Loved By Choice True Stories That Celebrate Adoption:

Loved By Choice Susan Horner, Kelly Fordyce Martindale, 2002-03-01 *Loved by Choice* offers a clear and uplifting look at adoption from virtually every perspective. It is comprised of true stories that reflect the joys and the difficulties of those touched by adoption. Families working out an overseas adoption, those creating interracial families, grandparents, birth mothers, and even birth fathers are among the many who tell their stories. Two appendices define adoption terms and outline resources that will be helpful to those exploring adoption. The emphasis of *Loved by Choice* though is to demonstrate how adoption can complete a family. It is a poignant celebration of adoption led by those who understand it best. This book's pro-life positive and upbeat message will be a welcomed source for women facing pregnancy choices, anyone working with unwed mothers, adoptees, adoption advocates, pro-life advocates, couples considering adoption, and anyone else interested in stories that celebrate adoption. It is an ideal book for bookstores and libraries to display in November, which is Adoption Awareness Month. *Loved by Choice* will also be popular at the many adoption-related conferences, book readings, and fairs that take place around the world.

20 Life-Transforming Choices Adoptees Need to Make, Second Edition Sherrie Eldridge, 2015-03-21 Adoption authority Sherrie Eldridge offers personal life-affirming advice to adoptees who have mixed emotions about adoption. *Twenty Things Adopted Kids Wish Their Adoptive Parents Knew* Sherrie Eldridge, 2009-10-07 Birthdays may be difficult for me. I want you to take the initiative in opening conversations about my birth family. When I act out my fears in obnoxious ways, please hang in there with me. I am afraid you will abandon me. The voices of adopted children are poignant questioning. And they tell a familiar story of loss, fear, and hope. This extraordinary book, written by a woman who was adopted herself, gives voice to children's unspoken concerns and shows adoptive parents how to free their kids from feelings of fear, abandonment, and shame. With warmth and candor, Sherrie Eldridge reveals the twenty complex emotional issues you must understand to nurture the child you love that he must grieve his loss now if he is to receive love fully in the future that she needs honest information about her birth family, no matter how painful the details may be, and that although he may choose to search for his birth family, he will always rely on you to be his parents. Filled with powerful insights from children, parents, and experts in the field, plus practical strategies and case histories that will ring true for every adoptive family, *Twenty Things Adopted Kids Wish Their Adoptive Parents Knew* is an invaluable guide to the complex emotions that take up residence within the heart of the adopted child and within the adoptive home. *Journey to the Fatherless* Lawrence E. Bergeron, 2012-02 The Journey will challenge you to find the kind of life you have always wanted to discover. Tom Davis, President of Children's Hope Chest and author of *Fields of the Fatherless*, *Scared*, and *Priceless*. The global orphan crisis is too serious to ignore. The biblical call is to plain to miss. I'm thrilled to see *Journey to the Fatherless*. Tony Merida, author of *Orphanology* and Lead Pastor, Imago Dei Church and Associate Professor of Preaching, Southeastern Baptist Theological Seminary. The Journey will move a church from thinking to action in responding to the needs of fatherless children. Jayne

Schooler author of Wounded Hearts Healing Homes and The Whole Life Adoption Book The Journey to the Fatherless is life changing Paparao Yeluchuri President Missions to the Nations India DOES THE CHURCH CARE FOR THE WORLD S CHILDREN The evidence on display tells a troubling story with an ever increasing number of orphans in the world kids aging out of foster care AIDS babies in Africa and toddlers in Haiti whose hair has turned orange from severe protein deficiencies What makes this situation especially tragic is that given our wealth talent and resources the Church can be a powerful agent of change and we have the biblical mandate to do so Do Christians have a responsibility to intercede for and sacrifice their resources for vulnerable children What happens to the Church when we do And when we don t How do we begin The Journey to the Fatherless is written by a former agnostic corporate executive and inventor who was chased down by the Hound of Heaven God then took him to the fields of the fatherless so he could experience what breaks the heart of God What he discovered in serving the least of these has been captured for the Church to use to prepare others for their journey The Journey takes the reader beyond Fields of the Fatherless and The Hole in Our Gospel into a deeper understanding of the problem and the biblical call to action What is the Doctrine of Adoption?
