 Neil Corcoran,2004-09-16 Elizabeth Bowen is a writer who is still too little appreciated Neil Corcoran presents here a critical  
 study of her novels short stories family history and essays and shows that her work both inherits from the Modernist  
 movement and transforms its experimental traditions Elizabeth Bowen *The Enforced Return* explores how she adapts Irish  
 Protestant Gothic as a means of interpreting Irish experience during the Troubles of the 1920s and the Second World War  
 and also as a way of defining the defencelessness of those enduring the Blitz in wartime London She employs versions of the  
 Jamesian child as a way of offering a critique of the treatment of children in the European novel of adultery and indeed  
 implicitly of the Jamesian child itself Corcoran relates the various kinds of return and reflex in her work notably the presence  
 of the supernatural but also the sense of being haunted by reading to both the Freudian concept of the return of the  
 repressed and to T S Eliot s conception of the auditory imagination as a return to the origin Making greater interpretative  
 use of extra fictional materials than previous Bowen critics notably her wartime reports from neutral Ireland to Churchill s  
 government and the diaries of her wartime lover the Canadian diplomat Charles Ritchie Corcoran reveals how her fiction  
 merges personal story with public history Employing a wealth of original research his radical new readings propose that  
 Bowen is as important as Samuel Beckett to twentieth century literary studies a writer who returns us anew to the histories  
 of both her time and ours     **Monthly Bulletin** St. Louis Public Library,1903     **Book News** ,1887     **Senator North**
