Thomas A' Kempis

Loving Jesus:

Loving Jesus Mark Allan Powell, The essence of spirituality is loving God says Powell The Bible the Talmud and the Quran all direct their followers not merely to believe in God to trust God to obey God and to serve God but to love God But how does one do that Can we learn to love God In this biblical spirituality for today Powell's earnest plea is for Christians to revisit their faith not by blazing in religious enthusiasm but by harboring a steadier flame and deeper commitment Living at the poetic heart of faith he argues entails seeing the coordinates of religious life love understanding truth hope and especially devotion in a new way Powell espouses the old fashioned idea of piety Drawing on his wide knowledge of the Bible and Christian tradition as well as insights from his own journey he shows how simple religious practices move us beyond the old certitudes of a naive and youthful faith into the less certain but more bracing terrain of a second naivete a closer walk with Jesus

Loving Jesus Mark A. Scott, 2023-03-17 In the gospel of Saint Matthew Jesus is Emmanuel God with us or as Jesus himself puts it he is I Desire Coming I Will Heal and I Am with You Always The brief commentaries collected here initially presented by Cistercian abbot Mark A Scott in a series of chapter talks to his monastic community will welcome the reader into an intimate encounter with the love of Jesus as the evangelist Matthew presents him in chapters four through nine of his gospel These reflections also weave insights from the Rule of Benedict along with reflections on monastic life offering to all ecclesial communities and individual Christians rich nourishment for their loving Jesus in return

Loving Jesus More Philip Graham Ryken, 2014-09-30 Do you love Jesus more than your spouse Your reputation Your kids Your health Your job Your money As Christians we're called to love Jesus more than anyone or anything else But do we really do this Emphasizing that God's love for us is the source of our love for him Phil Ryken challenges us to take Jesus's words seriously and think carefully about where our affections truly lie

Loving Jesus Lloyd Elcock, 2005-09 Christians do not love Jesus enough Indeed on a scale of 1 to 10 the average Christian's love for Him scores no more than 2 That is the startling message of Lloyd David Elcock's first volume of a series of scriptural expositions that he proposes to publish under the rubric What the gentiles have done to Christianity The foundation upon which he has built that series includes the following three cornerstones Biblical Christianity can accurately and justifiably also be called Jewish Christianity After the control and direction of Biblical Jewish Christianity was passed from Jewish to Gentile hands at the beginning of the 2nd century AD the Gentiles comprehensively deformed it and 1200 years later partially reformed it The salvage and recovery of Biblical Jewish Christianity begun five hundred years ago by Luther Calvin and the other Gentile Protestant Reformers is only fifty percent completed in particular a number of the most important doctrines of Biblical Jewish Christianity are yet to be recovered and their absence from today's Evangelical Church is the principal cause of the endemic and widespread carnality and stunted spiritual growth that characterize the lives and lifestyle of the overwhelmingly vast majority of born again Christians everywhere in the western world In this first volume the author puts forward the view that one of those as yet unretrieved fundamental doctrines is the major key to the Spirit filled life of love faith and power that is the ultimate goal of both Biblical Christianity and Gentile Evangelical Christianity That key he contends is hidden in plain view in the pages of the fourteenth chapter of John's Gospel

Love Lost in Translation K. Renato Lings, 2013-06-06 Love Lost in Translation systematically examines the biblical stories and passages that are generally assumed to deal with or comment on homoerotic relationships Noah and Ham Sodom and Gomorrah Leviticus 18 22 Deuteronomy 23 17 18 Judges 19 Romans 1 26 27 and 1 Corinthians 6 9 K Renato Lings convincingly demonstrates that mistranslations of these texts into Greek Latin and other languages occurred early and that serious errors continue to be committed by translators today This explains the painful controversy about same sex relationships which has rocked Christian churches for decades Love Lost in Translation proposes a fresh approach to translating the Bible by means of linguistic and literary criteria As demonstrated throughout this ground breaking book the method enables readers to become acquainted with the literary sophistication psychological insights and spiritual depth of the Bible Combining meticulous scholarship with an accessible style Love Lost in Translation provides a much needed infusion of essential learning into a subject that affects millions of Bible readers today

Where There Is Love, There Is God Mother Teresa, 2010-08-10 Mother Teresa's relationship with God and her commitment to those she served the poorest of the poor is here powerfully explored in her own words Taken largely from her private lessons to her sisters published here for the first time Where There is Love There is God unveils her extraordinary faith in and surrender to God's will This book is in some way a sequel to Mother Teresa Come Be My Light in which her own very private spiritual struggles were explained Sent to alleviate the sufferings of the poor she assumed their struggles and pain in the depths of her heart This led to particularly intense anguish which she lived through with heroic courage and fidelity over several decades As important as this aspect of her life is that remarkable testimony of her life and her words intensifies the need and desire to know more of her thought There is much she can teach us as we face our daily struggles or sufferings which can at times be unusually severe Where There is Love There is God though not an exhaustive anthology of Mother Teresa's teaching nonetheless shows what she believed and taught about important issues that confront all people Due to her constant interaction with people of diverse backgrounds no life situation was foreign to her and in this book her role is primarily one of teacher and guide Love is perhaps the word that best summarizes Mother Teresa's life and message The title reflects what she proclaimed during her entire life God is alive present and still loves the world through you and through me Mother Teresa sought to be an extension of God's heart and hands in the world of today She was called to be a missionary of charity a carrier of God's love to each person she met especially those most in need Yet she did not think that this was a vocation uniquely hers each person is in some way called to be a carrier of God's love Through the practical and timely advice she offers Mother Teresa sets us on the path to closer union with God and greater love for our brothers and sisters

Via Della Salute. The Way of Salvation. Meditations for Every Day in the Year, Translated ... by the Rev. James Jones ,1836 **The Practical Steps to the Deeper Spiritual Life** Larry Mehaffey,2012-01-23 In attempting to more effectively communicate the principles of spiritual life to those who sincerely desire a deeper reality in their walk with Christ I have discovered that most people appreciate practical and straightforward instructions and this is especially true when it involves the mystical nature of spiritual life Although spiritual life is not meritoriously attained through natural means or human effort there are several Practical Steps that can be taken to help facilitate the practice of spiritual disciplines The combination of these Practical Steps with the spiritual disciplines themselves will work to promote a dynamic life of faith that will effectively bring the believer into a productive and rewarding relationship with God Man is an intentional creation of divine wisdom explicitly designed to fulfill a sacred purpose Agape love requires a soul to empty the wealth of its humanity upon the altar of God as a willing sacrifice If determination is to live up to its potential in promoting the spiritual life it must be united with some very fundamental practical steps Heaven should not be a culture shock to the consciousness of the believer it should be a gradual final step into the glorious reality of a spiritual life whose progress began at conversion Divine pleasure must be the goal of human effort not divine favor The genuineness of what we actually believe is nowhere so obviously exposed as in our daily schedules It does not take overtly carnal acts to corrupt the days of a mans life for inattention and idleness produce the same result as evil actions or wicked intentions Liberty must always precede service if either are to be authentic It is our great love for the Father not our initial desire for salvation that motivates and liberates the sincere believer to live a life of chosen obedience to God
