The Author of Love Joc Anderson,2011-07-08 Throughout history God has been depicted variously as a judgmental tyrant a grand conciliator and

even as a rather low key comic portrayed by the cigar smoking George Burns in the movie Oh God The question that's begging to be answered is Who is God This devotional evolved out of one person's desire to portray God in a truer light In the Book of Job God reprimanded Job's friends for failing to speak truthfully about Him They misrepresented His character Job on the other hand understood His Maker and was therefore the single voice of truth in an otherwise corrupt world Can you honestly say that you know your Creator Can you speak truthfully about Him This devotional will help you get to know the real God who is neither the judgmental tyrant nor the light weight movie character He is if nothing else a God of love and compassion At the conclusion of your devotionals I have formulated a Love Quotient L Q test to measure the depth of your love The questions are designed to be thought provoking and insightful You may also find them a bit daunting and uncomfortable Answer each question according to your beliefs There are no wrong or right answers It is my hope you'll find this little exercise revealing and instructive of how you love The answers and Key is also included Your heart is what you're all about May you understand God's love for you *The promise of love* Peerzada Salim, Rafiq Qurashi, 2022-02-17 This is an Anthology book compiled by Peerzada Salim Rafiq Qurashi from Kashmir a place popularly known as Paradise on Earth He chose this title for his book because he believes that there are words in the heart of every person which are unuttered or unspoken or unheard He also says that some people are shy due to which they are unable to speak up or share their thoughts their talent with others So he wanted to dig their talent out by providing them with the opportunity to jot down those words thoughts in this book to let people explore This book contains the write up of almost 30 writers who pen down their inner potential thoughts emotions in the form of Short Stories Poetry Articles and Research Papers Hope this contribution and drudgery of the Compiler and all the writers get a great success Peerzada Salim Rafiq Qurashi **True Love:** Judy Davoust Ph.D., 2025-04-30 In her second book Davoust enrolls us in a master class in love She explores the meanderings taken by a multitude of hearts as they search for the elixir of true love The book is an easy read divided into the causative hearts which detour us from our goal and the curative hearts which successfully enable us to achieve the experience of the yearned after love that soothes and is real The journey weaves psychology and metaphysical spirituality throughout the narrative We are entertained and well instructed via the author's personal experiences and those of selected patient stories Davoust presents a refreshing naked honesty that engages the reader and tutors us with compassion and sincerity True love becomes a reachable and satisfying goal as we journey with an all together fascinating teacher *Love, Laughter, and Death* Charles Wayne, 2010-08-26 Love Laughter and Death is a collection of freestyle poetry Love Laughter and Death encourages the reader to travel through the corridors of their own mind while exploring romance immortal love laughter and the pains of death Written at times raw but always with the passion that flows through the writer From start to finish this collection of poems will provoke your mind to try to understand that love stands ominously over every broken heart laughter soothes the spirit and in the end death takes it all away Love and Vulnerability Pelagia Goulimari, 2021-05-15 Love and Vulnerability

Thinking with Pamela Sue Anderson developed out of the desire for dialogue with the late feminist philosopher Pamela Sue Anderson's extraordinary previously unpublished last work on love and vulnerability. The collection publishes this work for the first time with a diverse multidisciplinary international range of contributors responding to it to Anderson's oeuvre as a whole and to her life and death. Anderson's path-breaking work includes *A Feminist Philosophy of Religion* 1998 and *Re-visioning Gender in Philosophy of Religion: Reason, Love and Epistemic Locatedness* 2012. Her last work critiques then attempts to rebuild concepts of love and vulnerability. Reason, critical self-reflexivity, emotion, intuition and imagination, myth and narrative all have a role to play. Social justice, friendship, conversation, dialogue, collective work are central to her thinking. Contributors trace the emergence of Anderson's late thinking, extend her conversations with the history of philosophy and contemporary voices such as hooks and Butler and bring her work into contact with debates in theology, Continental and analytic philosophy, feminist, queer and transgender theory, postcolonial theory, African American studies. Discussions engage with the Me Too movement and sexual violence, climate change, sweatshops, neoliberalism, death and dying and the nature of the human. Originally published as a special issue of the journal *Angelaki*, this large wide-ranging collection featuring a number of distinguished contributors makes a significant contribution to the burgeoning interdisciplinary research on interpersonal relations, sympathy and empathy, affect and emotion.

That you are ready to give us a chance to say I am yours forever in combining our love with promises to fulfill our dreams with no broken feelings that will come in between us down the path to show how much that I care for you always through this life. That we both share this conversation with no hesitation just trust about us catching up with many words to say but I need you to stay next to me. Because you are everything that I had always wanted in more to lead me through happiness to forgive my mistakes about the past so let's start this future into saying that you take my breath away in there is no one like you.
