The Dysfunctional Church

Michael H. Crosby, 2011-04-01 Reduced to its simplest form The Dysfunctional Church maintains that The Catholic church is an addict an institutional addict It s addicted to preserving the male celibate clerical model of the church Many Catholics exhibit patterns of classic codependency which reinforce this addiction The result is a dysfunctional church unable to confront a problem many members know is there Michael Crosby breaks the silence to talk openly about the abuse of authority in the Catholic church He does this in a way that offers comfort hope and challenge to the frustrated but caring members of its family He traces the historical gathering of powers by the

hierarchy into its own hands and its ramification for today Applying the approach that Matthew s Jesus took to the church leaders of his day Crosby brings the discerning light of scripture into the dark corners of growing addiction The Dysfunctional Church is a clear loving and unequivocal intervention The author calls on church leaders and all other codependents in the church to face their addiction and seek recovery through spiritual conversion Acknowledging that he himself is a recovering codependent he invites us all to turn to God to fill the hole in our wholeness This involves coming under the authority of a higher power as well as finding support in prophetic communities modeled on the Twelve Steps For those who left the church in anger Crosby s analysis invites compassion for those who remain in frustration it offers hope and for the many who feel condemned to the church s use of authority it offers a way of recovery **Stranger at the Gate** Mel White,1995-04-01 Compelling eloquent and compassionate We learn as much about growing up in the Christian right as we do about gay life in Mel White s heartfelt and revealing memoir San Francisco Examiner Until Christmas Eve 1991 Mel White was regarded by the leaders of the religious right as one of their most talented and productive supporters He penned the speeches of Ollie North He was a ghostwriter for Jerry Falwell worked with Jim Bakker flew in Pat Robertson s private jet walked sandy beaches with Billy Graham What these men didn t know was that Mel White evangelical minister committed Christian family man was gay In this remarkable book Mel White details his twenty five years of being counseled exorcised electric shocked prayed for and nearly driven to suicide because his church said homosexuality was wrong But his salvation to be openly gay and Christian is more than a unique coming out story It is a chilling exposé that goes right into the secret meetings and hidden agendas of the religious right Told by an eyewitness and sure to anger those Mel White once knew best *Stranger at the Gate* is a warning about where the politics of hate may lead America a brave book by a good man whose words can make us richer in spirit and much wiser too *Word-Filled Women's Ministry* Gloria Furman,Kathleen Nielson,2015-07-15 The Bible is clear that women as well as men are created in God s image and intended to serve him with their lives But what does this look like for women in the church Helping church leaders think through what a Bible centered women s ministry looks like this collection of essays by respected Bible teachers and authors such as Gloria Furman Nancy Guthrie and Susan Hunt addresses a variety of topics relevant to women Whether exploring the importance of intergenerational relationships the Bible s teaching on sexuality or women s roles in the church and the home this book of wise teaching and practical instruction will become a must have resource for anyone interested in bolstering the health and vitality of Christian women in the context of the local church *The Christian Road Less Traveled* Mark R.
