Lovers And Tyrants:

Lovers and tyrants Francine du Plessix Gray,1976-10-15 Follows the life loves and desperations of Stephanie from her childhood in France through her schooling affairs and marriage in the United States and an unconventional relationship with a younger man to her confrontation with death **Shakespearean Illuminations** Marvin Rosenberg,1998 Topics in this collection include discussions of acting the Big Four as well as studies on politics language and history **Major 20th-century Writers** ,1991 **Love among the Ruins** Victoria Wohl,2009-02-09 Classical Athenian literature often speaks of democratic politics in sexual terms Citizens are urged to become lovers of the polis and politicians claim to be lovers of the people Victoria Wohl argues that this was no dead metaphor Exploring the intersection between eros and politics in democratic Athens Wohl traces the private desires aroused by public ideology and the political consequences of citizens most intimate longings Love among the Ruins analyzes the civic fantasies that lay beneath but not necessarily parallel to Athens s political ideology It shows how desire can disrupt politics and provides a deeper at times disturbing insight into the democratic unconscious of ancient Athens The Athenians imagined the perfect citizen as a noble and manly lover But this icon conceals a multitude of other possible figures sexy tyrants potent pathics and seductive perverts Through critical re readings of canonical texts Wohl investigates these fantasies which seem so antithetical to Athens s manifest ideals She examines the interrelation of patriotism and narcissism the trope of politics as prostitution the elite suspicion of political pleasure and the status of perversion within Athens s sexual and political norms She also discusses the morbid drive that propelled Athenian imperialism as well as democratic Athens s paradoxical fascination with the joys of tyranny Drawing on contemporary critical theory in original ways Wohl sketches the relationship between citizen psyche and political life to illuminate the complex frequently contradictory passions that structure democracy ancient and modern **The Communism of Love** Richard Gilman-Opalsky,2020-12-01 Exploring the meanings and powers of love from ancient Greece to the present day Richard Gilman Opalsky argues that what is called love by the best thinkers who have approached the subject is in fact the beating heart of communism understood as a way of living not as a form of government Along the way he reveals with clarity that the capitalist way of assigning value to things is incapable of appreciating what humans value most Capitalism cannot value the experiences and relationships that make our lives worth living and can only destroy love by turning it into a commodity The Communism of Love follows the struggles of love in different contexts of race class gender and sexuality and shows how the aspiration for love is as close as we may get to a universal communist aspiration **Kings, Lovers and Tyrants, Etc. [With Illustrations.]** John MAYNARD,1956 **The Queen's Lover** Francine Du Plessix Gray,2012-06-14 A spellbinding and deeply intelligent historical novel about Marie Antoinette on the eve of the French Revolution The Washington Post Through the untold love story between Marie Antoinette and Swedish aristocrat Axel von Fersen acclaimed author Francine du Plessix Gray weaves history with romance in a captivating novel that also offers a fresh

vision of the French Revolution Paris 1774 The dashing nobleman meets nineteen year old Marie Antoinette at a masquerade ball As their relationship deepens at Versailles Fersen discovers the court s secrets even the startling erotic details of Marie Antoinette s marriage But this intimacy is disrupted when he leaves to join the American Revolution When he returns in 1783 he finds France on the brink of disintegration After the Revolution of 1789 the royal family is moved to the Tuileries and suffers increasingly harsh captivity After a failed attempt to liberate them Fersen goes home to Sweden where he soon meets his own tragic end his fate is symbolic of the violent pace with which of the eighteenth century s events transformed European culture
