The Path of Love Ronald D. Cowen, 2015-02-05 The Buddha was a scientist Instead of using a microscope or a particle accelerator the Buddha used ESP He had several psychic powers that allowed him to perceive in detail the psychology of karma the evolution of consciousness and subatomic particles He discovered love and self love to be organizing principles that evolved early in the history of intelligent consciousness especially with regard to feelings and emotions Every person has the deepest need to love and be loved He solved the mind body problem by perceiving the physical basis of intelligent consciousness These psychic powers are acknowledged in Hindu and Buddhist scriptures but extremely few people have them This book is essentially a meditation report written by someone who has them While this sounds like an invitation to return this book to the shelf in a bookstore it also documents in depth another report by a physicist Stephen Phillips who relates in comprehensive detail the relationship between modern superstring theory and extrasensory observation of the elements of the periodic table by Annie Besant and Charles Leadbeater of the Theosophical Society This strong connection between modern physics and psychic powers of the Buddha is a real challenge to both the modern scientist and the modern Buddhist

Longing Love Poems Chanele TheRockStar,TheRockStar Books Etc,Sam Sund,2013-05-19 poems about a guy loving a girl and not telling her so he spends his days loving her ink and paper **Beauty of True Love** Vanita Godara,2022-01-06 Unconditional love is the greatest power of all David Hawkins And then there was silence Silence in the wake of a prolonged storm that has just passed and all that is left is this silence followed by peace A sense of stillness like the world is at rest everything is serene Yet the peace doesn t really last because the mind filled with ego love is a stranger to this feeling The mind feels anxious as if something is lacking and another storm is on its way which will knock down the building still standing in aftermath of the previous storm And all it is doing is resting in this ephemeral silence while inevitably peace is going to turn into utter chaos This is what the ego love dominated mind is waiting for and surely that loving peace is fading away gradually and the silence is getting replaced with cluttering self limiting thoughts Yet the heart knows that it can hold on to that loving peace forever There doesn t have to be another storm or if there is one it doesn t have to cause noise or havoc The heart knows that to live with peace for all eternity the tether to hold onto is true unconditional love And then only this silence will not be feared by the mind It will just be loved the way it really has to be The sigh of relief can become an everlasting breath of love only if the heart can remove the clutches of fear and all the negative emotions Only if the heart can connect to true love make it the only intention then all the dreams will become reality and the heart will finally be at peace full of inner convictions In this book you will be able to feel this power of unconditional true love residing in your heart As you read you will be encouraged to shift your perspective towards life from existing with ego love to that of living with true love So embark on this journey of recognising the beauty of true love by reading this wonderful collection of poems Simple yet profound these poems will inspire you to look within and connect to your true love **Soul Lovers and Soul Makers** Dr. Joe G. Vethanayagam,2015-12-29 I was raised in a city with one of the most beautiful and natural beaches I was struck by the beauty of the ocean and the way its waves pushed and pulled along the shoreline always departing but never failing to return And I witnessed how every time the ocean withdrew from the shoreline it left shells behind It happened every single time These shells could have originated from anywhere on the planet But the ocean carried those shells to that particular place where we could pick them up When we get broken we keep trying without giving up just as the ocean refuses to stop

coming Every failure teaches us some lessons Every withdrawal leaves us with some blessings We are never left empty handed as we are getting our share of seashells We collect the shells that are meant for us When we start reaching for love from within and explore our inner potential we bring our awareness into focus and discover our available abundance When our attention is placed within ourselves we do not need an outside source to make us happy to make us heal or to make us who we are meant to be Living a Life You Love Joyce Meyer,2018-04-03 You may say that you love your family your spouse your church or the Lord You may also express love for more temporal things like a good cup of coffee your home or a nice dinner at your favorite restaurant But it is rarer to truly say I love my life It s common to be more frustrated with life than at peace with it because the daily grind wears you down Responsibilities and burdens become heavy and rob you of the happiness you re meant to have as a child of God But you can be hopeful learn to rise above your challenges and be filled with wonder at what God might do every day Written by 1 New York Times bestselling author Joyce Meyer who has gone from heartache to happiness through Christ this book is the key to shifting your perspective so that you may also relish every moment and every part of life You will learn how to love life fully in spite of your obstacles and experience the happiness that is promised to you Joyce will explain Why you can t love life unless love is the central theme of it Why your attitude affects your life more than any outside circumstances How the love help and kindness you give away will come back to you immeasurably How to look to the future and keep your joy And so much more God has already blessed you with a life to love and it s time to start LIVING A LIFE YOU LOVE **Teachings on Love** Thich Nhat Hanh,2002-12-09 Thich Nhat Hanh s timeless meditations on love family and friendship with step by step practices for cultivating intimacy in your relationships Weaving together traditional stories personal experiences and a deep understanding of the Buddha s way of mindful living Thich Nhat Hanh provides step by step practices that foster understanding and intimacy in any relationship and extend our love even to those that cause us pain Teachings on Love is a treasure trove of guidance for couples co workers or friends who wish to nourish the gift and strength of their relationships and deal creatively with their weaknesses and difficulties We all yearn to experience a love that is deeper and more joyful Teachings on Love provides a time tested path that anyone can follow to nurture the deepest love in ourselves and others **Know.
