utmost importance in understanding the Pr sages of Nostradamus and their intended purpose is the knowledge of how this material is presented The Pr sages were originally written by Nostradamus coded into ciphertext that when read straightforward on the surface can be seen as general prophecies that were printed in almanacs from the year 1555 A D to 1567 A D There is considerable history available about these Pr sages for interested researchers However the mystical spiritual journey begins when you truly understand the full intent of all of the writings of Nostradamus the Pr sages the Sixains and the Centuries and how they were designed to support each other The prophecies in the surface verses alone serve a valid purpose In addition these writings hide the same secret ciphered legend The secret legend is encoded into the original written verses of the three mentioned writings of Nostradamus and this current work reveals the first volume of that deciphered secret legend
