*Chiron in Love: The Astrology of Envy, Rage, Compassion and Wisdom* Liz Greene, 2023-09-20 This book is based on a seminar originally given by Liz Greene in 2005 entitled *Chiron in Love* because Chiron's story is most clearly and poignantly enacted in our most personal exchanges with the people closest to us It includes a background of mythic material about Chiron that can help to shed light on the interaction between Chiron in one horoscope and the planets and angles in another In 2020 during the height of the Covid pandemic Liz gave three further online seminars to explore the relationship between Chiron and the global outpouring of helplessness fear rage polarisation and apparently obsessive determination to find scapegoats that has emerged as a result of the pandemic and its psychological consequences Sections of these more recent seminars have been amalgamated with the original seminar resulting in a broad spectrum of themes all related to the central core of Chiron's myth and meaning Ways of permanently healing Chiron's wound and saving the world are not included Instead the emphasis is on the individual and the necessity of working as honestly and insightfully as possible with the feelings of envy rage bitterness and potential wisdom and compassion reflected by Chiron's complex story Astrology students of all levels will find Liz Greene's insights invaluable in working with this paradoxical and challenging astrological symbol

**Morality : Its Nature and Justification**

Bernard Gert Stone Professor of Intellectual and Moral Philosophy, 1998-07-31 Bernard Gert's classic work *Morality* in which he argues his distinctive and comprehensive moral theory is now in its sixth edition Gert argues that morality is an informal system that does not provide answers to every moral question but does always limit the range of morally acceptable options and so explains why some moral questions cannot be resolved Gert describes the two step procedure that is used in moral decisions and judgments and he shows that moral rules cannot be understood independently of the system in which they are embedded Although his moral theory is sophisticated it is presented with a clarity that will appeal to undergraduate and graduate students alike as well as anyone with a general interest in applied ethics In this new edition Gert perfects the

consistency of his views by presenting his argument in greater detail he also revises the text in light of a critical book and two symposia dedicated to his theory that have surfaced since the book's last publication This is the definitive edition to the work that has received so much attention and acclaim      **Love Is . . .** Les and Leslie Parrott, 2009-12-15 For those who want to grow in the art of loving well Reflections on 1 Corinthians 13 featuring 16 different translations and paraphrases of the Bible's beloved Love Chapter      **Love Me Anyway** Jared C. Wilson, 2021-09-21 There may be no more powerful desire in the human heart than to be loved And not just loved but loved anyway In spite of what we've done or left undone in spite of the ways we have failed or floundered We long for an unconditional lavish love that we know intrinsically we don't deserve If you are tired sad yet always longing bestselling author Jared C Wilson has incredible news for you that kind of love actually exists and it is actually something you can experience whether or not you're in a romantic relationship In his signature reflective conversational and often humorous style Wilson unpacks 1 Corinthians 13 to show us what real love looks like Through engaging stories and touching anecdotes he paints a picture of an extravagant God who not only puts the desire for love into our very souls but fulfills those desires in striking life-changing ways      **Our Lady Says: Love People** Albert Joseph Mary Shamon, 2003-06 No doubt the word love is the most misused and misunderstood word in American society The word love has been used to justify crimes against God and nature It is often considered synonymous with lust What is love to the Christian Father Shamon goes to great lengths to explain what love is by focusing on St Paul's description in 1 Corinthians 13 4-7 there are in the end three things that last faith hope and love and the greatest of these is love A beautiful guide for those seeking insight into Christian love      **Improvement of the Understanding** Benedictus de Spinoza, 1901
