The Doctrine of Endless Punishment William Greenough Thayer Shedd,1886 At the request of the editor of the North American Review the author of this book prepared an argument in defense of the doctrine of Endless Punishment which was published in the number of that periodical for February 1885 It was agreed that the writer should have the right to republish it at a future time Only the rational argument was presented in the article The author now reproduces it adding the biblical argument and a brief historical sketch Every doctrine has its day to be attacked and defended Just now that of Eternal Retribution is strenuously combated not only outside of the church but to some extent within it Whoever preaches it is said by some not to preach to the times As if the sin of this time were privileged and stood in a different relation to the law and judgment of God from that of other times Neither the Christian ministry nor the Christian church are responsible for the doctrine of Eternal Perdition It is given in charge to the ministry and to the church by the Lord Christ himself in his last commission as a truth to be preached to every creature Speaking generally those who believe that there is a hell and intelligently fear it as they are commanded to do by Christ himself will escape it and those who deny that there is a hell and ridicule it will fall into it Hence the minister of Christ must be as plain as Christ as solemn as Christ and as tender as Christ in the announcement of this fearful truth
