Lost Wisdom Rethinking Modernity In Iran:

Lost Wisdom Abbas Milani, 2004 In the essays collected here Abbas Milani uses an impressive array of cross disciplinary Western and Iranian theories and texts to investigate the crucial question of modernity in Iran today He offers a wealth of new insights into the thousand year old conflict in Iran between the search for modernity and the forces of religious obscurantism The essays trace the roots of Shiite Islamic fundamentalism and offer illuminating accounts of the work of Iranian intellectuals both men and women and their artistic movements as they struggle to find a new path toward a genuine modernity in Iran that is congruent with Iran's rich cultural heritage This book challenges the hitherto accepted theory that modernity and its related concepts of democracy and freedom are Western in essence It also demonstrates that Iran and the West have more that brings them together than separates them in their search for such modern ideals as rationalism the rule of law and democracy

Modernity, Sexuality, and Ideology in Iran Kamran Talattof, 2011-06-01 In Iran since the mid nineteenth century one issue has been a common concern how should Iran become modern More than a century of struggle for or against modernity has constituted much of the social political and cultural history of the country In the decades since the 1979 Revolution the question has become even more critical In *Modernity Sexuality and Ideology in Iran* Talattof finds that the process of modernity never truly unfolded due in large part to Iran's reluctance to embrace the seminal subjects of gender and sexuality Talattof's approach reflects a unique look at modernity as advancement not only in industry and economy but also toward an open intellectual discourse on sexuality Exploring the life and times of Shahrzad a dancer actress filmmaker and poet Talattof illuminates the country's struggle with modernity and the ideological traditional and religious resistance against it Born in 1946 she performed in several theater productions became an acclaimed film star in the 1970s and pursued a career as a journalist and poet Following the revolution she was imprisoned and eventually became homeless on the streets of Tehran Her success and eventual decline as a female artist and entertainer illustrate the conflict

between modernity and tradition and Iran's failure to embrace an overt expression of sexuality Talattof also profiles several other female artists of the 1970s analyzing their lives and work as windows through which to examine what Iranian culture allowed and what it repudiated A pioneering and timely work *Modernity Sexuality and Ideology in Iran* explores the integral role of popular culture and female artists in the shaping of modern Iran constructing a new framework for understanding such crucial concepts as ideology and modernity **Orientalism Versus Occidentalism** Laetitia Nanquette,2017-02-28

This book highlights the role of cultural representations and perceptions such as when Iran is represented in the French media as a rogue state obsessed with its nuclear programme and when France is portrayed in the Iranian media as a decadent and imperialist country Here Laetitia Nanquette examines the functions processes and mechanisms of stereotyping and imagining the other that have pervaded the literary traditions of France and Iran when writing about each other She furthermore analyzes Franco Iranian relations by exploring the literary traditions of this relationship the ways in which these have affected individual authors and how they reflect socio political realities With themes that feed into popular debates about the nature of Orientalism and Occidentalism and how the two interact this book will be vital for researchers of Middle Eastern literature and its relationship with writings from the West as well as those working on the cultures of the Middle East

dramatic rise and fall and his role in the creation of the contemporary Islamic Republic Though his monarchy was toppled in 1979 and he died in 1980 the life of Mohammad Reza Shah Pahlevi the last Shah of Iran continues to resonate today Here internationally respected author Abbas Milani gives us the definitive biography more than ten years in the making of the monarch who shaped Iran s modern age and with it the contemporary politics of the Middle East The Shah s was a life filled with contradiction as a social reformer he built schools increased equality for women and greatly reduced the power of the Shia clergy He made Iran a global power courting Western leaders from Churchill to Carter and nationalized his country s many natural resources But he was deeply conflicted and insecure in his powerful role Intolerant of political dissent he was eventually overthrown by the very people whose loyalty he so desperately sought This comprehensive and gripping account shows us how Iran went from politically moderate monarchy to totalitarian Islamic republic Milani reveals the complex and sweeping road that would bring the U S and Iran to where they are today **The Politics of Nationalism in Modern Iran**

‘Ali Mir‘Anşari,2012 **Too Many to Jail** Mark Bradley,2014-11-21 In 1979 there were fewer than 500 known Christians from a Muslim background in Iran Today there are at least 100 000 believers Church leaders believe that millions can be added to the church in the next few years such is the spiritual hunger that exists The religious violence that accompanied the reign of President Ahmadinejad drained its perpetrators of political and religious legitimacy and has opened the door to other faiths This book sets the rapid church growth in Iran in the context of the deteriorating relationship between Iranians and their national religion There is a major focus on the Ahmadinejad years but the author also covers the history of the church before 1979 picking up on the central idea that the spark may have become buried in the ashes but has never been extinguished The book is careful proportionate well informed and accurate Throughout the text there will be boxes with stories of faith persecution and encouragement Taken for Wonder Naghmeh Sohrabi,2012-05-17 Taken for Wonder

Domesticity and Consumer Culture in Iran Pamela Karimi, 2013-05-29 Examining Iran s recent history through the double lens of domesticity and consumer culture Domesticity and Consumer Culture in Iran demonstrates that a significant component of the modernization process in Iran advanced beyond political and public spheres On the cusp of Iran s entry into modernity the rules and tenets that had traditionally defined the Iranian home began to vanish and the influx of new household goods gradually led to the substantial physical expansion of the domestic milieu Subsequently architects designers and commercial advertisers shifted their attention from commercial and public architecture to the new home and its contents Domesticity and consumer culture also became topics of interest among politicians Shiite religious scholars and the Left who communicated their respective views via the popular media and numerous other means In the interim ordinary Iranian families who were capable of selectively appropriating aspects of their immediate surroundings demonstrated their resistance toward the officially sanctioned transformations Through analyzing a series of case studies that elucidate such phenomena and appraising a wide range of objects and archival documents from furnishings appliances architectural blueprints and maps to photographs films TV series novels artworks scrapbooks work logs personal letters and reports this

book highlights the significance of private life in social economic and political contexts of modern Iran Tackling the subject of home from a variety of perspectives Domesticity and Consumer Culture in Iran thus shows the interplay between local aspirations foreign influences gender roles consumer culture and women s education as they intersect with taste fashion domestic architecture and interior design
