## Lovers Crossing:

**Lovers Crossing** James C. Mitchell, 2003-07-17 Featuring Roscoe Brinker border detective Crossing the Swell Tori Holmes, Paul Gleeson, 2011-02-15 That first day is hard The hands begin to cramp drops of blood start oozing through your fingertips In 2003 Tori Holmes a 21 year old from Alberta Canada and Paul Gleeson a 29 year old financial advisor from Limerick Ireland met in Australia when Holmes answered an ad to drive the support vehicle for Gleeson's 5 000 kilometre cycling trek across that country During their first adventure together Gleeson fell hard both off his bike and for the woman driving the car Once Australia was behind them it became clear that crossing a continent together was simply not enough Acting on self assured determination and an ever growing sense of adventure Gleeson and Holmes embraced the dream of rowing a tiny boat across the vastness of the Atlantic Ocean in the 2005 06 Trans Atlantic Race Of course neither of the young adventurers knew how to row so they connected and trained with the only Irishmen ever to have completed the same race Eamonn and Peter Kavanagh In November 2005 after months of training Paul and Tori left the Canary Islands to row 4 800 kilometres across the Atlantic In February 2006 they completed their epic journey after 86 days of huge seas violent storms terrifying capsize unbearable thirst bizarre hallucinations and sleep deprivation Along the way however during one of the darkest moments in the race inspiration came in the form of an unseen yet completely perceptible presence Old seafaring lore has several theories as to what this might have been but both adventurers are keeping their minds open on it Part inspirational adventure story part travelogue and part romance *Crossing the Swell* is an honest and intimate portrayal of what it takes to truly engage in the many adventures that life has to offer *Creativity* Ry Stan Lai, 2025-11-04 Asia's legendary playwright director Stan Lai has written one of the unique works of our time explaining that the mysterious act of creativity is actually a traceable function of mind and there is a path to learn creativity through unlearning many of our habits picked up in life His special map as well as tailor made exercises lays out an awe inspiring yet practical guide from a lifetime of creative work revered in Asia by artists and business leaders alike Through his extensive experience the greatest living Asian playwright shows us how to cultivate a creative app that works within us Matthieu Ricard says Stan Lai teaches us how to see and how to do Praised by Jack Ma Ang Lee and other luminaries this book is a rewrite by the author of his book that is the most prominent work on creativity in China having sold over 700 000 copies Robert Wilson calls the work foundational support for arts and culture Stan Lai is uniquely qualified to write on creativity because he not only has four decades of creative experience widely acclaimed as the greatest playwright in the Chinese language but is also a dedicated educator Shannon Jackson calls the work A must read from an internationally renowned artist Can creativity be taught Most of the books and training in this area deal with skills for jumpstarting alternative thinking brainstorming and other exercises but do not deal with creativity itself They don't tackle the obvious question What is creativity and how can I get it As one of the world's leading artists Lai explains that the reason we don't think creativity can be taught is that we don't really

understand what happens in the mysterious process By slowing down the moment of inspiration Lai lets us see exactly the elements involved in this complex process that lasts only an instant Then he shows you how to prepare for this moment through his unique Map of Creativity This is a whole path of training in creativity which he explains clearly and humour and compassion and tailor made exercises Travis Preston says Stan Lai guides us to the center of the creative moment and the ultimate unity of the spiritual and physical worlds Creativity is a milestone in understanding and learning the creative act Born in America raised in Taiwan with a career spanning the Chinese diaspora Lai believes that we are all born creative but the source to creativity has been blocked by life How to take down the barriers that are blocking the source from us is a task of unlearning many things that have become habits and put us into a so called non creative mode Taking his cue from his Buddhist training that wisdom and method are both needed for success in any endeavour he explains how wisdom has mysteriously vanished from education systems all over Most teaching in creativity focuses on method which one learns in one's art But we need another type of training more urgently the training for wisdom which can only happen in the domain of life To do you must first be To discover your creativity you must first discover yourself Octavian Saiu says This book is not a manual but a statement of belief an enduring message about how each of us can go beyond our limits *Love Pistols, Vol. 11 (Yaoi Manga)* Tarako Kotobuki, 2024-01-23 Norio is ecstatic that Kunimasa is finally back from his business overseas especially since the gossip mags kept running articles about his engagement to foreign princes But his joy at seeing his boyfriend again quickly turns sour when Kunimasa demands to know what Norio likes about him before removing the blind he placed on Norio Now that Norio can finally see Kunimasa as he really is will a happy reunion become the worst night of Norio's life VIZ Media *The Nuggets of Carriconna* Tighe Hopkins, 1891 **That's the Way It Is** Molly Stringer, 2016-03-23 Memories flood my mind as I reminisce how my journey has been a lifetime of happenings that speak to my soul with lessons that can be applied to our daily lives These memories are conjured up at odd and sometimes inconvenient times As I sat in church last Sunday and the pastor began his message my mind captured a thought of bygone days that spoke loud and clear to my mind and I scrambled in my bag for a pen and paper to put my thoughts down Brother Tim must have thought he had really said something profound and he did but I did not write that down It is my hope that all who read my memories and the lessons that I glean from them will take them to heart and identify with them and feel happiness insight and perhaps laughter as they share my memories and truths **Collection of Auction Catalogs on Japanese Art** Arthur Baldwin Duel, 1922 The Souls of Dumah Mark Thornton, 2000-12-22 What if it were possible to experience life after death without dying To actually see what happens to another person's soul after death That is the goal of Dr Miles VanBurin a wealthy surgeon with an obsession for uncovering the secrets of the human soul The Annual Biography and Obituary for the Year ..., 1820 The Criminal Child Jean Genet, 2020-01-21 The Criminal Child offers the first English translation of a key early work by Jean Genet In 1949 in the midst of a national debate about improving the

