Authentic Dr. Rob Reimer,2024-09-26 How do we develop a deep lasting intimacy with God One of the problems with being a Christ follower is that we can substitute religious expressions and religious behaviors for authentic experiences and encounters without even know we are doing it The longer we go to church the more we know the right words to say and the right things to do but we can easily say those words and do those things without transformational intimacy with Jesus We can start with significant transformational encounters with God and end up with dusty old religion In Authentic we will explore the following What is religion and how do we avoid falling into its traps and snares How does intimacy with God and people work How do we develop depth with God and sustain it over a lifetime What are the practices and attitudes that we can develop to help us draw near to God so we can learn to live an authentic spiritual life in Christ We don t want to settle for the counterfeit when Jesus offers us abundant life

The God of Intimacy and Action Mary Albert Darling,2019-03-05 Acclaimed evangelical speaker and writer Tony Campolo teams up with spiritual director and teacher Mary Albert Darling to reveal some gems from the liturgical Christian tradition to Protestants who may be ready for a refreshing change While steeped in their own evangelical tradition the authors are not afraid to venture back into Christian history and reclaim practices that have long been considered exclusively Catholic including Centering Prayer along with works by Ignatius Loyola and Catherine of Siena as excellent spiritual tools to help evangelicals grow in faith and love for the poor A vital theme in Campolo and Darling s work is that spirituality is not solely an individualistic practice but must lead Christians to love and help the oppressed True Christian mysticism they posit is not an either or proposition That s because the nexus between evangelism and justice is to be found in Christian mysticism
