Current Literature ,1906 **Cross Current** Kenn Sherwood Roe,2008-10 Cross Current combines historical facts with real life experiences to weave a tale of friendship war and family Set on the northern coast of California Cross Current centers around two 14 year old friends Brick Burton who is white and Toby Yamoto who is Japanese American Early in world War II the Japanese Empire attempted to bring the conflict closer to America through probing subs floating explosives and later incendiary balloons which created fear and suspicion Brick and Toby's relationship has to weather storms of turmoil and discrimination towards the native Japanese living in the community The two boys witness the demise of a romance between Toby's sister Rose and their white neighbor Mike Hamilton When Mike joins the military and asks Rose to marry him they are condemned by the community and their families are in an uproar Toby and Rose's father Shiro Yamoto a successful rancher and prize winning photographer becomes a hate target rumored as a possible spy Rose breaks off her engagement to Mike and loses her job because of her race Meanwhile Brick's parents are on the verge of divorce and his family is beginning to dislike the Yamoto's in reaction to the spreading racism Armed Mr Yamoto ultimately resists internment to a relocation camp Cross Current highlights an important relatively forgotten chapter of American history and gives the reader an accurate portrayal of friendship biases and racial strife in 1940's wartime The Burdens of Intimacy Christopher Lane,1999 Why does passion bewilder and torment so many Victorian protagonists And why do so many literary characters experience moments of ecstasy before their deaths In this original study Christopher Lane shows why Victorian fiction conveys both the

pleasure and anguish of intimacy Examining works by Bulwer Lytton Swinburne Schreiner Hardy James Santayana and Forster he argues that these writers struggled with aspects of psychology that were undermining the utilitarian ethos of the Victorian age Lane discredits the conservative notion that Victorian literature expresses only a demand for repression and moral restraint But he also refutes historicist and Foucauldian approaches arguing that they dismiss the very idea of repression and end up denouncing psychoanalysis as complicit in various kinds of oppression These approaches Lane argues reduce Victorian literature to a drama about politics power and the ego Striving instead to reinvigorate discussions of fantasy and the unconscious Lane offers a clear often startling account of writers who grapple with the genuine complexities of love desire and friendship

Swinburne's The Statue of John Brute Fabio Ciambella, 2018-04-18 Wrongly believed to be a parodic divertissement by the nineteenth century English poet Algernon Charles Swinburne The Statue of John Brute reveals itself as a highly interesting intertextual universe where echoes from Shakespeare the Restoration drama Beckford Gothic fiction and many other sources of inspiration mix together in an extremely short but explosive text At the heart of this volume is an absolutely original analysis of this relatively unknown text meant to acknowledge its paramount importance as Oscar Wilde's source for his well known The Picture of Dorian Gray While trying to confute the hypotheses put forward by critics from the 1920s and 1930s who believed The Statue to be a fin de siècle parody of Wilde's Aesthetic masterpiece this study anticipates its date of composition by almost twenty years through an accurate bio literary and corpus stylistic analysis thus recognising it not as a parody but as a possible hypotext of Dorian Gray