French reform school system Radiodiffusion Fran aise commissioned Genet to write about his experience as a juvenile delinquent He sent back a piece that was a paean to prison instead of the expected horrifying expos Revisiting the cruel hazing rituals that had accompanied his incarceration relishing the special argot spoken behind bars Genet bitterly denounced any improvement in the condition of young prisoners as a threat to their criminal souls The radio station chose not to broadcast Genet s views The Criminal Child appears here with a selection of Genet s finest essays including his celebrated piece on the art of Alberto Giacometti

search gains in intensity and purpose as she travels to East Jerusalem There she encounters the walls that prevent Palestinians from moving freely through the West Bank After an Alice in Wonderland like journey past numerous obstacles Sonya finally makes it to her lover s house This second encounter leads Sonya to a central revelation the identity of her father As this day of awakened desire and dispelled secrets closes Sonya is able to step out from under the protective wing of her brother into a life that reflects both the ambiguity and uncertainty of contemporary Israel and her own personal possibilities

**Stolen Limelight** Margaret E. Gray,2022-05-15 Who has not in a favored moment stolen the limelight whether inadvertently or by design The implications of such an act of display its illicitness its verve its vertiginous reversal of power its subversiveness are explored in this book Narrative crafting and management of such scenarios are studied across canonical novels by Gide Colette Mauriac and Duras as well as by African Francophone writer Oyono and detective novelist Japrisot As manipulated within narrative acts of display position a viewer or reader from whom response from veneration or desire to repugnance or horror is solicited but this study demonstrates that display can also work subversively destabilising and displacing such a privileged spectator As strategies of displacement these scenarios ultimately neutralise and even occult the very subject they so energetically appear to solicit Powered by gendered tensions this dynamic of display as displacement works toward purposes of struggle resistance or repression

**The Phenomenology of Love and Reading** Cassandra Falke,2018-05-31 The current revival of interest in ethics in literary criticism coincides fortuitously with a revival of interest in love in philosophy The literary return to ethics also coincides with a spate of neuroscientific discoveries about cognition and emotion But without a philosophical grounding this new work cannot speak convincingly about literature s relationship to our ethical lives Jean Luc Marion s articulation of a phenomenology of love provides this philosophical grounding The Phenomenology of Love and Reading accepts Jean Luc Marion s argument that love matters for who we are more than anything more than cognition and more than being itself Cassandra Falke shows how reading can strengthen our capacity to love by giving us practice in love s habits attention empathy and a willingness to be overwhelmed Confounding our expectations literature equips us for the confounding events of love which Falke suggests are not rare and fleeting but rather constitute the most meaningful and durable part of our everyday life

Wyatt,1999-06-03 There is a long held view that Wordsworth s inspiration dried up before the age of forty This book opposes that view by examining the substantial body of poetry written after his fiftieth year The argument is that in order to appreciate this work much of which was inspired by itineraries in Britain and in Europe we have to read the poems as they were first published By adopting the perspective of the contemporary reader Wordsworth s grand design can be appreciated      *The Publishers Weekly* ,1914      Transactions Burnley Literary and Scientific Club,1895
