**The Love Challenge** T.D Murphy, 2015-04-10 Loving others as Christ has loved you can be challenging but if you want to build stronger relationships with God and others it's not an option it's a must Jesus teaches us in John 15:10-12 that remaining in His love by loving one another as He has loved us releases and increases His joy within us The joy of the Lord is our strength therefore as we continue to grow in the love of Christ we become stronger The Love Challenge is a tool to help us do just that The Love Challenge encourages us to be affirmed in the unfailing love of God in spite of our imperfections It also challenges us to love ourselves Biblically in spite of our imperfections as well as others in spite of theirs The Love Challenge also reveals how to build your relationship be it husband and wife parent and child couples engaged and dating siblings etc on the solid foundation of Biblical love God's way of loving others is the way to love His way works The 21 Day Love Challenge takes you and your loved ones on a three week journey where you pledge to strengthen your relationship by expressing eight attributes of Biblical love from 1 Corinthians 13:4-8 towards yourself one another and others each day Eight is the number of new beginnings Take your relationship into a new beginning by taking on the love challenge which is to follow Christ's example of genuine and mature love As you put the principles taught in The Love Challenge into practice you will be walking on the path to new levels of love joy spiritual growth and strength Are you ready for The Love Challenge

Jenkins,2021 A moving meditation on the hidden sometimes difficult topics we must consider to live an authentic life from the New York Times bestselling author of *To Shake the Sleeping Self* We aren't born into a self It is created without our consent built on top of our circumstances the off handed comments we hear from others and the moments that scared us most when we were young But in the busyness of our daily life we rarely get the chance to think clearly about the questions that matter most Who am I Where do I belong How much of who I am and what I do boils down to avoiding the things that make me feel small We tuck these questions into the corner of our minds but they drive our behavior far more than we give them credit for even after we become adults Writing with the passion and clarity that made his debut *To Shake the Sleeping Self* a national bestseller Jenkins makes space to explore the seven topics we must think about in order to live a deeply considered life ego family work love nature death and the soul He considers the experiences that shape us into who we are whether they're as heart pounding as a rafting trip through the whitewater of the Grand Canyon or as ordinary as the moment when we look in the mirror each morning Through it all Jenkins leads readers on a wide ranging conversation about finding fulfillment in the people and places around us and discovering the courage to show our deepest selves to the world Like *Streams to the Ocean* is a profound reflection from one of our most original writers a necessary read for anyone seeking a companion on the road to understanding
