Come What May The Point Is Whether Tagore S English Translations Are Good Or Bad Whether The Translation Furthered His Reputation Or Damaged It Is Immaterial The Fact Of The Matter Is That They Are His And His Own Translation Of Whatever Quality It May Be Is More Valuable To A Tagore Lover Than The Best Translation Made By Somebody Else As Van Gogh S One Original Single Scratch Is More Valuable Than The Best Possible Copy By Some Other Artist The Value Of Tagore S English Writings Lies Here They Constitute An Important Part Of His Total Oeuvre Add A New Magnificent Dimension To It And Offer Us A Glimpse Into The Mystique Of The Creative Anxiety That Could Have Haunted Even The Greatest Writer Of The Twentieth Century About His Possible Reception In An Alien Culture *Performing Opera* Michael Ewans,2016-02-25 In *Performing Opera A Practical Guide for Singers and Directors* Michael Ewans provides a detailed and practical workbook to performing many of the most commonly produced operas Drawing on examples from twenty four operas ranging in period from Gluck and Mozart to Britten and Tippett it illustrates exactly how opera functions as dramatic form Grounded in close analyses of performances of thirty scenes and five whole operas by first rate singers and celebrated directors *Performing Opera* provides readers with an appreciation of the unique challenges and skills required by performers and directors It will assist them in their own performance and equip them with detailed knowledge of works most commonly featured in the repertoire In the first part of the book the analysis progresses from scenes in which the singers are silent via arias and monologues duets and confrontations up to ensembles Wider issues are subsequently addressed encounters with offstage events encounters with the numinous characterization and the sense of inevitability in tragic opera *The Book of Love* Elsa Barker,1912 ***Treatise On the Love of God*** St. Francis de Sales,1988-06 Masterful combination of theological principles and practical application regarding divine love the subject of Our Lord s first and greatest commandment Based on Scripture the Fathers St Thomas An acknowledged classic which goes to the heart of our religion *Moved by Love* Mary D. Sheriff,2008-10-30 In eighteenth century France the ability to lose oneself in a character or scene marked both great artists and ideal spectators Yet it was thought this same passionate enthusiasm if taken to unreasonable extremes could also lead to sexual deviance mental illness even death Women and artists were seen as especially susceptible to these negative consequences of creative enthusiasm and women artists doubly so Mary D Sheriff uses these very different visions of enthusiasm to explore the complex interrelationships among creativity sexuality the body and the mind in eighteenth century France Drawing on evidence from the visual arts literature philosophy and medicine she portrays the deviance ascribed to both inspired men and women But while various mythologies worked to normalize deviance in male artists women had no justification for their deviance For instance the mythical sculptor Pygmalion was cured of an abnormal love for his statue through the making of art He became a model for creative artists living happily with his statue come to life No happy endings though were imagined for such inspired women writers as Sappho and Heloise who burned with erotomania their art could not quench Even so Sheriff demonstrates the perceived connections among sexuality creativity and disease also opened
